**Walter F. Otto**

### **Dionysus Myth And Cult By Walter F Otto 1995:**

*Dionysus* Walter F. Otto, 1965 This study of Dionysus is also a new theology of Early Greece Publishers Weekly An original analysis of the spiritual significance of the Greek myth and cult of Dionysus *Theology Digest Facets of Modernity* Dmitri Nikulin, 2021-05-11 What does it mean to be human in modernity This book examines being human in its theoretical practical and productive aspects not in abstraction from historical social and political settings but rather as set in concrete historical and material circumstances Through the analysis and close reading of a number of texts of the modern thinkers which include those of Nietzsche Dostoevsky Tolstoy Kracauer Heidegger Benjamin Hans Jonas and Agnes Heller it demonstrates that the complexity and variety of the human experience is grounded in the modern subjectivity which establishes itself as universal rational autonomous and necessary Such a subjectivity is characterised as self legislating or establishing the universal moral law and is further defined by historicity or the interpretation of its actions as conditioned by the previous and current social and political circumstances The book then shows that the multiple facets of modernity make the experience of being human fascinating complicated and ultimately unique **Parody and Festivity in Early Modern**

**Art** David R. Smith, 2017-07-05 Dwelling on the rich interconnections between parody and festivity in humanist thought and popular culture alike the essays in this volume delve into the nature and the meanings of festive laughter as it was conceived of in early modern art The concept of carnival supplies the main thread connecting these essays Bound as festivity often is to popular culture not all the topics fit the canons of high art and some of the art is distinctly low brow and occasionally ephemeral themes include grobianism and the grotesque scatology popular proverbs with ironic twists and a wide range of comic reversals some quite profound Many hinge on ideas of the world upside down Though the chapters most often deal with Northern Renaissance and Baroque art they spill over into other countries times and cultures while maintaining the carnivalesque air suggested by the book's title **Acts: An Exegetical Commentary : Volume 2** Craig S.

Keener, 2013-10-15 Highly respected New Testament scholar Craig Keener is known for his meticulous and comprehensive research This commentary on Acts his magnum opus may be the largest and most thoroughly documented Acts commentary available Useful not only for the study of Acts but also early Christianity this work sets Acts in its first century context In this volume the second of four Keener continues his detailed exegesis of Acts utilizing an unparalleled range of ancient sources and offering a wealth of fresh insights This magisterial commentary will be an invaluable resource for New Testament professors and students pastors Acts scholars and libraries *Her Kind* Jane Cahill, 1995-11-29 Medea betrayed her father and left her homeland for the love of Jason Then when he abandoned her she murdered her children But did she And what of Clytemnestra the conniving adulteress For ten years she plotted the murder of her husband Agamemnon King of Mycenae and Conqueror of Troy How would she have told her story The Greek myths as we know them were told for men by men Yet they were the culmination of a long oral tradition in which both men and women shared Using extant ancient literary sources

as her guide including the works of Homer Aeschylus Euripides and Apollodorus Jane Cahill reconstructs the stories as they might have been told to women by women These are stories of wronged women inspired women determined women tender women Medusa tells how it is to know that one look at her face will turn a man to stone to be hated and feared all the time Jocasta Queen of Thebes confesses her love for the young man who came to save her city from the Sphinx her son Oedipus Each story is accompanied by extensive notes which discuss the ancient sources explain relevant Greek concepts and customs and serve as a guide to further reading

**A Gorgon's Mask** Lewis A. Lawson, 2005 The thesis of A Gorgon's mask The Mother in Thomas Mann's Fiction depends upon three psychoanalytic concepts Freud's early work on the relationship between the infant and its mother and on the psychology of artistic creation Annie Reich's analysis of the grotesque comic sublimation and Edmund Bergler's analysis of writer's block Mann's crisis of sexual anxiety in late adolescence is presented as the defining moment for his entire artistic life In the throes of that crisis he included a sketch of a female as Gorgon in a book that would not escape his mother's notice But to defend himself from being overcome by the Gorgon mother's stare he employed the grotesque comic sublimation hiding the mother figure behind fictional characters physically attractive but psychologically repellent all the while couching his fiction in an ironic tone that evoked humor however lacking in humor the subtext might be In this manner he could deny to himself that the mother figure always lurked in his work and by that denial deny that he was a victim of oral regression For as Edmund Bergler argues the creative writer who acknowledges his oral dependency will inevitably succumb to writer's block Mann's late work reveals that his defense against the Gorgon is crumbling In Doctor Faustus Mann portrays Adrian Leverkühn as ultimately the victim of oral regression but the fact that Mann was able to compete the novel despite severe physical illness and psychological distress demonstrates that he himself was still holding writer's block at bay In Confessions of Felix Krull Confidence Man a narrative that he had abandoned forty years before Mann was finally forced to acknowledge that he was depleted of creative vitality but not of his capacity for irony brilliantly couching the victorious return of the repressed in ambiguity This study will be of interest to general readers who enjoy Mann's narrative art to students of Mann's work especially its psychological and mythological aspects and to students of the psychology of artistic creativity

**Listening to the Sirens** Judith Perraino, 2006 Judith Perraino investigates how music has been used throughout history to call into question norms of gender and sexuality Beginning with an examination of the mythology surrounding the Sirens she goes on to consider musical creatures gods humans and music addled listeners

*Stoicism and the Gospel of John* Fergus J. King, 2025-03-17

**Greek and Roman Myths: Gods, Men, and Demigods** AJ Carmichael, 2025-01-05 For thousands of years the stories and traditions of ancient Greece and Rome have thrilled humanity These rich in drama heroism and divine contact stories offer more than just entertainment value They offer insight into the ancient world by reflecting their founders and disseminators ideas values and societal systems Their impact shapes Western civilization's collective consciousness philosophy art and literature going beyond ancient times Examining its

historical foundations universal themes and repercussions on ancient and modern society can help us see why Greek and Roman mythology is so fascinating and significant Mythology served as a tool for clarifying the unexplainable Before scientific understanding developed stories provided ancient societies a framework to explain existential puzzles natural events and the cosmos For the Greeks the thunder of Zeus and the choppy waves of Poseidon represented uncontrollably strong energies that made sense in the narrative Likewise the Romans accepted and changed these stories to fit their pragmatic viewpoint usually adding moral and civic lessons The development stories of both civilizations show a great need to understand life The initial state of chaos the amorphous nothingness from which all creatures sprang marks Deities like Uranus and Gaea whose marriage best captures the connection between sky and earth supervising the ordered universe that arose from this anarchy Though fictional these stories mirror fundamental human concerns about beginnings identity and purpose These stories were preserved and shared in great part by the oral tradition Recited epic stories nomadic bards like Homer guaranteed their survival over decades Later canonized as the literary works of Hesiod Virgil and Ovid provide a window into the cultural Psyche of their day The shift from oral to written tradition emphasizes how flexible these stories are since they were changed to fit several audiences and settings Greek and Roman mythology s examination of universal subjects that cut across time and culture helps to explain why it still intrigues The conflicts between gods and humans the search for heroism and the results of hubris mirror basic features of human life These tales probe the subtleties of morality authority and the interaction between fate and free will The gods are profoundly human in their shortcomings and want even if they are immortal and strong Often driven by envy passion and the urge for control Zeus for example epitomizes both absolute authority and human weakness His contacts with people draw attention to the unstable balance of power and the consequences of challenging divine will Often acting to great lengths to uphold her reputation and punish adultery Hera the queen of the gods stands for loyalty and retribution By using these figures mythology offers a mirror reflecting human behavior accentuating virtues and vices in still relevant ways

*Drunk the Night Before* Marty Roth,2005 Exposes the secret history of drink and drugs from creative stimulant to addictive poison

Mask and Performance in Greek Tragedy David Wiles,2007-08-09 A 2007 study of the mask in Greek tragedy covering both ancient and modern performances

*Text & Presentation, 2013* Graley Herren,2014-02-07 Text Presentation 2013 gathers some of the best work presented at the 2013 Comparative Drama Conference in Baltimore Subjects ranging from Ancient Greece to 21st century America are covered with a variety of approaches and formats Celebrated playwright Edward Albee s presentation is the lead piece followed by 12 research papers one review essay and seven book reviews This volume represents the latest research in the fields of comparative drama performance and dramatic textual analysis

**The Speech of the Grail** Linda Sussman,1995 Storyteller and ceremonialist Linda Sussman explores how to speak in a new way that is one that heals and transforms She takes the epic story of the grail as told by Wolfram von Eschenbach in Parzival as her guide This tale weaves together Celtic

Oriental Christian Arthurian and alchemical sources Linda Sussman sees Parzival as depicting the path of initiation to healing speech to doing the truth in word and deed First she tells the story in a beautiful way allowing the reader to reproduce within themselves the potent inner pictures of the text Then she shows that it is not so much a path toward perfection as the recovery of a right relationship to our imperfections She shows too that it is a path in which male and female aspects work together in the overcoming of evil

**The Friendly Guide to Mythology** Nancy Hathaway,2003-08-26

How was the world as we know it created What does it mean to be a hero Where do we go when we die Why are flood myths so ubiquitous Anyone who has pondered these and other questions about humanity's ancient beliefs will be fascinated by The Friendly Guide to Mythology Focusing on Greek and Roman mythology but including myths from Africa Asia Australia northern Europe and the Americas The Friendly Guide to Mythology is filled with compelling stories of gods goddesses mortals and monsters Beautifully ornamented with photos line drawings and quotes this entertaining guide also includes an A to Z listing of the world's most captivating goddesses profiles of famous writers collectors and interpreters of myths and engaging sidebars Featuring myths of love wisdom and adventure as well as those of violence jealousy and pure folly this accessible collection offers fascinating insight into the human psyche and brings our rich mythological heritage delightfully into focus

Nietzsche and the Dionysian Peter Durno Murray,2018-06-19 Nietzsche and the Dionysian argues that the shuddering mania of the affect associated with Dionysus in Nietzsche's early work runs as a thread through his thought and is linked to an originary interruption of self consciousness articulated by the philosophical companion In this capacity the companion can be considered a mask of Dionysus or one who assumes the singular role of the transmitter of the most valuable affirmative affect and initiates a compulsion to respond which incorporates the otherness of the companion In the context of such engagements Nietzsche envisages Dionysian or divine madness within an optics of life through which an affirmative ethics can be thought The ethical response to the philosophical companion requires an affirmation of the plurality of life formulated in the imperatives to be true to the earth and become who you are Such an ethics compelled by the Dionysian affect grounds any future for humanity in the affirmation of the earth and life

**Wine** John Varriano,2022-10-24

For oenophiles casual wine drinkers and aesthetes alike an informative and entertaining history sure to delight even the most sensitive palates From celebrations of Bacchus in ancient Rome to the Last Supper and casual dinner parties wine has long been a key component of festivities ceremonies and celebrations Made by almost every civilization throughout history in every part of the world wine has been used in religious ceremonies inspired artists and writers been employed as a healing medicine and most often sipped as a way to relax with a gathering of friends Yet like all other forms of alcohol wine has also had its critics who condemn it for the drunkenness and bad behavior that arise with its overconsumption Wine can render you tongue tied or philosophical it can heal wounds or damage health it can bring society together or rend it In this fascinating cultural history of wine John Varriano takes us on a tour of wine's lively story revealing the polarizing effect wine

has had on society and culture through the ages From its origins in ancient Egypt and Mesopotamia to the expanding contemporary industries in Australia New Zealand and America Varriano examines how wine is made and how it has been used in rituals revelries and remedies throughout history In addition he investigates the history of wine s transformative effects on body and soul in art literature and science from the mosaics of ancient Rome to the poetry of Dickinson and Neruda and the paintings of Caravaggio and Manet A spirited exploration this book will delight lovers of sauvignon blanc or pinot noir as well as those who are interested in the rich history of human creativity and consumption **Venice Incognito** James H. Johnson,2017-01-10 The entire town is disguised declared a French tourist of eighteenth century Venice And indeed maskers of all ranks nobles clergy imposters seducers con men could be found mixing at every level of Venetian society Even a pious nun donned a mask and male attire for her liaison with the libertine Casanova In Venice Incognito James H Johnson offers a spirited analysis of masking in this carnival loving city He draws on a wealth of material to explore the world view of maskers both during and outside of carnival and reconstructs their logic covering the face in public was a uniquely Venetian response to one of the most rigid class hierarchies in European history This vivid account goes beyond common views that masking was about forgetting the past and minding the muse of pleasure to offer fresh insight into the historical construction of identity Epicureanism and the Gospel of John Fergus J. King,2020-11-09 The Gospel of John and Epicureanism share vocabulary and reject the conventions of Graeco Roman theology Would it then have been easy for an Epicurean to become a Christian or vice versa Fergus J King suggests that such claims become unlikely when detailed analyses of the two traditions are set out and compared The first step in his examination looks at evidence for potential engagement between the two traditions historically and geographically Both traditions address concerns about the good life death and the divine However this correspondence soon unravels as their worldviews are far from identical Shared terms like Saviour their respective rituals and teaching about community life reveal substantial differences in ethos and behaviour *The Mind of the Spirit* Craig S. Keener,2016-06-21 Leading Scholar Explores Paul s Teaching on the Mind This major work by a leading New Testament scholar explores an important but neglected area of Pauline theology Paul s teaching about the mind In discussing matters such as the corrupted mind the mind of Christ and the renewal of the mind Paul adapts language from popular intellectual thought in his day but he does so in a way distinctively focused on Christ and Christ s role in the believer s transformation Keener enables readers to understand this thought world so they can interpret Paul s language for contemporary Christian life The book helps overcome a false separation between following the Spirit and using human judgment and provides a new foundation for relating biblical studies and Christian counseling **Nectar and Ambrosia** Tamra Andrews,2000-10-26 A publishing first Nectar and Ambrosia presents an encyclopedic treatment of the magic properties and uses of food by mortals and immortals alike from the pages of myth and legend Now for the first time the magic properties and uses of food by both mortals and immortals as represented in the world s myths and legends are

brought together and explained in Nectar and Ambrosia This A Z volume is filled with an abundance of exotic lore and legend

## The Enigmatic Realm of **Dionysus Myth And Cult By Walter F Otto 1995**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing short of extraordinary. Within the captivating pages of **Dionysus Myth And Cult By Walter F Otto 1995** a literary masterpiece penned with a renowned author, readers embark on a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting affect the hearts and minds of people who partake in its reading experience.
