A quick reference guide to 124 different herbs, roots, minerals, and ingredients and how they are used in the Hoodoo tradition. Excerpt: Almost all seasoned practitioners of magic will tell you that using all natural ingredients is of utmost importance. Artificial fragrances and substances have no place in serious ritual or spiritual practice because they contain zero life force. Herbs, roots, and real essential oils carry with them the heart of the plant; they come from its very essence. This is the very foundation of what is known as sympathetic magic. Sympathetic magic, also known as imitative magic or homeopathic magic, is magic that is based on imitation or correspondence or both. Imitation is the idea that one thing can represent another thing and by proxy stand in its place. *Speak Like Leaders* Jennine Villante, 2021-07-14.
