examining the trend of expanding judicial powers in government around the world In Russia as the confrontation over the
constitutional distribution of authority raged Boris Yeltsin s economic program regularly wended its way in and out of the
Constitutional Court until Yeltsin finally suspended that court in the aftermath of his clash with the hardline parliament In
Europe French and German legislators and executives now routinely alter desired policies in response to or in anticipation of
the pronouncements of constitutional courts In Latin America and Africa courts are or will be important participants in
