

## Memo

To: All General & Limited Partners Date: October 5, 1978  
From: Alan C. Greenberg CC:  
Subject:

Bear Stearns is moving forward at an accelerated rate and everybody is contributing. It is absolutely essential for us to be able to talk to our partners at all times. All of us are entitled to rest, lunch, play golf and go on vacation. But, you must leave word with your secretary or assistant where you can be reached at all times. Decisions have to be made and your input can be important!

I conducted a study of the 500 firms that have disappeared from Wall Street over the last few years, and I discovered that 65.54% went out of business because the important people did not leave word where they went when they left their desk if even for 15 minutes.

That idiosyncrasy will not occur here.

## Memo

To: All General & Limited Partners Date: March 13, 1979  
From: Alan C. Greenberg CC:  
Subject:

The Executive Committee last night approved a group of people who will be asked to become Limited Partners of Bear, Stearns & Co., subject to the approval of the other General Partners. You will be receiving this list shortly.

Carl Rolden has just informed me that we have signed a \$10 million long-term loan agreement with a major insurance company. This will replace our loan with the First National Bank of Chicago. The implications and the actual dollar savings of this agreement are of tremendous importance to Bear, Stearns & Co.

I also just received the P and L results for February and, in my opinion, they were great. These three items will be covered in detail at the Partners' Meeting on March 19th.

The developments at Bear Stearns certainly seem to be positive and as a result we will, of course, identify our surveillance of all positions and exposures. You know how I feel about the dangers of overconfidence.

It certainly looks like we have a dynamic future in store as long as we remember the words of the famous philosopher, Rabinchinski Melutz Anaynski: "There will be well to tomorrow as long as there does not believe there can ever be perfection."
