Women of Power Clinton Bennett, 2010-10-28 Five women have served as leaders of Muslim countries namely Megawati
Sukarnoputri Vice President of Indonesia 1991-2001 and President 2002-4 Benazir Bhutto PM of Pakistan 1988-90 and 1993-6
Sheikh Hasina PM of Bangladesh 1996-2001 Khaleda Zia PM of Bangladesh 1991-5 and 2001-6 and Tansu iller PM of
Turkey 1993-6 This is an extraordinary record and somewhat of a challenge to the widespread perception that Muslim
women are oppressed Four of the women belonged to political families by birth or marriage raising interesting questions
about the extent to which this played a role alongside their skills and personal qualities in their rise to power To what degree
did culture rather than Islam aid and abet their roles or indeed is it sustainable to distinguish Islam from culture This study
of the role of these five powerful Muslim women uses their life and work to explore relevant issues such as the role of culture
gender in Islam and the nature of the Islamic state *Literary Theory and Criticism* Arun Gupto, 2021-08-31 The book
explores key South Asian writings on cultural theory and literary criticism It discusses the dynamics of textual contents
rhetorical styles and socio-political issues through an exploration of seminal South Asian scholarship in the Humanities and
Social Sciences The volume examines concepts and methods of critical studies It also discusses colonial and postcolonial
discourses on art religion nationalism identity representation resistance and gender in the South Asian context The essays
are accompanied by textual questions and intertextual discussions on rhetorical creative and critical aspects of the selected
texts The exercise questions invite the reader to explore the mechanics of reading about and writing on discursive pieces in
South Asian studies Comprehensive and interdisciplinary this textbook will be indispensable for students and researchers of

Idioms Judith Siefring,2005-11-10 Did you know that flavour of the month originated in a marketing campaign in American ice cream parlours in the 1940s when a particular flavour would be specially promoted for a month at a time And did you know that off the cuff refers to the rather messy practice of writing impromptu notes on one's shirt cuff before speaking in public These and many more idioms are explained and put into context in this second edition of the Oxford Dictionary of Idioms This vastly entertaining dictionary takes a fresh look at the idiomatic phrases and sayings that make English such a rich and intriguing language A major new edition it contains entries for over 5000 idioms including 350 new entries and over 500 new quotations The text has been updated to include many new idioms using the findings of the Oxford English Reading Programme the biggest language research programme in the world The entries are supported by a wealth of illustrative quotations from a wide range of sources and periods For example Rowling has not been asleep at the wheel in the three years since the last Potter novel and I am pleased to report that she has not confused sheer length with inspiration Guardian 2003 I made the speech of a lifetime I had them tearing up the seats and rolling in the aisles P G Woodhouse 1940 Many entries include boxed features which give more detailed background on the idiom in question For example did you know that taken aback was adopted from nautical terminology and described a ship unable to move forward because of a strong headwind pressing its sails back against the mast The text has been entirely redesigned so that it is both elegant and easy to use Anyone interested in the quirky side of the English language will have hours of fun browsing through this fascinating and informative volume

Kipling's America Rudyard Kipling,2003 Kipling was just twenty three years old when he reached San Francisco in May 1889 he immediately began recording the sights and sounds of boom town America For four months he toured the United States publishing accounts of his journey in the Pioneer a major newspaper in western India A few years later when he lived in Vermont Kipling wrote several syndicated articles published in both England and the U S Then in 1899 he revised and abridged the Pioneer versions and published them in From Sea to Sea The second series of syndicated articles he collected in Letters of Travel 1920 Most of these travel writings are now out of print In Kipling's America Professor D H Stewart brings all of these articles together and reproduces the original printed versions Readers are provided with the opportunity to hear again Kipling at his cocky and often opinionated best From Kipling's perspective America unleashed the chaotic energy latent in human beings and he was uncertain whether this energy inevitably would be productive or destructive That some of his impressions were one dimensional is undeniable but equally undeniable is his gift of language his access to a ready lexicon often composed of what he termed a perpetual Pentecost to describe the talking in tongues heard in British Overseas Clubs throughout the Empire This hodgepodge of European languages counterpointed with pidgin English Chinese Hindi American produced a symphony or cacophony of bountiful word play BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved
