Fink, 2017-04-17 Today we have many ways of defining success in life Some define it as being a sports hero others as being wealthy others as being popular and well liked and still others as being happy How does God define success He defines it as being spiritually mature How do we become spiritually mature There's only one way and it's called discipleship However statistics show that discipleship is in a state of crisis today Many Christians are not growing in Christ and are stuck in the process of reaching spiritual maturity A Barna study reveals that almost nine out of ten senior pastors of Protestant churches assert that spiritual immaturity is one of the most serious issues facing the church Sadly what discipleship meant in the time of Christ and what it means today is vastly different Moreover the importance Christ and the Apostles gave to discipleship is also stunningly different than the importance many Christians and churches today give it Unlike the disciples who had much of Scripture memorized a whopping 81% of Christians today don t read their Bibles regularly Unlike Christ's disciples who were Fishers of Men 61% of believers today have not shared their faith in the past six months And sadly unlike Christ and the Apostles who made discipleship the central focus of their ministries 81% of pastors today have no regular discipleship programs in their churches Discipleship is being neglected today and the consequences are crippling many Christians and churches This book hopes to change that Chapter 1 focuses on the state of discipleship today and exposes the sad truth that it s in crisis mode Chapter 2 reveals 13 key factors contributing to the lack of discipleship today Chapter 3 defines biblical discipleship based on central phrases Christ used in His ministry Chapter 4 brings to light 14 essential components of the discipleship making process that must be understood and practiced in order to attain spiritual maturity Chapter 5 provides practical how to help for growing in Christ It includes self assessment tests for measuring your level of spiritual maturity in each essential component of discipleship and gives hands on useful ideas for taking steps toward spiritual maturity Discipleship is a command for all believers and is our highest calling This book provides biblical help for fulfilling this calling and seeks to discover what God says about genuine growth in Christ It s both an informative book and a how to book It deals with the barriers that are hindering discipleship and offers practical help for overcoming these barriers and attaining spiritual maturity So are you ready to grow Would you like to be pleasing to God Would you like to fulfill the reason for which you ve been created Would you like the full blessings of God in your life Would you like to become spiritually mature Would you like to hear Christ's words Well done good and faithful Baptist Principles Reset Jeremiah Bell Jeter, 2004-08 servant when you arrive in heaven If so this book is for you  $\boldsymbol{A}$ 

Philosophy of Pastoral Preaching David A. Christensen, 2023-05-26 I am a pastor I preach Doesn t that make me a pastoral preacher Not necessarily Many preach missional rather than pastoral sermons designed to appeal to the unchurched not the churched The popularity of regional churches and the global reach of the internet allow preachers to focus their sermons on people they do not know and market a message to an audience they never see Evangelical leaders produce many resources on attractional preaching but who is developing a vision for pastoral preaching David Christensen draws on years of experience to develop a philosophy of pastoral preaching He writes Social media changes the way we preach More and more pastors are preaching clickbait sermons. These are sermons designed to get clicks or attract interest rather than teach truth We want catchy titles and clever analogies that will grab people s attention because the digital world is built on attention whatever will get likes or drive outrage However pastoral preaching builds community It is rooted in local soil to the people we know in the place we live We need a philosophy of preaching that shepherds a community of disciples who worship together in one place **Discipleship in a Post-Christian Age** Thiago M. Silva, 2025-05-20 This is an age where Christianity is no longer the assumed foundation of culture Instead secularism relativism and individualism shape how people think live and even approach faith Many within the church have unknowingly embraced a shallow self focused spirituality that offers comfort without transformation How can the church recover a robust life giving vision of discipleship in such a world With a little help from C S Lewis this book offers a way forward Lewis s insights rooted in reason imagination and community speak powerfully to this modern crisis equipping believers to engage both mind and heart Through cultural analysis and biblical wisdom this book calls the church to rediscover discipleship as an intellectual imaginative and relational pursuit one that forms resilient thoughtful and deeply rooted followers of Christ Whether picked up by a pastor church leader or everyday disciple longing for deeper faith this book will challenge and inspire readers to cultivate a Christianity that is not only true but beautiful and compelling in an increasingly post Christian world The Jesus Principles Joseph Mattera, 2019-10-01 If your influence only lasts as long as you do you failed This book will help you reach your full potential inspire greatness in your spouse children and friends and leave a legacy that lasts beyond your lifetime True influence should increase through the lives of those you have poured into even after you pass away Our greatest example of this is Jesus His followers did greater works after He left them Jesus never wrote a book or traveled outside of Israel but He was able to use a band of eleven followers to create the largest most influential movement the world has ever seen Jesus had no servants yet they called Him Master He had no degree yet they called Him Teacher He had no medicines yet they called Him Healer He had no army yet kings feared Him He won no military battles yet He conquered the world He committed no crime yet they crucified Him He was buried in a tomb yet He lives today In The Jesus Principles Joseph Mattera helps you unleash greatness in yourself but even more importantly in your circle of influence your spouse children friends and family Following Jesus example you will be empowered to leave a legacy of helping others fulfill their own potential so that after you have passed

you are still speaking Become part of a great cloud of witnesses who help to unleash human potential in one another The four Gospels are not only compilations of important moral and spiritual sayings but they also contain principles that can enable us to move from potential to fulfillment of purpose The Five Pillars of Discipleship Chima E Umejiaku, 2020-03-13 Christian discipleship is a fundamental biblical trust demonstrated in the ministry of Jesus Christ and within the early church Knowing the importance of discipleship Jesus walked closely with his disciples to influence their lives so they could in turn influence the world an impact felt around the world for many generations Christendom today puts less emphasis on the importance of Christian discipleship and the result is a generation of believers who are not deeply rooted in the basic principles of Christianity Proper Christian discipleship can not only equip believers with tools for effective ministry but also establish in them the basic biblical truths that they can pass on to future generations The Five Pillars of Discipleship stresses the importance of five basic principles in Christian growth Word of God prayer evangelism fellowship and praise and worship Christians who constantly practice these things will be spiritually strong and also sound in Christian doctrines Uplifting and encouraging this guide calls on pastors and ministers of the gospel to return to the fundamental truth of biblical discipleship for the benefit of all believers and their ministry The Activist Impulse Jared S. Burkholder, David Cramer, 2012-04-04 Anabaptists have often felt suspicious of American evangelicalism and in turn evangelicals have found various reasons to dismiss the Anabaptist witness Yet at various points in the past as well as the present evangelicals and Anabaptists have found ample reason for conversation and much to appreciate about each other The Activist Impulse represents the first book length examination of the complex relationship between evangelicalism and Anabaptism in the past thirty years It brings established experts and new voices together in an effort to explore the historical and theological intersection of these two rich traditions Each of the essays provides fresh insight on at least one characteristic that both evangelicals and Anabaptists share an impulse to engage society through the pursuit of active Christian witness Disciple Making in a Culture of Power, Comfort, and Fear Matthew T. Dickerson, 2020-06-08 Speaking in and to a culture that worships power and comfort while cultivating fear as a manipulative tool Matthew Dickerson offers a transformative alternative authentic discipleship and disciple making What does it mean to live as disciples of Christ what would it look like to be transformed by the Holy Spirit and how can we be open to that transformation How can a follower of Christ live as salt and light in the midst of a power hungry fear mongering society And how can we both teach and model that disciple life as we obey Christ's command to make disciples In the tradition of spiritual theology and formation Disciple Making in a Culture of Power Comfort and Fear draws deeply from Paul's Second Epistle to Timothy viewed as a reflection on Jesus great disciple making commission as well as on Dickerson's own experiences in disciple making ministry on college campuses and his local church Dickerson's writing is deeply informed by Scriptures by the works of such important Christian thinkers theologians and writers as Eugene Peterson John Stott and Richard Foster and also by the literature of C S Lewis and J R R Tolkien whose works he has been teaching

and writing about for more than thirty years A Practical Discipleship Model That Fosters Spiritual Maturity Owar Ojha Ojulu, 2023-11-09 Jesus challenges us to live in him and continue living out the truth so that we claim our allegiance to Christ and live as disciples free from fear and from cultural customs that contradict the gospel message This project has found that the lack of discipleship training among the Anyuwaa churches has resulted in a lack of understanding of what this ministry entails teaching and making disciples In addition failure to embed elements of the Anyuwaa culture into the discipleship approach and the persistence of certain elements of Anyuwaa life that run counter to gospel beliefs has inflamed this crisis Therefore this book presents a call for the church to challenge the culture of syncretism and the fear of witchdoctors to shift its paradigm and begin interpreting the gospel message utilizing contextual elements but interpreting them through the lens of the gospel calling people to embrace gospel values within their own cultural context When we start interpreting strong cultural beliefs and traditions through the truth of the gospel it is proof that we have come to the best discipleship approach as we speak the truth of the gospel in the life our church and the hearts of our believers for Leading Your Congregation 2013-2016 (Set of 26) General Board Of Discipleship, 2012 The Guidelines booklets one for each ministry area are tools that enable you to help get new lay leaders off to a good start Each booklet includes the basic job description for the leader as well as practical how to information important to implementing ministry effectively Brief and to the point for the busy but spirit led leader these Guidelines take some of the unknown out of leading these ministry areas One booklet for each title makes up this set of 26 Guidelines perfect for making them available to all church members The twenty six Guidelines one for each ministry are **Obey the Great Commission** Joshua YJ Su,2022-12-20 This book is an exposition of the significance of the Great Commission of Christ for Christian life and how it to be properly obeyed It emphasizes the sovereignty of God as Father Son and Holy Spirit over this Commission and the rightful place of the Church as His People in its fulfilment It addresses the biblical theological and ministerial facets of the Commission The core of this Commission is being disciples who make disciples for Christ by the Spirit and the Word of God Obeying the Great Commission is not only the focal task of the Church but the way the Spirit transforms believers to be like Christ and grow towards His fullness It exposes many misconceptions and misapplications that have seriously hampered the fulfilment of this Commission and how to treat them It shows the principles and the core processes that are required for its proper realization

Chalice Introduction to Disciples Theology Peter Heltzel,2008 Education Is Discipleship: So Who's Really Discipling Your Kids? Dr. Christy Anderson,2016-06-05 This book demonstrates how and why biblical discipleship has been abandoned by a significant majority of Christian parents and church leaders A catastrophic failure to fulfill the Great Commission to make disciples who can effectively pass on the Good News sound doctrine and a biblical worldview to future generations is the result The adoption of secular philosophies of education age segregation the creation of adolescence the formation of youth ministry the adoption of a teen subculture and a fundamental rejection of practical aspects of the doctrine

of sola Scriptura are at the heart of the problem Warnings from Christians who wrote on this topic over the past 150 years have now become a manifest reality with devastating results The only way to overcome this discipleship cataclysm is to go back to a biblical philosophy of education both in the home and in the church **Seven Principles of Ministry for the** Average, Radical Christian James Cunneen, 2011-04-01 Go and make disciples It s one of the most familiar phrases in the Bible but one of the most puzzling and challenging to see fulfilled How does one make a disciple What s the cost What s the reward Why do so many Christians struggle with this Great Commission directive from the Lord This book presents seven clear biblical principles of ministry for serious Christians who want to have significant personal ministries It gives encouragement motivation and practical instruction for success in making disciples for Jesus Christ These are principles such as Be what you want others to be Give your life to people not just your knowledge and Don t use people to build your ministry use your ministry to build people This book will deepen your appreciation for the power of lay ministry and help you be a disciple maker for Christ right where you are **Stepping Into Scripture** Lillith O'Shann Edmiston Moore, 2020-03-05 Stepping into Scripture is designed to teach you how to immerse yourself into God's Word You will learn to take a scripture passage construct a flow chart and then write what God spoke to your heart and what God taught you Stepping into Scripture is a resource book designed for clergy lay speakers Bible study teachers Sunday school teachers accountability groups or your own private study God speaks to us through his word and we learn his nature and we are transformed With Stepping into Scripture you have the opportunity for God to speak to your spirit and be shown new insights Allow Stepping into Scripture transform your life Principles and Practices of Christian Education Robert W. Pazmiño, 2002-04-29 Principles and Practices of Christian Education shows teachers how they can use two important principles that stand behind all evangelical practices to make their education program stand out from all the others in its nurture of students First evangelical Christian education recognizes the need for conversion personal and corporate transformation that reconnects people to their Creator Second evangelical Christian education strives for connection making contact with people as unique individuals who live in a particular society and who need to know more about scripture In this book Christian education students learn that the work for which they prepare is a partnership with God to transform people Their central task is worship but through it and other activities they lead others to faith commitment and transformation of communities
