Candidates can challenge themselves with the sample multiple choice questions given at the end of the book. The benefits of CPHIMS certification are broad and far reaching. Certification is a process that is embraced in many industries including healthcare information and technology. CPHIMS is recognized as the gold standard in healthcare IT because it is developed by HIMSS, has a global focus, and is valued by clinicians and non-clinicians, management and staff positions, and technical and nontechnical individuals. Certification specifically CPHIMS certification provides a means by which employers can evaluate potential new hires, analyze job performance, evaluate employees, market IT services, and motivate employees to enhance their skills and knowledge. Certification also provides employers with the evidence that the certificate holders have demonstrated an established level of job related knowledge, skills, and abilities, and are competent practitioners of healthcare IT. *PMP Practice Makes Perfect* John A. Estrella, Charles Duncan, Sami Zahran, James L. Haner, Rubin Jen, 2012-01-04. A unique learning resource to prepare for the PMP certification exam. Without sufficient practice and preparation for taking the Project Management Institute's PMI's PMP certification exam, you won't be able to actually put your skills into practice in the real world. To help you achieve your goal of passing the exam, this two-part prep book covers all elements of the brand new Project Management Professional exam. A team of experts presents you with a solid overview of the exam, as well as hundreds of questions, detailed answers, and explanations. In addition, each question is accompanied by cross references providing you with a thorough preparation foundation for taking the PMP exam. Features hundreds of short questions and answers on some of the most key topics that PMPs should be familiar with before taking the exam. Includes more than 800 exam quality questions with detailed answers and explanations, plus more than 200 fill-in-the-blank, true/false, and short answer questions to help you prepare for the exam. Serves as an ideal complement to Sybex's PMP Project Management Professional Exam Study Guide, 6th Edition. *PMP Practice Makes Perfect* prepares you for taking the grueling 200 question, four-hour PMP exam. PMBOK, PMI, PMP, and Project Management Professional are registered marks of the Project Management Institute, Inc.

The AMA Handbook of Project Management Paul C. Dinsmore, Jeannette Cabanis-Brewin, 2018-11-13. This book is an essential resource that presents a state-of-the-art theory and process of project management. Packed with essays and insights from the field's top professionals, this authoritative guide is the resource professionals and students rely on for its practical guidance and big picture overview of the entire field: scheduling and budgeting, engaging stakeholders, measuring performance, managing multiple projects, resolving conflicts, using agile practices, and more. Whether you need advice keeping projects on track or help preparing for certification, this new edition explains every principle, process, and development. Revised to reflect the latest changes to A Guide to the Project Management Body of Knowledge (PMBOK), the fifth edition includes new information on how to close the strategy implementation gap, tap the power of digital transformation, navigate M/A environments, revise your methods for nonprofit settings, keep pace with your evolving role. Filled with models, case studies, and in-depth solutions, *The AMA Handbook of Project Management* helps you master the discipline, overcome
