Ollie Depew, 1938 **Judy Garland** Scott Brogan, 2025-06-18 A Definitive Celebration of Hollywood's Iconic Musical Star and Her Legendary Career More than 100 years after her birth Judy Garland remains the gold standard by which all movie musical leading ladies are judged She is revered and celebrated by current stars directors songwriters and others in the entertainment industry She also has a fan base that is as large as that of Marilyn Monroe or James Dean Her image especially Dorothy in *The Wizard of Oz* 1939 is an instantly recognized icon Garland really was the voice of MGM during her tenure and after No documentary about any aspect of the history of the MGM Studios is complete without Garland's voice on the soundtrack When people think of MGM Musicals they think of Garland along with Gene Kelly and Fred Astaire She's the only female in that exalted top three There have been many books about Garland's fabled and troubled life but none devoted solely to the study and celebration of her years at MGM She entered the studio as a 13 year old contract player in 1935 She left the studio in 1950 carrying the title Metro's Greatest Asset Judy Garland *The Voice of MGM* will focus on Garland's films but it will also delve into her other professional achievements such as her extensive appearances on radio programs her long association with Decca Records and her personal appearances highlighted by her two USO Bond Tours in the early 1940s

This will be the definitive book about Garland's legendary career at MGM pulling back the curtain to reveal the truths about that career while also presenting previously unknown details and facts that are sure to delight her fans as well as fans of classic film

Teacher Shortages and the Challenge of Retention Barbara J. Smith, 2023-05-15 Without taking the time to unravel the complexities of the teaching profession many may assume that teachers are people who enjoy working with children and making a difference in their lives While some teachers may be drawn to the summers off or the winter and spring breaks it is doubtful that such shallow incentives propel most individuals to come to or remain in the profession By identifying the obstacles it is possible to generate new contexts for practice that can not only limit the challenges but create conditions for teachers and students to thrive This book shares ideas about what such changes could be like how change could benefit teachers and students alike and how it could influence a positive shift in society Before addressing significant reforms in teacher practice it's important to outline what kinds of experiences make the teacher profession attractive to some and not to others Taking a closer look at teacher's stories what drives them to stay and leave what makes them feel empowered or not and what makes them feel fulfilled in the role is this starting point for further exploration
