Girls of
SPRING BREAK

Everything you've dreamed about college girls comes true at Spring Break. And now, on this torrid video version of one of PLAYBOY's wildest pictorials, catch America's most dazzling co-eds at their hard-partyin' best. On the beaches, at poolside and in the ultra clubs of Daytona Beach, Fort Lauderdale, Palm Springs and South Padre Island, they're stoked with Spring Fever and baring their spirits in a blaze of youthful hedonism.

And when the party's over, the handpicked finest girls of Spring Break take you home for some intimate down-time away from the college grind. Loosen up in a revealing nude sculpting session and thrill to a hair-raising motorcycle escapade. You'll see sultry sunbathing, wild winter sports, luscious lingerie and the way romantic campfires and steamy hot-tubs affect the most alluring girls on campus anywhere.

Video Directory, 1988 **You Play the Girl** Carina Chocano, 2017-08-08 National Book Critics Circle Award Winner With dazzling clarity Chocano s commentary exposes the subliminal sexism on our pages and screens O The Oprah Magazine As a

kid in the 1970s and 80s Carina Chocano was confused by the mixed messages all around her that told her who she could be and who she couldn't. She grappled with sexed up sidekicks, princesses waiting to be saved and morally infallible angels who seemed to have no opinions of their own. It wasn't until she spent five years as a movie critic and was laid off just after her daughter was born however that she really came to understand how the stories the culture tells us about what it means to be a girl limit our lives and shape our destinies. In *You Play the Girl* Chocano blends formative personal stories with insightful and emotionally powerful analysis. Moving from Bugs Bunny to Playboy Bunnies from Flashdance to Frozen from the progressive 70s through the backlash 80s the glib 90s and the pornified aughts and at stops in between she explains how growing up in the shadow of the girl taught her to think about herself and the world and what it means to raise a daughter in the face of these contorted reflections. In the tradition of Roxane Gay, Rebecca Solnit and Susan Sontag Chocano brilliantly shows that our identities are more fluid than we think and certainly more complex than anything we see on any kind of screen. If Hollywood's treatment of women leaves you wanting you'll find good heady company in *You Play the Girl*. Elle

It presents a range of case studies: the legal aspects of sexualized public nudity as it relates to communication theory and the First Amendment; the controversies surrounding the work of photographer Jock Sturges; the public performance art of Milo Moir; the topless protests of FEMEN; the social media activism of Aliaa Magda Elmahdy; the ritualized flashing during Mardi Gras in New Orleans; and the sexual displays of Folsom Street Fair, the largest leather pride festival. Taken together these cases teach much about identity, self-determination and sexuality and illustrate the complicated rhetorical nature of the human body in the public sphere. **Radical Womanhood** Carolyn McCulley, 2008-10-01 Biblical womanhood is not for the weak. In an age that seeks to obliterate God and His authority modeling biblical womanhood involves spiritual warfare. *Radical Womanhood* seeks to equip new believers and long time Christians alike exposing the anti-God agenda of the three waves of feminism to date and presenting the pro-woman truth of the Scriptures. Illustrated with numerous personal testimonies this book will dig deep into the Word and show how it can be lived out today. The foundation and core message of *Radical Womanhood* is consistent with the traditional complementarian teaching on biblical womanhood. However the target audience, tone and style are radically different. Most books on this

subject take a heavily didactic tone that assumes an awareness of Christian lingo and a high degree of spiritual maturity

Radical Womanhood has the narrative approach appreciated by postmodern readers but still incorporates solid biblically based teaching for personal application and growth

Where the Boys (and Girls) Were!: The Fun and Sun History of Fort Lauderdale Beach Dan Santoro, 2015-11-19 Once upon a time there was a sleepy oceanside town in South Florida that came to life for only two weeks every springtime Then a midwestern English professor wrote a cheeky novel based on his observations of college guys and girls on Spring Break 1959 as they chased each other across the surf and sand in search of that perfect someone When the novel *Where the Boys Are* was released in early 1960 and the movie version debuted at the end of that year it put Fort Lauderdale on the lips and to do lists of millions of North American college students and other fun seekers for much of the next three decades The city dubbed The Venice of America welcomed everyone and the party still hasn't stopped

New Old-fashioned Ways Jack Santino, 1996

Every year as each holiday rolls around American popular culture is suddenly awash in images associated with that festivity While Christmas has been the most obviously commercialized celebration Halloween Easter the Fourth of July Hanukkah Thanksgiving and Valentine s Day are also reflected in the offerings of the mass media and consumer products industries This book is the first in depth investigation of the myriad ways in which traditional holidays are both manifested and exploited in a commercial consumerist society Jack Santino s analysis encompasses everything from movies to romance novels from television shows to comic books One especially fascinating feature of this study is its examination of the packaged foods industry and the manner in which soft drinks beer snack cakes cookies candy and breakfast cereals are regularly repackaged to reflect particular holidays In what becomes a central theme of the book Santino shows how holidays give companies the opportunity to create an illusion of novelty for products that otherwise remain unchanged over time For example the holiday Chips Ahoy cookies or Halloween Oreos differ only in their appearance from the everyday products but they assume a quality of uniqueness through their association with a special time of the year Throughout the book Santino examines the logic by which commercial culture and holidays are linked Halloween for instance with its traditional symbolism of death evil and monsters has served as a theme for heavy metal music and slasher films This in turn has led to some interesting transmutations as one text borrows from another in the wake of a commercial success When John Carpenter s pioneering 1978 slasher film *Halloween* became a box office hit it was perhaps inevitable that other holiday based slasher films *New Year s Evil* *April Fool s Day* and *Silent Night Deadly Night* would follow Copiously illustrated *New Old Fashioned Ways* is at once entertaining and informative a treat for general readers as well as an important work for scholars in a variety of fields including communications folklore anthropology sociology and business
