Transforming Fate Into Destiny Robert Ootto, 2008-03-01 In this penetrating book renowned intuitive speaker and teacher Robert Ootto guides us on an investigation of the Heroic Journey of the Soul Exploring three

modern day manifestations of Fate he shows how psychic energy from family patterns cultural influences generational legacy and global evolution inform our self concept every day and how they often block our highest potential and Fate us to challenging circumstances and relationships But he reveals these Fated encounters are actually the keys to our unlived life Each chapter maps our psyche and unravels the mysterious connections of Fate Free Will and Destiny transforming our Fate into Destiny and our limitations into gifts Through this seminal work based on years of experience discover how we've made two fundamental agreements with the Universe as part of our Heroic Journey one with Fate and the other with Destiny As we learn to dance with these two forces they become two voices challenging and beckoning us to discover our ultimate purpose the primary task of the modern day Hero and Heroine and in the process serve to unleash the power of our Soul in delivering grace to the world

The Energies of Love Donna Eden, David Feinstein, 2014-09-04 A relationship begins with the meeting of two unique energies This union of energies determines the way you communicate fight love and want to be loved Donna Eden and David Feinstein draw on the real life experiences of couples who have attended their popular Energies of Love workshops as well as their own experience as husband and wife to show how an understanding of your energy system and that of your partner can help you build a more harmonious and loving bond We all have different ways of making sense of the world around us but when faced with conflict especially with those we care most about we tend to revert to one of four Energetic Stress Styles Visuals are extremely passionate and inspire others In moments of conflict their take on the situation can overshadow what is occurring undermining their ability to empathize with their partner Kinaesthetics are generous and compassionate but their caring nature pulls them in too many directions They try to meet others needs at the expense of their own causing resentment Digitals are rational and principled but they can become closed to others perspectives and feelings Tonals have a gift for understanding others but during conflict they can often misinterpret the signs hearing what was never said felt or thought The Energies of Love is filled with tools to help you diffuse arguments and energy exercises to increase your overall sense of joy and wellbeing This practical guide serves as a powerful resource for anyone who wishes to build a rich partnership while maintaining the spark that keeps a relationship exciting

Spiritual Activism Wanda Krause, 2013-12-06 Steve Jobs and others like him teach us about a higher or inner knowledge and about the use of spiritual keys for success These keys work because they are linked to universal laws that govern our universe regardless of whether we choose to learn and live by them or not Our actions all have consequences People who choose to recognize the consequence of success use keys governed by basic physics They consciously choose actions according to notions of principles Wanda Krause calls people who have learned these keys or principles and actively use them spiritual activists In her book *Spiritual Activism Keys for Personal and Political Success* Krause provides 12 keys for success that include principles taught by mystics and are grounded in physical laws of the universe Through observations

interviews and direct participation with hundreds of activists over a 12 year period she has found their challenges are becoming more and more complex yet they are still able to discover keys to success no matter what country they are in the various aspects of the culture around them or the particular challenges they face Krause presents ten activists stories to show how they achieve real success Themes include overcoming personal challenges such as substance abuse or cancer creating true miracles entrepreneurship service after a life of abandonment post war peace politics around new environmental threats terrorism politics around nuclear programs lessons from the Arab Spring compassionate justice and a new world economic system The activists provide awareness of their concerns while they provide guidance and examples using spiritual keys For Krause whether struggles are considered personal or political they are all embedded in power dynamics that must be transformed and it is her belief that spiritual activism is the only sustainable way forward It is important to note not all of those she identifies in her book as spiritual activists affirm a religious belief some are atheists some are agnostic the important message here is these are imperfect beings that truly align their goals with conscious duty and purpose with a strong inner calling and principled action Spiritual Activism offers the essential keys to success with success defined as achieving all that is going to help readers live with purpose These 12 keys include Living Your Purpose Spiritual Intelligence Energy Vibrations Interdependence The Law of Attraction Purification Developing Your Whole Self Beliefs of the Mind The Law of Love Intention for Manifestation Prayer Faith in the Divine Readers will easily identify with the spiritual activists in Krause s book there is nothing otherworldly or extraordinary about them other than their chosen commitment to lead a life filled with meaning and as a result they are helping to change the world for the betterment of everyone
