Konfliktmanagement Monika Klinkhammer, Neela Enke, 2022-11-23

Wissenschaftliche Institutionen sind Konfliktherde wie andere Organisationen auch. Doch das Arbeiten an Hochschulen und Universitäten ist in besonderem Maße von Kooperation einerseits und von Konkurrenz andererseits geprägt. In Lehre, Forschung und Verwaltung treffen Menschen mit vielfältigen widersprüchlichen Rollen und Aufgaben aufeinander, die in komplexen Situationen gemanagt werden müssen. Hoher Leistungs- und Performancedruck, widerstreitende Anforderungen, schwierige Arbeitsbedingungen sowie befristete Verträge für Promovierende und Postdocs in den Qualifizierungsphasen sind die Regel. Dieses Buch bietet Beschäftigten aller Statusgruppen Methoden und Werkzeuge zur Wahrnehmung, Diagnose und Bearbeitung von Konflikten an, die beispielsweise in Arbeitsbeziehungen, in Betreuungsverhältnissen in Forschungsgruppen, an Lehrstühlen oder in Instituten entstehen. Worum geht es bei Konflikten wirklich? Was ist hilfreich? Und wie führt man ein Konfliktgespräch? Zahlreiche Beispiele und Fälle aus der Praxis verleihen dem Ratgeber eine besondere Anschaulichkeit und bieten eine Handlungsorientierung.

Difficult Conversations: How to Discuss What Matters Most in Communication. Initiating a difficult conversation is similar to having a cold. We all come down with frequent colds and thus we know how much of a nuisance it can be despite the fact that it does not have any cure. Difficult conversations should not be avoided as this is an integral part of managing our challenges and thus streamlining our relationships, whether in the office, at home, or anywhere else. It is based on the fact that it could be very pivotal to performance management, promotion of openness, as well as improvement of important dynamics as part of building a team spirit. The ugly truth is, however, that the conversation is there, and there are practical, step-by-step ways through which you can handle the conversation in a better and informed manner as possible. This is simply by mastering the art of doing it so as to yield the right outcome that you desire while taking into consideration the feelings of the other party in the conversation. The key to your mastery of difficult one-to-one conversations at the workplace or home revolves around good performance, conduct as well as taking control of issues that often compound effective communication. This book will therefore offer you with the guidelines and secrets that I have used in the past in actually handling difficult conversations. This is by ensuring that you

stay at the top of your game and taking charge of the situation that is facing Then you have to make sure that you place defined boundaries in place to guard your emotions so that you gather the required confidence to face the big monster in the room Will guide you to ensuring that you have a good action plan to approaching the conversation and going through it until it reaches completion efficiently The mistake that many difficult people across the globe often make is that they often approach the conversation without a plan and thus end up prolonging it and thus contributing to increased intensity of the problem in spite their good intentions from the very start You have to know when to expand the conversation and when to stick to the point You have to ensure that seek clarifications necessary to widen your understanding of the issues that you need to understand and when to restrict it It plays a central role in determining what happens and people often learn it through experience Through this book you will gain in depth insight into ways to tackle difficult people and conversations and thus allowing you the opportunity to test your skills safely in a supportive surrounding Reading this book will change the the way you think and manage stressful situations with difficult conversations The truth about difficult conversation Tips for handling difficult conversations Things that you have to prepare before going into a conversation Be sure about the issue at hand Properly manage emotions Be silent conformably Preserve your relationship Ensure consistency Grow your conflict resolution skill and candid approach to a difficult conversation Factors that make a conversation difficult Important skills and responses during difficult conversations So much much more information in this book about difficult conversations Who this book is for People who have problems communicating with difficult people in their lives Those who want to learn how to manage a difficult situation and difficult people Those who want to learn more about the cause and effect of difficult conversations I m sure my book will guide you through your life
