

PLAYING THE WHORE

Playing The Whore The Work Of Sex Work Jacobin

Arturo Cuomo

Playing The Whore The Work Of Sex Work Jacobin:

Playing the Whore Melissa Gira Grant, 2014-03-11 The sex industry is an endless source of prurient drama for the mainstream media Recent years have seen a panic over online red light districts which supposedly seduce vulnerable young women into a life of degradation and New York Times columnist Nicholas Kristof's live tweeting of a Cambodian brothel raid The current trend for writing about and describing actual experiences of sex work fuels a culture obsessed with the behaviour of sex workers Rarely do these fearful dispatches come from sex workers themselves and they never seem to deviate from the position that sex workers must be rescued from their condition and the industry simply abolished a position common among feminists and conservatives alike In *Playing the Whore* journalist Melissa Gira Grant turns these pieties on their head arguing for an overhaul in the way we think about sex work Based on ten years of writing and reporting on the sex trade and grounded in her experience as an organizer advocate and former sex worker *Playing the Whore* dismantles pervasive myths about sex work criticizes both conditions within the sex industry and its criminalization and argues that separating sex work from the legitimate economy only harms those who perform sexual labor In *Playing the Whore* sex workers demands too long relegated to the margins take center stage sex work is work and sex workers rights are human rights

Sex Work in Popular Culture Lauren Kirshner, 2024-07-05 *Sex Work in Popular Culture* delves into provocative movies TV shows and documentaries about sex work produced in the last fifteen years a period of debate and change around the meaning of sex work in North American society From Oscar winning films to viral YouTube videos and from indie documentaries to hit series many of which are made by women the book reveals how sex work is being recognized as real work and an issue of human rights Lauren Kirshner shares how popular culture has responded by producing the dynamic new figure of a sex worker who challenges tropes and promotes understanding of the key issues shaping sex work The book draws on labour and feminist theory film history current news and popular culture all within the context of neoliberal capitalism and the rise of transactional intimate labour Kirshner takes us from erotic dance clubs to porn sets illuminating the professional lives of erotic dancers massage parlour workers webcam models call girls sex surrogates and porn performers Probing how progressive popular culture challenges stereotypes *Sex Work in Popular Culture* tells the story of sex work as labour and how the screen can show us the world's oldest profession in a new light

Producing the Acceptable Sex Worker Gwyn Easterbrook-Smith, 2022-02-25 *Producing the Acceptable Sex Worker* considers how sex work is produced in news media narratives a site where much of the general public draws its understanding of the industry in the absence of lived interaction with it Taking New Zealand as a case study this book considers an emerging discourse of acceptability for some sex workers primarily those who do low volume indoor work Their acceptability is established in comparison with other kinds of sex workers resulting in a redistribution but not a reduction of stigma The conditions attached to acceptability reflect persistent anxieties about sex work workers who are acceptable must give the impression

that the sexual labour of the job is enjoyable and virtually indistinguishable from their personal life eliding the work involved Unacceptable workers have existing marginalisations magnified by their association with the industry with migrant sex workers produced as devious or exploited and transgender women s involvement with the industry used to deny them the right to public space The conditions attached to acceptability reveal how neoliberal discourses of choice desire authenticity and personal responsibility inform the formation of sex work in the public eye **Dating** Moira Weigel,2018-03-12 Fr her hat man nicht gedatet Erst als Frauen zu Beginn des 20 Jahrhunderts allein in die St dte aufbrachen um dort zu leben und zu arbeiten nderte sich das Die Geschichte des Datings ist also auch eine Geschichte des Feminismus Und eine Geschichte konomischer Realit ten die das Date schon immer ma geblich beeinflusst haben und es bis heute tun Moira Weigel hat die erste Kulturgeschichte des Datings geschrieben Darin spricht sie ber die ersten Kinos und besorgte Eltern ber Sex im Auto Online Dating und was Romantik mit harter Arbeit zu tun hat **Sexography** Nicholas de Villiers,2017-03-21 The turn of

the twenty first century has witnessed an eruption of nonfiction films on sex work The first book to examine a cross section of this diverse and transnational body of work Sexography confronts the ethical questions raised by ethnographic documentary and interviews with sexually marginalized subjects Nicholas de Villiers argues that carnal and cultural knowledge are inextricably entangled in ethnographic sex work documentaries De Villiers offers a reading of cinema as a technology of truth and advances a theory of confessional and counterconfessional performance by the interviewed subject who must negotiate both loaded questions and stigma He pays special attention to the tactical negotiation of power in these films and how cultural and geopolitical shifts have affected sex work and sex workers Throughout Sexography analyzes the films of a range of non sex worker filmmakers including Jennie Livingston Pier Paolo Pasolini Shohini Ghosh and Cui Zi en as well as films produced by sex workers In addition it identifies important parallels and intersections between queer and sex worker rights activist movements and their documentary historiography De Villiers ultimately demonstrates how commercial sex is intertwined with culture and power He advocates shifting our approach from scrutinizing the motives of those who sell sex to examining the motives and roles of the filmmakers and transnational audiences creating and consuming films about sex work

Labor of Love Moira Weigel,2016-05-17 An occasionally amusing and often provocative look at the work of wooing A lively tour of changing romantic mores The Economist Does anyone date anymore Today the authorities tell us that courtship is in crisis But when Moira Weigel dives into the history of sex and romance in modern America she discovers that authorities have always said this Ever since young men and women started to go out together older generations have scolded them That s not the way to find true love The first women who made dates with strangers were often arrested for prostitution long before hookup culture there were petting parties before parents worried about cell phone apps they fretted about joyrides and parking Dating is always dying But this does not mean that love is dead It simply changes with the economy Dating is and always has been tied to work Lines like I ll pick you up at six made sense at a time when people had jobs that started and

ended at fixed hours But in an age of contract work and flextime many of us have become sexual freelancers more likely to text a partner u still up Weaving together over one hundred years of history with scenes from the contemporary landscape Labor of Love offers a fresh feminist perspective on how we came to date the ways we do This isn t a guide to getting the guy There are no ridiculous rules to follow Instead Weigel helps us understand how looking for love shapes who we are and hopefully leads us closer to the happy ending that dating promises **Captivating Technology** Ruha Benjamin,2019-06-07 The contributors to Captivating Technology examine how carceral technologies such as electronic ankle monitors and predictive policing algorithms are being deployed to classify and coerce specific populations and whether these innovations can be appropriated and reimagined for more liberatory ends **Locked Down, Locked Out** Maya Schenwar,2014-11-10 An analysis of the U S prison system through real life stories and a look at the complex work of community based social justice projects Through the stories of prisoners and their families including her own family s experiences Maya Schenwar shows how the institution that locks up 2 3 million Americans and decimates poor communities of color is shredding the ties that if nurtured could foster real collective safety As she vividly depicts here incarceration takes away the very things that might enable people to build better lives But looking toward a future beyond imprisonment Schenwar profiles community based initiatives that successfully deal with problems both individual harm and larger social wrongs through connection rather than isolation moving toward a safer freer future for all of us Maya Schenwar s stories about prisoners their families including her own and the thoroughly broken punishment system are rescued from any pessimism such narratives might inspire by the author s brilliant juxtaposition of abolitionist imaginaries and radical political practices Angela Y Davis author of Are Prisons Obsolete Locked Down Locked Out paints a searing portrait of the real life human toll of mass incarceration both on prisoners and on their families and equally compellingly provides hope that collectively we can create a more humane world freed of prisons Read this deeply personal and political call to end the shameful inhumanity of our prison nation Dorothy Roberts author of Shattered Bonds and Killing the Black Body This book has the power to transform hearts and minds opening us to new ways of imagining what justice can mean for individuals families communities and our nation as a whole Maya Schenwar s personal openhearted sharing of her own family s story together with many other stories and real world experiments with transformative justice makes this book compelling highly persuasive and difficult to put down I turned the last page feeling nothing less than inspired Michelle Alexander author of The New Jim Crow **Queer Sex Work** Mary Laing,Katy Pilcher,Nicola Smith,2015-03-05 Sex work is a subject of significant contestation across academic disciplines as well as within legal medical moral feminist political and socio cultural discourses A large body of research exists but much of this focuses on the sale of sex by women to men and ignores other performances practices meanings and embodiments in the contemporary sex industry A queer agenda is important in order to challenge hetero centric gender norms and to develop new insights into how gender sex power crime work migration space place health and intimacy are

understood in the context of commercial sexual encounters Queer Sex Work explores what it might mean to be do and think queer ly in the study and practice of commercial sex It brings together a multiplicity of empirical case studies including erotic dance venues online sex working pornography grey sexual economies and BDSM and offers a variety of perspectives from academic scholars policy practitioners activists and sex workers themselves In so doing the book advances a queer politics of sex work that aims to disrupt heteronormative logics whilst also making space for different voices in academic and political debates about commercial sex This unique and multidisciplinary volume will be indispensable for scholars and students of the global sex trade and of gender sexuality feminism and queer theory more broadly as well as policymakers activists and practitioners interested in the politics and practice of sex work in local national and international contexts

Sex Work on Campus Terah J. Stewart,2022-05-17 Sex Work On Campus examines the experiences of college students engaged in sex work and sparks dialogue about the ways educators might develop a deeper appreciation for and praxis of equity and justice on campus Analyzing a study conducted with seven college student sex workers the book focuses on sex work histories student motivations and how power or lack thereof associated with social identity shape experiences of student sex work It examines what these students learn because of sex work and what college and university leaders can do to support them These findings are combined in tandem with analysis of current research popular culture sex work rights movements and exploration of legal contexts This fresh and important writing is suitable for students and scholars in sexuality studies gender studies sociology and education **The Portable Feminist Reader** Roxane Gay,2025-03-25 A New York Times Bestseller A dynamic and strikingly relevant look at a feminist canon as expansive rather than definitive A Penguin Classic For Roxane Gay a feminist canon is subjective and always evolving A feminist canon represents a long history of feminist scholarship embraces skepticism and invites robust discussion and debate Selected writings by ancient historic and more recent feminist voices include Henricus Cornelius Agrippa Anna Julia Cooper Kimberl Crenshaw Dorothy Allison Leslie Feinberg Eileen Myles Mona Eltahawy bell hooks Sara Ahmed Cherr e Moraga Audre Lorde The Guerrilla Girls and many more With an introduction headnotes and an inspired list of multimedia recommendations Roxane Gay presents multicultural perspectives ecofeminism feminism and disability feminist labor gender perspectives and Black feminism Through the Portable Feminist Reader readers explore the state of American feminism its successes and failures and what feminism looks like in practice as a complex contradictory personal and political and ever growing legacy of feminist thought

Brasil Mas ganhou muita repercussão com as redes sociais graças a ativistas como Monique Prada Prostituta e feminista Monique exp e neste misto de ensaio e manifesto as ideias que servem de base para o putafeminismo um movimento que dá voz às trabalhadoras sexuais e fortalece a luta dessas mulheres por direitos e contra a opressão sem que para isso precisem abrir mão de seu trabalho ou se envergonhar dele Neste livro de estreia Monique fala sobre suas primeiras experiências com o sexo casual aos 15 a entrada no mundo da prostituição aos 19 quando ainda trabalhava como estagiária em um escritório de advocacia e a descoberta do feminismo que a transformou em ativista em putafeminista Prefácio de Amara Moira trabalhadora sexual travesti escritora e doutora em literatura pela Unicamp e apresenta o de Adriana Piscitelli professora do departamento de Antropologia Social e do doutorado em Ciências Sociais da Unicamp e pesquisadora do núcleo de estudos sobre gênero Pagu vinculado mesma universidade

From a Marxist Feminist Point of View Nancy Holmstrom, 2024-07-15 This book shows the fruitfulness of approaching key philosophical and political questions from a Marxist feminist point of view The idea is that different modes of production like capitalism and feudalism have structures relations of production which shape and limit the potentials for human emancipation in general and women's freedom in particular Capitalism is then understood as a framework within which other relations of oppression operate with more or less salience in different times and places Each of the essays takes this basic approach to key philosophical questions about freedom rationality and human nature

Indie Porn Zahra Stardust, 2024-09-27 In Indie Porn Zahra Stardust examines the motivations and interventions of independent porn producers as they navigate criminal laws risk averse platforms discriminatory algorithms and rampant piracy Herself a porn performer and participant Stardust takes readers behind the scenes offering intimate insights into this sociopolitical movement She finds politicians who watch porn in parliament protesters leading face sitting demonstrations sex workers making COVID safe pornography and artists reverse engineering porn detection software Against the backdrop of a global gig economy Stardust documents the promises of indie porn to democratize content revolutionize production and redistribute wealth while outlining the fantasies of regulators whose illusions of what porn is and does foreclose possibilities for transformation Inevitably as these paradigms collide porn producers engage in creative tactics to hustle for survival and visibility from ethical certification to law reform sometimes reproducing hierarchies of stigma themselves By highlighting how porn stigma is bound up with intersecting oppressions Stardust identifies these junctions as coalitional opportunities for changing social relationships to sex work and capitalism

The Popular Radical Press in Britain, 1811-1821 Vol 2 Paul Keen, Kevin Gilmartin, 2020-04-14 The radical weekly newspaper or pamphlet was the leading print organ of popular radical expression during what has been called the heroic age of popular Radicalism the public agitation for parliamentary reform between 1815 and 1820 This work reprints the original runs of the rarest periodicals
