Digest, 1898 **The Literary Digest** Edward Jewitt Wheeler, Isaac Kaufman Funk, William Seaver Woods, Arthur Stimson Draper, Wilfred John Funk, 1898 **The Diplomacy of Involvement** David M. Pletcher, 2001 Annotation Like its predecessor this important new work is focused on the connection between trade and investment on the one hand and U S foreign policy on the other David Pletcher describes the trade of the United States with the Far East the islands of the Pacific and the northwest coast of North America from 1784 the year of the first American trading expedition to China to 1844 the year of the first trade treaty with China followed immediately by the U S acquisition of Oregon and California He then traces the growth of trade and investment in Alaska Hawaii and the South Pacific from 1844 to 1890 and proceeds to do the same for China Japan and Korea In the ensuing chapters Pletcher covers the 1890s including the annexation of Hawaii the Sino Japanese War the acquisition of the Philippines and the Open Door policy in China He concludes that the American expansion across the Pacific and into the Far East was not a deliberate consistent drive for economic hegemony but a halting experimental improvised movement carried out against determined opposition and indifference and dotted with setbacks and failures Providing his own judgments about the wisdom and effectiveness of America s new endeavors Pletcher summarizes the problems and handicaps involved demonstrating that errors of the twentieth century were at least partly the result of poor preparation in the 1880s and 1890s Touching on every place where Americans undertook significant economic activity *The Diplomacy of Involvement* will be an important aid for seasoned scholars as well as an excellent introduction for the novice **Digest; Review of Reviews Incorporating Literary Digest**, 1898 *Congressional Record* United States. Congress, 1976 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 "Philippine Dictatorship Under the Guise of Democracy," Manuel V. Gallego, 1938 **The Price of Philippine Independence Under the Tydings-McDuffie Act** Manuel V. Gallego, 1939 Economic Emancipation Manuel V. Gallego, 1939 *The School Journal*, 1898 *Collier's*, 1899 **Exploring Social Studies: West Virginia: Fifth Grade Student Handbook**, **A Treaty of Peace Between the United States and Spain** Estados Unidos, United States, Spain, 1899 January 4 1899 read treaty read the first time and referred to the Committee on foreign relations and together with the message and accompanying papers ordered to be printed in confidence for the use of the Senate **A Treaty of Peace Between the United States and Spain** United States, United States President (McKinley : 1897-1901), 1899 **Wartime Dissent in America** R. Mann, 2016-04-30 Through the speeches essays and interviews of some of the most compelling individuals in American history who stood against the key conflicts of their lifetimes this book gives remarkable insight into wartime dissent in the U S from the

revolutionary war to the war on terror *The American Monthly Review of Reviews* Albert Shaw,1899 **American Monthly Review of Reviews** Albert Shaw,1899 Michigan Christian Advocate ,1897 **Congressional Record** USA. Congress,1898 *The Economist* ,1899 **Empires at War** Robert Gerwarth,Erez Manela,2014 Empires at War 1911 1923 offers a new perspective on the history of the Great War looking at the war beyond the generally accepted 1914 1918 timeline and as a global war between empires rather than a European war between nation states The volume expands the story of the war both in time and space to include the violent conflicts that preceded and followed World War I from the 1911 Italian invasion of Libya to the massive violence that followed the collapse of the Ottoman Russian and Austrian empires until 1923 It argues that the traditional focus on the period between August 1914 and November 1918 makes more sense for the victorious western front powers notably Britain and France than it does for much of central eastern and south eastern Europe or for those colonial troops whose demobilization did not begin in November 1918 The paroxysm of 1914 18 has to be seen in the wider context of armed imperial conflict that began in 1911 and did not end until 1923 If we take the Great War seriously as a world war we must a century after the event adopt a perspective that does justice more fully to the millions of imperial subjects called upon to defend their imperial governments interest to theatres of war that lay far beyond Europe including in Asia and Africa and more generally to the wartime roles and experiences of innumerable peoples from outside the European continent Empires at War also tells the story of the broad global mobilizations that saw African soldiers and Chinese labourers in the trenches of the Western front Indian troops in Jerusalem and the Japanese military occupying Chinese territory Finally the volume shows how the war set the stage for the collapse not only of specific empires but of the imperial world order
