**Billy Joel - Piano Man** Billy Joel, David Rosenthal, 2011-12-01 Piano Vocal Guitar Artist Songbook David Rosenthal has carefully arranged all the tracks from Joel's classic 1973 release to combine the piano parts and vocal melodies into playable arrangements while transcribing those classic piano parts that are integral to each song This book features the iconic title track and nine others Ain't No Crime The Ballad of Billy the Kid Captain Jack If I Only Had the Words To Tell You Somewhere Along the Line Stop in Nevada Travelin' Prayer Worse Comes to Worst You're My Home **Billy Joel** Joshua S. Duchan, 2017-06-16

Despite his tremendous success Billy Joel's gifts as a composer and commentator on American life are long overdue for a thorough investigation In *Billy Joel America's Piano Man* music historian Joshua S. Duchan looks at the career and music of this remarkable singer-songwriter exploring the unique ways Joel channels and transforms the cultural life of a changing America over four decades into bestselling song after song and album after album Billy Joel has not always enjoyed the acclaim of music critics who have characterized his music as inauthentic and lacking a uniqueness of style Duchan corrects this misunderstanding by exploring the depth and degree to which Joel's songs engage with social, cultural, political, and economic issues Organized by major themes and including original interviews with Joel himself Duchan's book delves into Joel's endeavors as a musician, lyricist, and commentator on questions of geography and regionalism, politics, working and middle class culture, human relationships, and the history of music itself Duchan draws on key songs from Joel's career to explore each theme from his folk-like lament for Long Island's changing industry and lifestyle in "The Downeaster Alexa" to his emotional ode to Vietnam veterans in "Goodnight Saigon" Original interviews with Billy Joel blend with Duchan's engaging analysis to provide readers of all backgrounds and ages a new look at these unforgettable songs Music lovers and historians of both the academic and armchair variety will find this exploration of Joel's work a rewarding adventure into America's social, cultural, political, economic, and above all, musical history **Piano Man** Billy Joel, 2006 Billy Joel, 1998
