Descriptosaurus Supporting Creative Writing For Ages 8 14:

Descriptosaurus Alison Wilcox, 2008-11-11 *Descriptosaurus* is the first book for creative writing that is a thematic expansion of a dictionary and a thesaurus. It provides children with a comprehensive resource with which to expand their descriptive vocabulary, experiment with language and sentence structure and build up narratives based around the following areas: Settings, landscapes, settlements and atmospheres; Characters, appearance, emotions and personality; Creatures, appearance, abilities and habitats. This model was created as a result of feedback from children as to the resources they required to inspire and assist them with their writing. For reluctant writers or those faced with blank page syndrome, *Descriptosaurus* provides useful starting points to encourage putting pen to paper. Using *Descriptosaurus* will not only inspire children, it will build their confidence and dramatically improve the content of their writing.

Descriptosaurus Alison Wilcox, 2017-11-15 Now in a fully updated third edition
Descriptosaurus is the first book for creative writing that is a thematic expansion of a dictionary and a thesaurus. It provides children with a comprehensive resource with which to expand their descriptive vocabulary, experiment with language and sentence structure and build up narratives based around settings, characters and creatures. *Descriptosaurus* positions the word, zooms in on it to examine the meaning, expands it into phrases and then provides alternatives in words, phrases and sentences. The model was created and refined over a number of years as a result of feedback from children inside and outside the classroom as to the resources they required to inspire and assist them with their writing. For reluctant writers or those faced with blank page syndrome, it provides essential starting points to encourage putting pen to paper, not only inspiring children but also building their confidence, encouraging them to use, apply and create using the correct grammatical structures and adding colour to their writing through evaluation and experimentation.
