## **Perspectives On Marriage A Reader:**

Perspectives on Marriage Michael Warren, Kieran Scott, 1993 The first anthology ever published for use in the theology of marriage course this comprehensive text offers selections on a broad range of topics including marriage in historical perspective contemporary theological perspectives on marriage as a sacrament commitment and fidelity attitudes toward sexuality communication and conflict divorce and annulment and inter religious perspectives on marriage An appendix reprints ecclesiastical documents on marriage and the editors introductions to chapters and to individual readings enhance the accessibility of the text

Interfaith Marriage Bonni-Belle Pickard, 2022-05-05 As societies across the globe rethink and often discard the institutions of marriage and religion interfaith marriages continue to grow in number These unions usually committed to seeing past the traditional sectarian labels often struggle when the traditional sources of support for marital life faith community family support are not available Still the determination of interfaith couples to negotiate and cross boundaries gives hope to a fractured world Bonni Belle Pickard draws from her personal and professional experience to suggest ways of addressing the challenges of interfaith couples and their families

*Africa's Social and Religious Quest* Randee Ijatuyi-Morphé, 2014-01-30 This well crafted book probes the key dimensions of Africa s existential predicament It constitutes an intellectual response to a gnawing African situation the starting point for grasping Africa s social and religious quest Beyond split explanations of external versus internal factors e g colonization slavery vs leadership cultural values this study accounts more comprehensively for emergent issues shaping this situation The situation reflects a gamut of problems in traditional African religion and material culture which hitherto defines African communality politics and destinies vis vis the cosmos and nature Thus African religion and communities each with its own attendant values do not operate by critical engagement with larger issues of society and civilization especially those shaped by the advent of post modernity Rather they operate via adaptation The communal drive for natural and social harmony inevitably produces a preservationist view of culture leaving things as they are This study takes an integrative approach to religion society and civilization eschews dichotomies and broadly defines and re signifies life and wholeness as a true end of Africans quest today

Interfaith Marriage in America E. Seamon, 2012-11-09 Seamon explores the historical theological and societal dynamics of religious intermarriage as a way to introduce scholars to the myriad of factors that have contributed and will continue to contribute to the complete transformation of religion and Christianity in the twenty first century

**Transforming the Struggles of Tamars** Lina Andronoviene, 2014-05-29 This book explores the unprecedented challenge of involuntary singleness for women and the implications of disregarding this challenge for the Christian and particularly baptistic communities of faith It argues that these communities not only fail involuntarily single women but also in so doing suffer a serious detriment to their own communal health and Christian witness Taking the challenge of involuntary singleness as a test case this book explores the method of convictional theology and argues for a holistic framework that can draw together the personal communal and

visionary spheres of human existence Although primarily a work of theological ethics it also draws from a number of different disciplines including cultural studies and sociology as well as intersections of science and theology **Marriage Views**

Teena Richardson, 2011-01-04 Married Thinking about it or just want to understand the complexity of marriage In short story format Marriage Views delivers firsthand examples of eighteen different viewpoints of marriage It shows how couples deal with conflict and it provides relevant Biblical verses to help support each couple Inspired by real life issues these stories provide insight into a variety of different marital situations such as sex money infidelity disrespect love trust and in laws In the story And the Academy Award Goes To Randy and Debra appear to be the perfect couple but in private their relationship is fraught with violence Money problems plague newlywed couple Calvin and Rita in the story I Got Mine You Got Yours In Outside Children Inside Our Marriage Candace and James deal with the effects of adultery Biblical viewpoints and questions that serve to initiate discussion follow each story in order to help marriages become the way God desireseverlasting Marriage Views demonstrates that a better marriage is possible through God What people are saying about Marriage Views Marriage Views is a valuable book that will act as a great resource for many The compelling and relatable stories in the book help open one s eyes to some of the ridiculous and even hurtful situations that present themselves in marriage The book also reminds readers that while marriage is always a work in progress it s definitely worth the hard work and having faith certainly helps along the way Dawne Brooks Former Development Editor at Prentice Hall Publishers Cleverly written Marriage Views makes the reader feel as though they have a window seat to observe couples dealing with conflict The book touches on many of the issues marriages face today Its an excellent source for both married and engaged couples Each story causes a person to think about their own relationship and the biblical viewpoints and questions help to provide insight and encouragement to help them deal with the situation Wesley T Leonard Minister Pre Post Marital Counselor IB Prepared: English A Literature Anna Androulaki, Brent Whitted, 2025-05-08 IB Prepared resources are developed directly with the IB to provide the most up to date authentic and authoritative guidance on DP assessment IB Prepared English A Literature combines a concise review of course content with strategic guidance past paper material and exam style practiceopportunities allowing learners to consolidate the knowledge and skills that are essential to success *Reading Bridal Magazines from a Critical Discursive Perspective* E. Glapka, 2014-09-04 Bridal magazines have become increasingly popular in Western society proliferating the idea of a princess bride on her big day Yet little has been written on how the ever expanding wedding media and the popular wedding culture constructs gender and affects the ways women live and experience their weddings Offering a critique of contemporary wedding discourse this book marries together analyses of media texts and their reception to propose a new approach to media discourse The analysis richly illustrates how women are invited to embrace not only the stereotypical idea of bridal femininity but also a consumptive way of experiencing it Through examination of brides accounts of their big days the book observes the imprints of the popular gender imagery on their self

portraits and self narratives and describes the women s diverse approaches to them Based on insights from gender and critical discourse studies sociology and audience research this exploration illuminates the ongoing debate on media and gender and its methodological approaches      Perspectives on Marriage and the Family Abdullah Ahmed Khatri, Ernest Porterfield, 197?

Perspectives on Marriage , 1981      *Virginia Woolf and the Politics of Style* Pamela J. Transue, 1986-08-01 This readable informed and insightful book illustrates the effects Virginia Woolf s feminism had on her art Woolf s committed feminism combined with her integrity as an artist and her ability to metamorphose ideology into art make her work particularly suitable for a study of the complex relationship of polemic to aesthetics There is hardly a more crucial issue for the feminist artist today who must seek a successful fusion of her principles with her art For the student of this art Virginia Woolf and the Politics of Style provides a means to evaluate the success or failure of these strategies While Woolf s essays reflect a strong if somewhat quirky feminism she was highly critical of didacticism in fiction For that reason her novels at first glance appear relatively free of polemic Virginia Woolf and the Politics of Style reveals that her feminism is more accurately described as latent in the novels having been merged into the aesthetic components of style structure point of view and patterns of imagery      *Reading from this Place: Social location and biblical interpretation in global perspective* Fernando F. Segovia, Mary Ann Tolbert, Biblical studies are proving to be a test case of the large interpretive issues of how one s location social cultural ethnic and gender affects one s reading of the text and its import Segovia and Tolbert gather 19 leading biblical interpreters from around the globe to address the complex hermeneutical and religious questions attendant to this paradigm shift      **Reading, Learning, Teaching Barbara Kingsolver** Paul Lee Thomas, 2005 Our English classrooms are often only as vibrant as the literature that we teach This book explores the writing of contemporary American author Barbara Kingsolver who offers readers and students engaging fiction nonfiction and poetry that confront the reader and the world Here teachers will find an introduction to the works of Kingsolver and an opportunity to explore how to bring those works into the classroom as a part of the reading and writing curriculum This volume attempts to confront what we teach and how we teach as English teachers through the vivid texts Kingsolver offers her readers      **Women and 'Value' in Jane Austen's Novels** Lynda A. Hall, 2017-02-22 Jane Austen s minor female characters expose the economic and social realities of British women in the long eighteenth century and reflect the conflict between intrinsic and expressed value within the evolving marketplace where fluctuations and fictions inherent in the economic and moral value structures are exposed Just as the newly minted paper money was struggling to express its value so do Austen s minor female characters struggle to assert their intrinsic value within a marketplace that expresses their worth as bearers of dowries Austen s minor female characters expose the plight of women who settle for transactional marriages become speculators and predators or become superfluous women who have left the marriage market and battle for personal significance and existence These characters illustrate the ambiguity of value within the marriage market economy exposing women s limited choices This book employs a

socio historical framework considering the rise of a competitive consumer economy juxtaposed with affective individualism

*Wom(b)an: A Cultural-Narrative Reading of the Hebrew Bible Barrenness Narratives* Janice P. De-Whyte, 2018-06-12 In *Wom b an A Cultural Narrative Reading of the Hebrew Bible Barrenness Narratives* Janice Pearl Ewurama De Whyte offers a reading of the Hebrew Bible barrenness narratives The original word wom b an visually underscores the centrality of a productive womb to female identity in the ANE and Hebrew contexts Conversely barrenness was the ultimate tragedy and shame of a woman Utilizing Akan cultural custom as a lens through which to read the Hebrew barrenness tradition De Whyte uncovers another kind of barrenness within these narratives Her term social barrenness depicts the various situations of childlessness that are generally unrecognized in western cultures due to the western biomedical definitions of infertility Whether biological or social barrenness was perceived to be the greatest threat to a woman s identity and security as well as the continuity of the lineage *Wom b an* examines these narratives in light of the cultural meanings of barrenness within traditional cultures ancient and present

**The Practice of Reading** Derek Alsop, Chris Walsh, 1999-04-19 *The Practice of Reading* is a lucid and lively examination of the art of interpreting the novel in the context of recent developments in literary theory and criticism Believing that reading is or should be a pleasurable creative activity the authors analyse a range of seven novels from the eighteenth century to the present focusing upon the experiential dimensions of the reading process What is the role of the reader What happens when a novel is read How far does meaning depend on the reader and how far on the text These and other related questions are explored in readings of novels as diverse as *Tristram Shandy* *Pride and Prejudice* *Great Expectations* *Daniel Deronda* *A Portrait of the Artist as a Young Man* Beckett s *Trilogy* and *Possession* In its insistence upon a return to the practice of close reading the book represents a timely intervention in current literary debates An accessible informative and above all stimulating text for all university and college students of literature

**Reader's Guide to Women's Studies** Eleanor Amico, 1998-03-20 *The Reader s Guide to Women s Studies* is a searching and analytical description of the most prominent and influential works written in the now universal field of women s studies Some 200 scholars have contributed to the project which adopts a multi layered approach allowing for comprehensive treatment of its subject matter Entries range from very broad themes such as *Health* *General Works* to entries on specific individuals or more focused topics such as *Doctors*

**Reader's Guide to Lesbian and Gay Studies** Timothy Murphy, 2013-10-18 *The Reader s Guide to Lesbian and Gay Studies* surveys the field in some 470 entries on individuals *Adrienne Rich* arts and cultural studies *Dance* ethics religion and philosophical issues *Monastic Traditions* historical figures periods and ideas *Germany between the World Wars* language literature and communication *British Drama* law and politics *Child Custody* medicine and biological sciences *Health and Illness* and psychology social sciences and education *Kinsey Report*

**Regulatory Policy in Perspective A Reader's Companion to the OECD Regulatory Policy Outlook 2015** OECD, 2015-10-28 This volume collects expert papers on the trends and challenges of regulatory policy today regulatory impact assessment stakeholder

engagement and ex post evaluation These papers provide background material for the 2015 edition of the OECD Regulatory Policy Outlook

*Women's History in Global Perspective* Bonnie G. Smith, 2004 The American Historical Association's Committee on Women Historians commissioned some of the pioneering figures in women's history to prepare essays in their respective areas of expertise This volume the second in a series of three collects their efforts As a counterpoint to the broad themes discussed in the first volume Volume 2 is concerned with issues that have shaped the history of women in particular places and during particular eras It examines women in ancient civilizations including women in China Japan and Korea women and gender in South and South East Asia Medieval women women and gender in Colonial Latin America and the history of women in the US to 1865 Authors included are Sarah Hughes and Brady Hughes Susan Mann Barbara N Ramusack Judith M Bennett Ann Twinam and Kathleen Brown Incorporating essays from top scholars ranging over an abundance of regions dates and methodologies the three volumes of *Women's History in Global Perspective* constitute an invaluable resource for anyone interested in a comprehensive overview on the latest in feminist scholarship
