**Power and Influence in the Boardroom** John Gennard, James Kelly, 2012-10-02. In the last decade, there has been an increasing interest in the role of people management in formulating key business decisions. This book offers a counterbalance to the predominant view that Human Resource and Personnel managers have little influence in the strategy making process. The book offers guidance to Personnel HR managers aspiring to raise their status in organisations as well as an indication of the future development of the role of people management at the highest levels of business. It will be essential reading for all those with a professional or academic interest in Human Resource Management and employment relations.

**Human Resource Management In Agriculture** K Sivaramakrishna, 1994. Agricultural sector plays a dominant role in the country's economy. The workers employed in agriculture form the pivot, and it is realised that they constitute human resource. It is for the first time that the concept of human resource is applied in agriculture sector. Though scholars have highlighted different aspects of agricultural labour studies, treating them as human resource are practically non-existent. In this regard, the present work represents a pioneer attempt and a comprehensive account highlighting diverse aspects of human resource management practices in this all important area. Contents: Introduction, The Present Study, Socio Economic Profile, Procurement and Utilization, Employee Compensation and Inducements, Agrarian Relations, Evaluation and Suggestions.
