Americas Alex Roberto Hybel, 2019-07-12 This book strives to answer two interrelated questions Why have certain states in the Americas been more successful than others at creating stable democratic regimes Why have certain states in the Americas failed to create stable democratic regimes To answer both questions the author focuses on four states the United States Argentina Chile and Peru Throughout the analysis he isolates and evaluates the conditions that helped or hindered the development of each state and of its political regime He presents his conclusions in the form of time related explanatory hypotheses By identifying and examining the conditions that brought about the transformation of each state and of its political regimes this study ultimately facilitates a discussion of the future of democracy in each of these countries as well as in the world

The Marketing Revolution in Politics Bruce I. Newman, 2016-01-01 In 2008 Barack Obama's presidential campaign used an innovative combination of social media big data and micro targeting to win the White House In 2012 the campaign did it again further honing those marketing tools and demonstrating that political marketing is on the cutting edge when it comes to effective branding advertising and relationship building The challenges facing a presidential campaign may be unique to the political arena but the creative solutions are not The Marketing Revolution in Politics shows how recent US presidential campaigns have adopted the latest marketing techniques and how organizations in the for profit and non profit sectors can benefit from their example Distilling the marketing practices of successful political campaigns down into seven key lessons Bruce I Newman shows how organizations of any size can apply the same innovative creative and cost effective marketing tactics as today's presidential hopefuls A compelling study of marketing in the make or break world of American politics this book should be a must read for managers students of marketing and political marketing and anyone interested in learning more about how presidential campaigns operate Winner of the 2016 International Book Award in the Business Marketing Advertising category

The Challenges of Creating Democracies in the Americas Alex Roberto Hybel, 2019-07-22 This book's leading goal is to explain why some states in the Americas have been markedly more effective than others at forming stable democratic regimes The six states analyzed are the United States Mexico Colombia Venezuela Costa Rica and Guatemala The study identifies the critical challenges each state encountered at different stages of its state creation and regime formation processes from the colonial period to the present In its concluding chapter the study presents a series of time related hypotheses designed to capture the different evolutionary processes and explain variances in success

The Mass Marketing of Politics Bruce I. Newman, 1999-07-02 Bruce I Newman tells us briskly firmly what our instincts also tell us We are mass marketing images rather than providing real leadership Paul Simon Former U S Senator Public Policy Institute Southern Illinois University Gatorade and Coke do it so do candidates for high office they manufacture images and manipulate reality to win our favor In this insightful and compelling study Bruce I Newman demonstrates what politicians and interest groups are doing to us and what we need to do to strengthen our democracy Dennis W Johnson Associate Dean George Washington University Bruce Newman has written an incisive account of the role that marketing plays in

contemporary politics He argues persuasively that mass marketing techniques are profoundly changing and corroding American politics His book provides an enlightful analysis of the ways in which marketers have transformed the presidential election Richard M Perloff author of Political Communication Politics Press and Public in America This book is a must read for anyone concerned about the growing trend of sound bite over substance willful manipulation of the media over honest engagement of the American Public David Wilhelm Former Chair of the Democratic National Committee While marketing has led to better quality in most markets we are beginning to have serious doubts about what is doing to the quality of political life Bruce Newman raises serious questions about whether anyone of merit can get elected today without the support of expensive and sophisticated marketing machinery Philip Kotler S C Johnson Son Distinguished Professor of International Marketing Northwestern University Marketing not ideology drives America s contemporary political system with an emphasis on image over substance personality over issues and 30 second sound bites over meaningful dialogue Through the use of carefully crafted messages meant to manipulate voter thinking the same marketing tactics used by Fortune 500 companies is shaping public opinion The Mass Marketing of Politics details how marketing tactics are being used to determine public opinion win votes and shape public policy in the White House and Congress The book points out the pitfalls of relying too heavily on marketing as a campaign and governance tool and offers solutions to fix our political system before it is too late Bruce I Newman is the author of The Marketing of the President Sage 1993 and the forthcoming Handbook of Political Marketing He has served as a communication advisor to top White House officials and has written widely on the subject of political marketing in both scholarly and popular media The Mass Marketing of Politics is provocative and essential reading for anyone interested in American politics marketing political communication and media studies

Strategy in Information and Influence Campaigns Jarol B. Manheim, 2011-01-24 Information and influence campaigns are a particularly cogent example of the broader phenomenon we now term strategic political communication If we think of political communication as encompassing the creation distribution control use processing and effects of information as a political resource then we can characterize strategic political communication as the purposeful management of such information to achieve a stated objective based on the science of individual organizational and governmental decision making IICs are more or less centralized highly structured systematic and carefully managed efforts to do just that Strategy in Information and Influence Campaigns sets out in comprehensive detail the underlying assumptions unifying strategy and panoply of tactics of the IIC both from the perspective of the protagonist who initiates the action and from that of the target who must defend against it Jarol Manheim s forward looking broad and systematic analysis is a must have resource for scholars and students of political and strategic communication as well as practitioners in both the public and private sectors
