Problems In Contract Law Cases And Materials Seventh Edition Aspen Casebook:

Problems in Contract Law Charles L. Knapp, Nathan M. Crystal, Harry G. Prince, 2012 Adaptable for instructors with different teaching techniques Problems in Contract Law Cases and Materials can teach by traditional case analysis through problem based instruction or using theoretical inquiry The balanced blend of traditional and contemporary cases combine with cogent explanatory text to help students place cases in a larger legal context A significant treatment of the CISG is offered The Seventh Edition continues the previous edition's reflection on the complexity of current 21st century contract law with its varied strains and constant flux going beyond earlier editions emphasis on the historical progression from classical to modern contract law Acknowledging the challenges increasingly exerted on the conventional contract law system over the past ten to fifteen years the Seventh Edition explores new forms such as electronic contracting In addition it considers the increased use of mandatory arbitration clauses in mass adhesion contracting banks communications providers hospitals for example Even more flexibility is provided for instructors who prefer to reorder the chapters rather than teach them in a linear sequence

Problems in Contract Law Charles L. Knapp, 2012 In Problems in Contract Law Cases and Materials Ninth Edition by Charles L. Knapp, Nathan M. Crystal, and Harry G. Prince a balance of traditional and contemporary cases reflect the development and complexity of contract law Explanatory notes and text place classic and contemporary cases in their larger legal context while questions and problem exercises bridge theory and practice This successful book includes various perspectives and contractual settings and offers a highly intelligent contemporary treatment of contract law It can easily be used in teaching by traditional case analysis through problem based instruction or using theoretical inquiry New to the Ninth Edition Seven new cases that reflect advances in or improved statements of contract law Two restored cases *Kirksey v. Kirksey* and *Hill v. Jones* that provide valuable perspectives on fundamental areas of contract law Eight new problems including seven net additions and one replacement to provide more review options for students and to add contemporary fact patterns A new two color design featuring interesting photographs illustrating people and places discussed in some of the cases Editing of note and text material to reduce length without affecting coverage Reorganization of text and comment material to focus comments primarily on historical developments allowing professors flexibility in assigning or deleting comments Student accessibility to deleted cases from prior editions through Connected Casebook allowing professors the further flexibility of continuing to easily assign cases for which they have a particular preference Professors and students will benefit from A mixture of classic and contemporary cases The authors emphasis on accessibility of the material rejecting a hide the ball approach Review questions at the end of each chapter that are primarily designed for students to perform self assessments of their grasp of the material Answers with explanations are included in an appendix within the book
