Akerele,2014-01-03 Every month is peculiar and unique So is the gate of every month a midnight gate by western calendar system The name of the month numerical position and ordinal character in the calendar system are very important in advanced spiritual warfare My times are in your hands O Lord Employ these qualities and characteristics to speak by apostolic decrees to every month and the month shall yield you your portion Every month of the western world calendar has spiritual characteristics pointing to a definitely idolatrous background and origin This is not without consequence when it comes to the battle for the control of time Some spiritual powers are struggling to be in control of your time They pretend they have the time dedicated to themselves and can only release it for the use of man in exchange for worship Command the Month The Midnight Gate gives you the spiritual tools to take back the control and administration of time that the adversary has arrogated to himself Shall we war

The Future Shape of Christian Proclamation Cleophus J. LaRue,Luiz C. Nascimento,2020-08-03 Christianity is turning brown and moving south The Christianity the West has known is in recession and has all but dwindled out of recognition in the opening years of the twenty first century Well over half of the world s Christians now live in the Global South Africa Asia and Latin America They are according to Aberdeen missiologist Andrew Walls the new Representative Christians What they think about

Christianity will matter more and more and what North America thinks about Christianity will matter less and less This massive shift in geography and theological point of departure will have a major impact on Christian preaching now and into the future The Future Shape of Christian Proclamation seeks to begin the conversation about how preaching in the Global South will inform the whole of Christian preaching in the coming years Powerful Devices Abimbola Adunni Adelakun,2022-10-14 Powerful Devices studies spiritual warfare performances as an apparatus for disestablishing structures of power and knowledge and establishing righteousness in their stead Drawing on performance studies emphasis on radicality and breaking of social norms as devices of social transformation the book demonstrates how Christian groups with dominant cultural power but who perceive themselves as embattled wield the ideas of performance activism Combining religious studies with ethnography Powerful Devices explores Nigerian Pentecostals and US Evangelicals praxis of transnational spiritual warfare By closely studying spiritual warfare prayers as a device Powerful Devices shows how the rituals of prayer enable an apprehension of time paradigms of self enhancement and the subversion of politics and authority A critical intervention Powerful Devices explores charismatic Christianity s relationship to science and secular authority technology and temporality neoliberalism and reactionary ideology **Your Ministry and Your Ancestry** Dr. D. K.
