How To Run A Great Workshop The Complete Guide To Designing And Running Brilliant Workshops And Meetings By Nikki Highmore Sims 1 Edition 2006:

How to Run a Great Workshop Nikki Highmore Sims, 2006 Ever had to run a training session or workshop and not known where to begin This is the simple smart guide to creating a programme that is both memorable effective and enjoyable for you and your team

How to Run a Great Workshop Nikki Highmore Sims, 2006 You've been asked to run a training session workshop or meeting What you need now is a foolproof way of making it both memorable and enjoyable to run and to know that what you are doing will achieve the desired outcome and have lasting positive effects on your team Anyone who has ever endured death by powerpoint or a dry chalk and talk session knows how not to do it but how do you make sure that you get it right This interactive guide is designed especially for busy managers people whose main role is not training and will take you through a simple step by step process that results

The Workshop Survival Guide Rob Fitzpatrick, Devin Hunt, 2019-06-05 Need to run a workshop Your attendees are trusting you with their time and attention What are you giving them in return Most workshops don't work They fail to deliver real results and they fail to keep the audience energetic and engaged They're stressful to run and painful to attend Designing and running a brilliant workshop is easier than you think It's not about flashy showmanship or natural charisma Instead it's about following a set of clear simple rules for structuring and arranging the day Discover and use key design principles such as Naturally refresh and maintain the audience's attention and energy by alternating the teaching format e.g lecture small group discussion hands on practice every 20 minutes and making strategic use of good breaks Dramatically improve your educational impact by choosing an exercise which is properly matched to the type of knowledge skill wisdom currently being taught Save dozens of hours by beginning your design process with a simple skeleton of Learning Outcomes and timings rather than jumping straight into slides and materials Finish on time every time by intentionally designing flexible schedule springs into your session allowing you to seamlessly adjust to delays and bad luck and to ensure that everyone learns what they came for without running late The first half of the book covers everything you'll need to know about designing and refining the session itself With a good design in hand teaching a brilliant workshop goes from arduous to nearly automatic The second half of the book shifts from ahead of time design to day of facilitation Learn the essential facilitation needed to solve unexpected problems and run a smooth stress free workshop Reliable tools and tactics for crowd control recovering attention and shifting between tasks without feeling like you're fighting against your audience Clear guidance for picking the best room setup and also improving a bad room to make the most of it Spotting and problem solving the six major types of difficult attendees who are being either accidentally or intentionally disruptive including the most common issue of bringing a hostile expert onto your side Checklists and reminders of what to bring what to do and when to do it in order to ensure that nothing gets forgotten overlooked or lost At no point in the book will we ask you to put on a big smile or project confidence That's fluffy BS which

doesn't work. Instead we'll give you clear concrete tools for managing a crowd and seamlessly guiding everyone to an effective outcome. Why we're the right authors to help you succeed: Over the last 15 years we've designed and run a huge number of successful workshops and a few major flops covering every type of audience: executives, undergrads, MBAs, disadvantaged youths, busy professionals and more. We've designed everything from 20 minute teasers to 3 month intensives in locations ranging from Costa Rica and Qatar to London and Berlin. We've taught for companies like HP and Deloitte and for universities like Oxford and NYU. We've built workshops for every price point from free upskilling paid for by the state or employer through to 4000 per seat premium events. We've taught casual sessions with beer in hand and flip flop on foot through to formal posh affairs with glitzy venues and high end catering. In every case no matter where it was located or who it was for the process outlined in these pages worked. Perhaps most importantly we can teach you how to do this. We've trained up teachers from scratch who are now billing upwards of 5000 per day and getting invited back to teach again and again. This stuff isn't complicated. You can learn it.

The Workshop Book Pamela Hamilton, 2016. THE WORKSHOP BOOK TEACHES YOU HOW TO RUN AN EFFECTIVE WORKSHOP EFFORTLESSLY.
