Pentagram Marks Laurence King Publishing, 2009-03-11 The 400 marks reproduced within these pages represent the diverse array of identity work produced by Pentagram's partners past and present since its founding in 1972 Over the past four decades Pentagram has designed marks for large corporations and small businesses government agencies and nonprofit institutions clubs and societies and even individuals all of whom were seeking a representative symbol to appear on letterhead and books buildings and websites and everywhere else imaginable Isolating them in black and white helps us appreciate these marks as unique pictorial or abstract symbols But a logo is rarely a solitary commission Often produced in conjunction with a unified graphics architecture or product design program it is only part of the work Pentagram does But regardless of the nature of the assignment clients all share the same desire to be identified and the belief that the right mark is a crucial starting point for a comprehensive visual identity Limited edition only 1 000 copies for sale **Pentagram**
