

The background of the book cover features two large, stylized rainbow arcs, one at the top and one at the bottom. Each arc is composed of multiple concentric bands of color: red, orange, yellow, green, blue, and purple. The colors are vibrant and the arcs are thick, creating a bold, graphic effect. The central text is set against a light orange circular backdrop.

Principles And Practice Of Marketing 7th Edition:

Fundamentals of Marketing Geraldine McKay, Paul Hopkinson, Lai Hong Ng, 2018-03-06 Introduces the key terms concepts and practices to provide a firm foundation for undergraduate students It discusses contemporary technologies used in marketing alongside established practices to develop an understanding of the positive effects of marketing balanced with critical discussion about its contribution to the wider aims of society

Principles of marketing CRISTINA CALVO PORRAL, JOHN L. STANTON, 2017-03-08 Marketing reversed prior business logic 50 years ago and said the customer is king and the companies began to recognize that it was not just the product that was the most important aspect of their business Companies recognized that consumers had a myriad of choices of product offerings and marketing was responsible to ensure that the company's products had the benefits and attributes that customers wanted and were willing to pay for Today considering the technology development which influences every function of the company the focus of the successful marketing oriented companies has changed from the customer is king to the customer is a dictator However and despite the new trends in marketing like any social science marketing has basic principles and these principles need to be considered when making any type of marketing decisions So the major step of a student of marketing whether it is a young university student or an experienced business executive is to understand the principles of marketing and reading the present book will be the first step in accomplishing this task This book describes these basic principles of marketing and while the authors recognize that each decision may be slightly different from any previous decision the rules or principles remain the same The present book presents these basic marketing principles and tries to capture the essence of practical and modern marketing today Therefore the purpose of Principles of Marketing is to introduce readers to the fascinating world of marketing today in an easy enjoyable and practical way offering an attractive text from which to learn about and teach marketing
