Masks of the Illuminati Robert A. Wilson, 2009-10-21 This American underground classic is a rollicking cosmic mystery featuring Albert Einstein and James Joyce as the ultimate space time detectives One fateful evening in a suitably dark beer soaked Swiss rathskeller a wild and obscure Irishman named James Joyce would become the drinking partner of an unknown physics professor called Albert Einstein And on that same momentous night Sir John Babcock a terror stricken young Englishman would rush through the tavern door bringing a mystery that only the two most brilliant minds of the century could solve or perhaps bringing only a figment of his imagination born of the paranoia of our times An outrageous raunchy ride through the twists and turns of mind and space Masks of the Illuminati runs amok with all our fondest conspiracy theories to show us the truth behind the laughter and the laughter in the truth Praise for Masks of the Illuminati I was astonished and delighted Robert Anton Wilson managed to reverse every mental polarity in me as if I had been pulled through infinity Philip K Dick Wilson is erudite witty and genuinely
