and overall effectiveness it's hard to do better than this study guide. A huge amount of learning material is packed into each level for a very reasonable price. The lessons go into greater depth and enable you to develop your retention, pronunciation, writing and listening skills. You will be surprised at how much you will learn in each short section. Put together by credentialed and authoritative professors who are Spanish speakers, this study guide contains easy-to-read essential summaries that highlight the key areas of the test. The study guide reviews the most important components of the exam. You get a breakdown of linguistic and cultural knowledge. An examination of spelling, pronunciation, punctuation and grammar. Comprehensive practice questions. Critical information you'll need in order to do well on the test. Concepts, procedures, principles and vocabulary that the examiners expect you to have mastered before sitting for the exam. Knowledge beforehand of the structure of the test. Comprehension questions. The guide is laid out in a logical and organized fashion so that one section naturally flows from the one preceding it. Because it's written with an eye for both technical accuracy and accessibility, you will not have to worry about getting lost in dense academic language.

Mañana Coursebook Rosa Parra Contreras, Marina Durañona, Carlos Valentini, 2018-09-30. An expertly written Spanish B course now updated for first examination 2020, providing students with thought-provoking materials to help them develop strong language skills and solid critical thinking. The coursebook helps students develop their Spanish language skills as they explore the five themes from the new IB Diploma Language B guide: identities, experiences, human ingenuity, social organisation and sharing the planet. Each unit begins with big questions that get learners thinking about global topics such as how do we express our identity. These help students appreciate wider issues before developing their reading, writing, speaking and listening skills through international texts, practice exercises and activities in the style of the exam. Answers to questions and audio files for the listening exercises are in the teacher's resource.
