

The background image is a vertical photograph showing a stark contrast between modern urban development and informal settlements. On the right side, a tall, modern building with a glass facade and a blue sky with light clouds are visible. On the left side, a dense, multi-story informal settlement (slum) is shown, with many windows and balconies. A large, blue, curved structure, possibly a piece of art or a large umbrella, is visible in the middle ground, partially obscuring the buildings. The overall scene suggests a focus on urban planning and sustainability in high-density environments.
