mean business with God the serious minded the Joshuas and Calebs of today It s for those who want to learn to tell the devil where to go and how fast he should get there in Jesus s name This is a book to encourage you to be strong in the Lord and in the power of His might It s a radical book I believe your life will be drastically changed and transformed for the better as my life has been I pray that the Holy Spirit will open up your spiritual eyes ears and understanding as you read the given scriptures from your Bible and that you will arrive at the destiny God has for you in Jesus s name Amen **Find Your Promised Land** Israel Kim,2009-06-28 The purpose of the wilderness is about what God wants to do in our life Ever since the fall recorded in Genesis man has lost their identity power and authority given to them by God Without this power and authority man will never be able to take dominion in this world When our identity power and authority have been restored then He wants to prepare us for the work ahead The reason why God brings us into the wilderness is to prepare each believer to be able to release their potential Before we are able to be used by God mightily He wants to change our character and filter out all the unnecessary things that we have learned in this world It is a time where man has to learn how to be dependent upon God This dependence starts in the wilderness where there is absolutely nothing God wants all of us to put our total trust upon Him and that He will provide all the necessities that we need God wants His people to experience the supernatural provision that He offers This is especially true for people who desire to be future leaders in the Kingdom This does not only refer to people in leadership but also people who live their life in the marketplace People need to know and understand how God provides in their life and how He wants to use them in their field In order for people to understand how God works they need to be transformed through a season of testing This season of testing is where God actually wants to build up our character Our character needs to be changed to that of God Without a character transformation we will always reflect what we learn in the world We need to get rid of everything that was attached to our life that doesnt reflect the characteristics of God This is done in the wilderness because in the wilderness since there is nothing we cant help but rely on God As we rely on God more then the things that have been attached to our life will start to fall off Everything that was attached has to come off When everything comes off then God will put His Words and traits upon our life That is why character is so important It reflects Gods traits People never look at character as an important aspect in life Character is often ignored or overlooked However to God it is an important quality When we are ultimately changed by God then as we come out of our wilderness experience we will come out with supernatural power to establish His Kingdom here on earth Since we learn of His supernatural provision we will also learn of His supernatural power The whole process of the wilderness experience is receiving the anointing of God upon our life With the anointing of God we will be able to accomplish much When the world says it takes talents and skill to accomplish much to God it is all about the anointing Our wilderness experience will release the anointing that is upon our life The anointing is very crucial in a believers life Just as Jesus was anointed to fulfill His purpose while on earth we need to be anointed to fulfill the purpose of God in our life This cant happen

unless we are totally changed and dependent upon God Everyone needs to go through their wilderness experience to receive the anointing of God

Promised Land (Volume 2) Chris Segun Onayinka, 2024-04-08

The scriptures are filled with God's promise and promises on a land or a space Either we view it from the garden of Eden a sacred place where man was found in Adam and Eve where they eventually exiled or God's call on Abraham to go to a land and very fundamentally the nation of Israel who were led out of Egypt to a land This we have put together starting from the earlier volume of this book also titled The Promised Land In this particular volume we have chosen to expand the narratives and bring in much more comprehensive details and data on the subject of the promised land Is there a promised land still for the believer today Has the promised land been fulfilled once and for all since the day we were baptised into the body of Christ Is there something to look forward to as believers in Christ Many have been found in the conundrum of what God is giving us in an afterlife or what is his eventual plan for the earth Many theories have emerged on what God wants to do What we have done in this book is to open up a wider mode of thinking thinking through the scriptures bringing them together working with them in a proper synchronisation and symphony to see how the overall plan of God which he communicated in Abraham and other patriarchs fulfilled through Jesus and now being fulfilled in the church brings to the fore a clarity of the concept of the promised land This book will allow you to think read breathe think again and find within the texts of scriptures what God promised exactly So let us go ahead with our bibles writing and study materials and let us enter into God's promised land You are blessed I remain multidimensionally yours Olusegun Onayinka
