hotwife cuckoldress *Dominant Wives Society and Their Cuckold Husbands* Candy Kross,2014-05-04 Volume 4 Greetings everyone Eve began her cuckold class I know that it is your first time being here and you have nothing to fear well nothing yet The room full of men cuckolds chuckled Under your seats you will find your cuckold guide that will answer pretty much any question you have about becoming a cuckold husband The men in Eve s class reached underneath their seats and pulled out the guide book My husband Jake will be going over some things with you but it would be better if you read the book on your own to learn all about becoming a cuckold husband Eve said This is my cuckold husband Jake Jake then took the floor As my beautiful wife introduced me I am Jake I am proud to be a submissive and cuckold husband There is a misconception of becoming a cuckold Some people think it s a sign of weakness But for me it s a sign of strength I take pride in my submissiveness I work as a CEO in multi million dollar corporation Every day I have to make decisions that affect my company our clients and my employees I m the boss of over 2 000 employees I tell people what to do every day When I come home and I am away from the office I hate making decisions or being the boss That is why I leave all the decisions for our home sex marriage and personal life up to my gorgeous wife Eve Jake sipped some water and continued Most men like myself feel awkward with what is expected from them in the beginning When you begin this journey with your wife not to mention her lovers you want to please your wife and her lovers I didn t have much guidance I did a lot of research online and joined online groups of other cuckolds to get more of a grasp on exactly what being a cuckold entailed Jake then held up his guide book I created this guide book for all cuckolds just starting out or ones who have been doing it for a while Jake opened the book and flipped through some pages Inside you will find terminology tips stories and a lot of information I have put together for you Take it home read it and if you have any questions at all come back to next week s meeting and I will answer all that I can Thank you and have a good evening Everyone clapped Potential cuckold husband Reggie glanced through his book and saw all the information inside He couldn t wait to get home to open and begin to read the guidebook Once the meeting was

over everyone said their goodbyes and Reggie went home and immediately opened his book since his wife was already asleep. He was anxious to get started on becoming a cuckold husband to his wife. Volume 5 I once saw a video of a cuckoldress preparing for her date. Her husband was wearing a chastity device which seems to have become popular with the more dominant wives in a cuckold marriage these days. The cuckoldress makes her husband prepare her bath and she has him bathe her. While he is bathing her she is talking about how she is going to have fun with her lover that night. Her cuckold husband gets excited but can't get an erection because of the device she has locked on him. The physical and mental torture was very exciting to him and he was getting aroused by the minute as she continued to talk about all the things she and her lover were going to do to each other. She went body part by part telling him how hard she was going to play. As her cuckold husband shaves her legs and then her toy box area she talks about how smooth her toy box is and that she loves the fact that her husband is preparing her toy box for her lover to enjoy. She taunts her husband about him not being able to enjoy and savor her freshly cleaned toy box that he will only be able to enjoy it after her lover has used her well. Once her cuckold husband dries her off he lathers up her body lightly sprays her with expensive perfume that she only bought to wear for her lover.

**How to Get Your Wife to Cuckold You** Lionel Maximilien, 2017-01-12. Cuckolding is way more common than you might think. It has been a male fantasy for as long as man has been on earth. For some men this fantasy becomes a reality whether by design, luck or accident. This is a nuts and bolts guide to the process, pitfalls and hopefully pleasures that you and your wife will face as you both work toward making your cuckolding fantasies become a reality.

*Sometimes Your Husband Isn't Enough* Raven Merlot, Alexandra Noir, 2018-02-11. Sometimes your husband is not enough. Hopefully he understands this and supports you in getting the pleasure you need. This is the sweet kind of cuckolding. With a husband who loves you and wants you to be sexually satisfied even if it isn't with him. These bedtime stories are for those times when you want to be physically taken care of by a man who knows exactly what your body needs while being loved by a man who is committed to you no matter what. These six sweet but raunchy sexual romps are just what you need before bed or any other time of day for that matter. They tell the stories of women finding passion and excitement in the embrace of other men. They seek it because their marriages have become dull because they need an encounter with an aggressive alpha male because they want to get pregnant because they need to feel what it's like to have multiple strange men use them at the same time.

*Cuck Central* Mike Watson ,2023-08-20 Though cuckolding is a common and hot fantasy for a lot of men into femdom or humiliation and or I should say actually transitioning from fantasy to reality is something most people struggle with And if you re part of that large group I understand It wasn t always easy for me to convince MY S O s at the time to participate in this wonderful form of play and some flat out denied at the time It took me a long long time to understand what really works in terms of BOTH partners being REALLY emphasis open to the fantasy and play and fully embracing their respective roles in it Remember cuckolding takes things one step further Until now you ve likely limited your play no matter how base or humiliating to your Lady and yourself or perhaps other ladies on occasion but if you re a guy you ve likely never brought

other men into the picture although you've wanted to many a times And if you're a dominant lady you've probably often wondered just why exactly you can't bring other men in on command to satisfy you but have yet struggled with the I'm in a relationship conundrum and then never gone ahead with the fantasy But our base desires and fantasies never go away my friend We are who we are a deep subconscious level and the subconscious will KEEP pushing your base desires to the surface until they're met Have you ever noticed that the things you think about the most are the things that HAPPEN in your life The thoughts that you put the most emotion into be they positive or negative are what makes events manifest in your life and this is a truism that cannot be escaped whether we're talking vanilla life or BDSM The subconscious is key to who we are and it is key to get the subconscious to accept what we do on a sexual level as well as in real life to avoid any sort of emotional backlash from our actual physical actions and my experience in this regard combined with my extensive experience with femdom and related areas in general makes me the best person to bring you these tips in an easy to understand down to earth yet brutally frank manner that characterizes all my writings And THIS is where most cuckold relationships end up failing as deep down inside people struggle to accept the fantasy for what it is and therefore attempts to translate it into reality end in failed relationships misery for both the partners and way worse And many many years ago yours truly was no exception to the rule either I've had plenty of homosexual fantasies and encounters along those lines as well which initially left me feeling powerless and used but upon probing these feelings I realized that it was actually a part of me I was trying to repress all along for fear of shame from the outside world Starting with the first time I sucked cock in a motel to the two or three times I sucked dick after that and the many times after THAT I'm no stranger to the myriad of emotions accompanying the actual experience I'm NOT a stranger to the sheer rush I got from submitting to another man especially with a lady witnessing it all a lady that I was dating a while ago to be frank I'm not a stranger to the guilt trips my self experienced as well post my first few encounters clearly a case of me not being comfortable with revealing who I was at my deepest levels and I offer tips to remedy this sort of thing in this manual And given I've worked past all this this manual is an attempt an honest attempt to bring cuckolding out in the open along with providing workable TIPS for BOTH partners to make the relationship last at a deep and satisfying level for the long term Once you go cuckold you truly never go back and you'll understand what I mean when you start implementing the tips in this manual and watch your satisfaction with your sex life SOAR to levels hitherto unimaginable Grab it now
