Know Your Why Ken Costa, 2016-07-19 Challenging inspiring and practical Bear Grylls I can t think of anyone more qualified to write about the significance of

knowing your purpose than my friend Ken Costa His new book Know Your Why is absolutely foundational to living a purpose driven life Rick Warren Among the crush and the rush of life there s no better guide in the pursuit of getting it right than my friend Ken Costa I highly recommend Know Your Why and am confident you will see more clearly and live more purposefully after absorbing the wisdom in its pages Louie Giglio Pastor Passion City Church Passion Conferences This is an important and timely book In a world of seemingly endless options discerning the voice of God can be an increasingly difficult task Ken draws on decades of experience to help Christians cut through the confusion and distractions and live lives in tune with God Andy Stanley Senior Pastor North Point Ministries There are few people on this planet that I find more fascinating than Ken Costa His capacity for business is only outweighed by his affection for the local church and he has beautifully modelled to a generation what it means to live out your calling and build the Kingdom Brian Houston Global Founder and Senior Pastor of Hillsong Church Are you working for cash a career a cause or a calling Why do you do what you do People work for a variety of reasons For many the primary purpose of their work is cash Their principal motivation is the paycheck that funds their everyday needs Their work is a means to an end Others are motivated by ambitions for a career to move up the professional ladder and expand their experience becoming more skilled in a particular area Still others work for a cause believing in the wider purpose of their work attempting to make a difference in the world to leave a mark in some way All of these are legitimate motivations However missing from all three is any sense of the value of work itself The focus is on the output of the workplace rather than valuing the input What we need is calling Those who see their work as a calling experience a rich integration in their lives They sense a purpose a direction to their activities Work has intrinsic meaning rather than being simply a means to an end In many ways this is precisely what the Spirit of God does in our lives When we are in the flow of the Spirit we are cooperating fully in our God given callings When people embrace their callings they love their work can manage inevitable tensions that arise and are welcomed by their colleagues who sense that there is something beyond the cash or career objectives But how do we get there Know Your Why is written with one objective to help you find your life s calling so that you can be more satisfied fulfilled and happier at work You did not choose me but I chose you and appointed you so that you might go and bear fruit fruit that will last John 15 16 NIV
