BOOK JACKET

The Upstart Guide to Buying, Valuing, and Selling Your Business Scott Gabehart, 1997 A comprehensive guide covering the top three critical issues every business

owner faces this book ensures that all parties understand each other's needs thus clarifying a complex process and opening the door to successful negotiations. The volume includes an extensive stand alone glossary of relevant terms and concepts as well as comprehensive lists of business opportunity sources, contact lists and reference materials. The disk contains all the forms from the book. *Running a Small Business in the Pacific Region* Rex Kinder, 2024-02-02. It is not easy to start a successful business these days and far too many fail in the first year of trading. The problem lies largely in the lack of accessible and good information available to small business owners. *Running a Business in the Pacific Region* offers simple step by step plans for starting and maintaining a small business as it grows. It takes you through all the stages from how to decide if it's worth starting the business, financial planning and management to the day to day running of a successful business. There is a wealth of information throughout the book for other kinds of readers as well. General management topics including hiring employees, keeping bank accounts and avoiding scams, purchasing and using computers, business and the law and ethics should be of interest to all kinds of managers.

Accounting and Financial Analysis in the Hospitality Industry Jonathan Hales, 2006-08-11. The objective of this textbook is to teach students to be conversational in speaking numbers. This means understanding fundamental accounting concepts, developing solid financial analysis abilities and then applying them to understand and improve the operational performance of their hotel or restaurant. The book will accomplish this by studying the current practices of some of today's leading hotel and restaurant companies. Chapters will be developed under the auspices of a select group of hospitality industry General Managers, Directors of Finance and Regional Accounting Managers to ensure that the information is current, accurate and useful. Understanding and applying the information will be the main focus of this book. This textbook should provide hospitality managers the knowledge and experience to be comfortable in using numbers to operate their departments. This includes developing the ability to perform all accounting and financial aspects of their position efficiently and correctly including revenue forecasting, wage scheduling, budgeting, P L critiques, purchasing procedures and cost control methods. As a result, they will have more time to spend on the floor with their customers and employees. This knowledge will help them understand their operations and how to improve, change or expand them to increase revenues or profits.
