House Of Holes Nicholson Baker:

House of Holes Nicholson Baker, 2011-08-09 In the New York Times bestseller House of Holes Nicholson Baker one of the most beautiful original and ingenious prose stylists to have come along in decades The New York Times Magazine returns to the terrain that made him famous with a gleefully provocative off the charts erotic novel that is unlike anything you've read a filthy tour de force Time Shandee finds a friendly arm at a granite quarry Ned drops down a hole in a golf course So begins Nicholson Baker's fuse blowing sexual escapade a modern day Hieronymus Boschian bacchanal set in a pleasure resort where normal rules don't apply House of Holes one of the most talked about books in recent memory is a gleefully provocative novel sure to surprise amuse and arouse

The Vagina: A Literary and Cultural History Emma L. E. Rees, 2013-08-01 From South Park to Kathy Acker and from Lars Von Trier to Sex and the City women's sexual organs are demonized Rees traces the fascinating evolution of this demonization considering how calling the c word obscene both legitimates and perpetuates the fractured identities of women globally Rees demonstrates how writers artists and filmmakers contend with the dilemma of the vagina's puzzlingly covert visibility In our postmodern porn obsessed culture vaginas appear to be everywhere literally or symbolically but crucially they are as silenced as they are objectified The Vagina A Literary and Cultural History examines the paradox of female genitalia through five fields of artistic expression literature film TV visual and performance art There is a peculiar paradox unlike any other regarding female genitalia Rees focuses on this paradox of what is termed the covert visibility of the vagina and on its monstrous manifestations That is what happens when the female body refuses to be pathologized eroticized or rendered subordinate to the will or intention of another Common and often offensive slang terms for the vagina can be seen as an attempt to divert attention away from the reality of women's lived sexual experiences such that we don't look at the vagina itself slang offers a convenient distraction to something so taboo The Vagina A Literary and Cultural History is an important contribution to the ongoing debate in understanding the feminine identity

Mistress Ethics Victoria Brooks, 2022-01-13 The figure of the mistress is undoubtedly controversial She provokes intense reactions ranging from fear to disgust and revulsion to excitement and titillation to sadness and perhaps to some love The mistress is conventionally depicted as a threat to moral living and someone whose sexuality is considered defective and toxic Of course she is a woman that you would not have as your friend and certainly not your wife since her ethical sense if she even has one is dubious at best This book subverts these traditional judgements and offers an unflinching look at the lived experience of the mistress Here she is recast as a potentially loving free intimate other woman Drawing upon feminist philosophy contemporary sexual ethics and the current cultural moment of MeToo Mistress Ethics moves beyond a narrative of infidelity conventional judgment the safeguarding of monogamy and conventional heterosex that permeates our society It asks what happens when we let go of our insecurities judgments and moralistic relationship philosophies and opt instead for an ethics of kindness This kindness underpinned by engaging with those deemed other and

learning from mistresses both straight and queer will teach us new ways of thinking about ethics and sex and reveal how we have better sex and how we can be better to each other season of hope. Successful Presentation Strategies (Collection) Jerry Weissman, 2013-08-19 In *Winning Strategies for Power Presentations* Weissman identifies the elements of a great presentation distilling 75 best practices from the world's best persuaders into bite-sized chapters designed to be easy to read and equally easy to apply. Following on the heels of Weissman's best-selling *Presentations in Action*, this book presents powerful new insights into the four key areas of delivering winning presentations: contents, graphics, delivery, and Q and A sessions. In this fully updated Second Edition of *Presenting to Win*, the world's #1 presentation consultant shows how to connect with even the toughest, most high-level audiences and move them to action. Jerry Weissman shows presenters of all kinds how to dump those PowerPoint templates once and for all and tell compelling stories that focus on what's in it for the audience. Drawing on dozens of real case studies, Weissman shows how to identify your primary goals and messages before you even open PowerPoint, stay focused on what your listeners really care about, and capture your audience in the first crucial 90 seconds. Weissman covers all the practical mechanics of effective presentation: finding your flow, communicating visually, writing better slide text, making your numbers using graphics, practicing aloud, customizing for different audiences, presenting online, and much more.
