explores the spiritual contracts that are created when a human bonds with an animal and shows how we come into each other's lives for a reason. Providing real life examples, Billups explains why animals choose at the soul level to have certain perceived negative experiences such as physical or behavioral issues to evolve their souls, clear karma, and help our souls' evolution. She shows that human and animal souls orchestrate every experience and interaction that holds potential for transformation and healing, including the final transition. She demonstrates the inner dynamics of the animal-human relationship to help animal lovers understand their soul contracts with their pets. The inspirational real life examples of animal-human tandem healings that Billups facilitated identify the soul contracts within each pairing that transformed feelings of grief, loss, abandonment, betrayal, trauma, abuse, and anxiety. The author reveals how animals we have previously loved and shared our lives with come back either on the spirit level or reincarnated in a new animal form to support us. Offering peace and hope to those who've lost beloved animal companions, she describes what she's witnessed during healing sessions with animals in the weeks before they transition and during their passing. Billups also includes practical instructions for identifying different types of animal soul contracts and connecting with and enlisting the help of your light team or spirit guides. By discovering the soul agreements that underlie our animal partnerships, we can find meaning in the issues that arise with our animals and ourselves, support our souls' mutual evolution, and allow the soul contracts to weave their spiritual magic in the animal-human relationship.
