18th IMT-GT International Conference on Mathematics, Statistics and their Applications, 2024-04-30

The 18th ICMSA 2023 emphasized the critical role of statistical science in advancing the Sustainable Development Goals SDGs. The conference highlighted how data science and statistical methods are essential for solving real world problems and achieving sustainable development. The event aimed to enhance the research output of Universitas Syiah Kuala, foster a collaborative research environment, and facilitate scientific exchange with international scholars. By focusing on statistics, the conference sought to enhance the university's global reputation and contribute to government efforts to address health, environmental, and economic challenges through data-driven insights. ICMSA 2023 set a high standard for subsequent conferences with a commitment to refining its structure and expanding its reach. The statistics-focused sessions attracted a large number of submissions reflecting the dynamic nature of the statistics community. Following a thorough peer review process, 22 papers were selected for inclusion in the Book of Applied Statistics, ensuring that the conference's critical statistical research contributions were effectively captured and shared.
