Johnny Mercer Glenn T. Eskew, 2013-11-15 John Herndon Johnny Mercer 1909-76 remained in the forefront of American popular music from the 1930s through the 1960s writing over a thousand songs collaborating with all the great popular composers and jazz musicians of his day working in Hollywood and on Broadway and as cofounder of Capitol Records helping to promote the careers of Nat King Cole Margaret Whiting Peggy Lee and many other singers Mercer's songs sung by Bing Crosby Billie Holiday Judy Garland Frank Sinatra Ella Fitzgerald Tony Bennett Lena Horne and scores of other performers are canonical parts of the great American songbook Four of his songs received Academy Awards Moon River Days of Wine and Roses On the Atchison Topeka and the Santa Fe and In the Cool Cool Cool of the Evening Mercer standards such as Hooray for Hollywood and You Must Have Been a Beautiful Baby remain in the popular imagination Exhaustively researched Glenn T. Eskew's biography improves upon earlier popular treatments of the Savannah Georgia born songwriter to produce a sophisticated insightful evenhanded examination of one of America's most popular and successful chart toppers Johnny Mercer Southern Songwriter for the World provides a compelling chronological narrative that places Mercer within a larger framework of diaspora entertainers who spread a southern multiracial culture across the nation and around the world Eskew contends that Mercer and much of his music remained rooted in his native South being deeply influenced by the folk music of coastal Georgia and the blues and jazz recordings made by black and white musicians At Capitol Records Mercer helped redirect American popular music by commodifying these formerly distinctive regional sounds into popular music When rock n roll diminished opportunities at home Mercer looked abroad collaborating with international composers to create transnational songs At heart Eskew says Mercer was a jazz musician rather than a Tin Pan Alley lyricist and the interpenetration of jazz and popular song that he created expressed elements of his southern heritage that made his work distinctive and consistently kept his music before an approving audience

The Damned Don't Cry -

They Just Disappear Harlan Greene, 2017-12-29 A biography of an unconventional Southern writer who illuminated gay life in the South In *The Damned Don't Cry They Just Disappear* literary historian and Lambda Award winning novelist Harlan Greene has created a portrait of a nearly forgotten southern writer unearthing information from archives rare books film libraries and small town newspapers Greene brings Harry Hervey 1900 1951 to life and explicates his works to reveal him as a hardworking writer and master of many genres bravely unwilling to conform to conventional values As Greene illustrates Hervey's novels short stories nonfiction books and film scripts contain complex mixtures of history and thinly disguised homoerotic situations and themes They blend local color naturalism melodrama and psychological and sexual truths that provide a view to the circles in which he moved Living openly with his male lover in Savannah Georgia and Charleston South Carolina Hervey set novels in these cities that scandalized the locals and critics as well He challenged the sexual mores of his day sometimes subtly and at other times brazenly presenting texts that told one story to gay male readers while still courting a mainstream audience His novels and nonfiction may have been coded and thus escaped detection in their day but twenty first century readers can decipher them easily Greene also discusses Hervey's travel books and successful Hollywood scriptwriting as well as his use of exotic elements from Asian cultures The iconic film *Shanghai Express* starring Marlene Dietrich was based on one of his original stories He also wrote some of the first travel books on Indochina with descriptions of male and female prostitution and allusions to his own sexual adventures which still make for sensational reading today Despite Hervey's output and his perseverance in presenting gay characters and themes as openly as he could he has not been included in any survey of twentieth century gay writers Greene now rectifies this omission providing the first book length study of Hervey's life and work and the first scholarly attention to him in more than fifty years It furthers our understanding of gay life in the South as well as the impact of gay artists on popular culture in the first half of the twentieth century

The Lasting Legacy of Colonial Cemeteries in South Asia David A Johnson, 2025-05-26 *The Lasting Legacy of Colonial Cemeteries in South Asia* explores the interplay between architecture and historical memory highlighting how colonial cemeteries serve as enduring reminders of the British Empire in the region During British rule nearly two million Europeans were interred in government controlled cemeteries which not only housed their remains but also chronicled the expansion of Britain's Indian Empire its military endeavours and commercial activities After India gained independence in 1947 these cemeteries were transferred to the new governments which showed little interest in their upkeep The British High Commission attempted to manage them through local Christian committees but this initiative

faltered by the late 1950s due to funding issues In response to the rapid decay of these sites the British Association for Cemeteries in South Asia BACSA was formed to preserve these historical markers and the colonial memories they embody in a changing postcolonial landscape The New Georgia Encyclopedia Companion to Georgia Literature Hugh Ruppersburg, John C. Inscoe, 2011-08-15 Georgia has played a formative role in the writing of America Few states have produced a more impressive array of literary figures among them Conrad Aiken Erskine Caldwell James Dickey Joel Chandler Harris Carson McCullers Flannery O Connor Jean Toomer and Alice Walker This volume contains biographical and critical discussions of Georgia writers from the nineteenth century to the present as well as other information pertinent to Georgia literature Organized in alphabetical order by author the entries discuss each author s life and work contributions to Georgia history and culture and relevance to wider currents in regional and national literature Lists of recommended readings supplement most entries Especially important Georgia books have their own entries works of social significance such as Lillian Smith s *Strange Fruit* international publishing sensations like Margaret Mitchell s *Gone With the Wind* and crowning artistic achievements including Jean Toomer s *Cane* The literary culture of the state is also covered with information on the *Georgia Review* and other journals the Georgia Center for the Book which promotes authors and reading and the Townsend Prize given in recognition of the year s best fiction This is an essential volume for readers who want both to celebrate and learn more about Georgia s literary heritage **Factual Fictions** Leonora Flis, 2010-08-11 *Factual Fictions* Narrative Truth and the Contemporary American Documentary Novel focuses on contemporary American documentary narratives specifically the documentary novel as it re emerged in the 1960s and later developed into various other forms The book explores the connections between the documentary novel and the concurrent rise of New Journalism a k a literary journalism in the United States situating the two genres in the cultural context of the tumultuous 1960s and an emerging postmodern ethos Flis makes a comprehensive analysis of texts by Truman Capote Norman Mailer John Berendt and Don DeLillo while tackling discussions on various theoretical complexities with assurance and rigor Interested in the precarious divide between fact and fiction the author productively complicates traditional notions of the two poles Furthermore the book examines parallels between contemporary Slovene documentary narratives and their American counterparts Flis s work with its systematic and innovative approach to the subject matter adds an important historical dimension to the developing field of literary journalism studies as well as to the more established area of 20th Century American literature *The Undeclared War between Journalism and Fiction* D. Underwood, 2013-09-25 In this volume Doug Underwood asks whether much of what is now called literary journalism is in fact literary and whether it should rank with the great novels by such journalist literary figures as Twain Cather and Hemingway who believed that fiction was the better place for a realistic writer to express the important truths of life
