 Phoenix,2012-10 Revelation of the fall The Blasphemy of Astrial Belthromoto The name of the book is called Revelation of the
 Fallen The Blasphemy of Astrial Belthromoto The story begins at the end of creation the end of our lives in this universe and
 the destruction of them by a being called Eversor The main character Astrial is a fallen angel telling the story from his
 perspective beyond the creation of this universe and into a reality where the a Creator of all Creator resides He was the
 angel of intelligence and the most high scribe before he fell himself He takes you through his torment by Evil and how he is

forced to choose between these worlds that he doesn't really belong to. He shares insight into how evil was born and most importantly how everything we think we know about good and evil is really motivated by agendas. He introduces you to the four Eternals that have a lot to do with how this story plays out. He then gives you insight into the war in heaven, the fall of the angels, and how a small decision by a being led to this obsession with man. He gives you the history of the earth and the makers of mankind and their civilizations that still exist today. He leads you out of the garden of Eden and shows you the very rocky relationship between Adam and Eve. Astrial finally leads you into the final wars of mankind when there was ordered a mass exodus from this planet, leaving us totally alone. Michelle: The Real Affection , **THE BODYGUARD AND THE**

In New Pythos, the defeated dragonlords have regrouped, ready to reclaim their city and crush the revolution that drove them out. Annie, the youngest Firststrider in Callipolan history, is tasked with defending her city against the looming threat. But the responsibility weighs heavy; rations are running out, tensions are rising, and every decision she makes could spark rebellion in her own streets. Lee, scarred by betrayal and the price he paid for loyalty questions where he belongs, supporting Annie means upholding the system that cost him his family, while joining the rebels means tearing apart the world they fought to build. Griff, a lowborn dragonrider serving the Pythian lords, knows his life has no value to those in power. But when a fateful mission puts him in Annie's path, he's forced to confront a choice: continue fighting for a future that will never include him, or risk everything by siding with his enemies. With famine tearing their city apart and war closing in, Annie, Lee, and Griff must decide who to trust and what to sacrifice to save the people they care about. This sequel to *Fireborne* is full of high-stakes action, shifting loyalties, and heart-wrenching decisions. The Man Behind the Scars Caitlin Crews, 2012-07-24.
