Prophecy and Politics in South African Pentecostalism Mookgo Solomon Kgatle, 2023-12-28 This book is an interdisciplinary study of the relationship between prophecy and politics in South African Pentecostalism The role and the power of prophecy in enhancing the presence of politicians in the church square are unpacked through historical examples as well as case studies of contemporary prophets Solomon Kgatle argues that the influence of prophecy in politics has the potential to weaken the prophetic voice of the church in general and the Pentecostal movement in particular He proposes a Pentecostal political theology of prophecy This theology is developed by taking into cognizance the theoretical and theological frameworks of prophetic imagination and pneumatological imagination In addition this theology seeks a balance between prophecy and power and prophecy and sovereignty

Public Righteousness Abimbola A. Adelakun, 2023-05-25 *Public Righteousness* The Performative Ethics of Human Flourishing is driven by the idea that part of what manifests as a disorderly display of virtue in public culture is underlined by the desire to see a more righteous society and an expression of the will to enact such an ideal world into reality This book re-structures the ferment of such public displays and fashions an ethic that overturns the ostentatious signals of self-righteousness and the fierce contest of animating visions This book engages the work of social ethicist Nimi Wariboko to explore an idea of public righteousness In place of smug superiority and

phony pieties the performative ethics that inaugurate this public righteousness offer an intellectual and moral competence that establishes rectitude and culminates in human flourishing

The Use and Abuse of the Spirit in Pentecostalism

Mookgo S. Kgatle, Allan H. Anderson, 2020-11-29 This book is a pneumatological reflection on the use and abuse of the Spirit in light of the abuse of religion within South African Pentecostalism Both emerging and well established scholars of South African Pentecostalism are brought together to reflect on pneumatology from various approaches which includes among others historical biblical migration commercialisation of religion discernment of spirits and human flourishing From a broader understanding of the function of the Holy Spirit in different streams of Pentecostalism the argument is that this function has changed with the emergence of the new Prophetic churches in South Africa This is a fascinating insight into one of the major emerging worldwide religious movements As such it will be of great interest to academics in Pentecostal Studies Christian Studies Theology and Religious Studies as well as African Studies and the Sociology of Religion

Pastoral

Interventions During the Pandemic Mookgo Solomon Kgatle, Collum Banda, 2022-09-16 This book provides an interdisciplinary exploration of the challenges faced by pastoral ministry in South African Pentecostalism as a result of the Covid 19 pandemic as well as some interventions being made to manage these challenges Contributors present descriptive approaches to churches reactions to lockdown measures and especially the adaptations generated within Pentecostalism in South Africa Through a variety of approaches including pastoral care virtual ecclesiology social media and missiology contributors offer intervention techniques which can help readers to understand the unique role of Christian ministry during the pandemic in South Africa and beyond

Pentecostalism and Cultism in South Africa Mookgo Solomon

Kgatle, 2021-02-28 Pentecostalism is a growing movement in world Christianity However the growth of Pentecostalism in South Africa has faced some challenges including the abuse of religion by some prophets This book first names these prophets and the churches they lead in South Africa and then makes use of literary and media analysis to analyse the religious practices by the prophets in relation to cultism Additionally the book analyses the celebrity cult and how it helps promote the prophets in South Africa The purpose of this book is threefold First to draw parallels between the abuse of religion and cultism Second to illustrate that it is cultic tendencies including the celebrity cult that has given rise to many prophets in South Africa Last to showcase that the challenge for many of these prophets is that the Pentecostal tradition is actually anti cultism and thus there is a need for them to rethink their cultic tendencies in order for them to be truly relevant in a South African context

Christological Paradigm Shifts in Prophetic Pentecostalism in South Africa Mookgo Solomon

Kgatle, Marius Nel, Collum Banda, 2021-09-22 This book explores recent developments in South African Pentecostalism focusing on new prophetic churches The chapters engage with a number of paradigm shifts in Christology identified as complementing Christ competing with Christ removing Christ and replacing Christ What are the implications of these shifts Does it mean that believers no longer believe in Christ but in their leaders Does it shift believers faith towards materiality

than the person of Christ This volume will be valuable for scholars of African Christianity and in particular those interested in the neo prophetic movement and Christology in a South African context *The Fourth Pentecostal Wave in South Africa* Solomon Kgatle,2019-11-27 This book critically examines contemporary Pentecostalism in South Africa and its influence on some of the countries that surround it Pentecostalism plays a significant role in the religious life of this region and so evaluating its impact is key to understanding how religion functions in Twenty First Century Africa Beginning with an overview of the roots of Pentecostalism in Southern Africa the book moves on to identify a current fourth wave of this form of Christianity It sets out the factors that have given rise to this movement and then offers the first academic evaluation of its theology and practice Positive aspects as well as extreme or negative practices are all identified in order to give a balanced and nuanced assessment of this religious group and allow the reader to gain valuable insight into how it interacts with wider African society This book is cutting edge look at an emerging form of one of the fastest growing religions in the world It will therefore be of great use to scholars working in Pentecostalism Theology Religious Studies and African Religion as well as African Studies more generally **African Pentecostal Theology** Mookgo Solomon Kgatle,2023-12-11 African Pentecostal Theology Modality Disciplinarity and Decoloniality explores research methodology theological disciplines and contextualization as important aspects in the process of studying Pentecostal theology in an African context Mookgo Solomon Kgatle outlines different data collection and data analysis methods including the skills of interpreting and presenting research findings in a responsible manner This book illustrates that Pentecostal theology given its pneumatological approach goes beyond conventional theological disciplines in transdisciplinary research The development of knowledge in African Pentecostal Theology should recognize African Indigenous Knowledge Systems AIKS African oral and traditional cultures and African indigenous languages to be relevant to Africans Pentecostal theologians from different theological disciplines in Africa and globally will find this book a worthwhile read The Century Cyclopedia of Names Benjamin Eli Smith,1895
