Leadership without Ego Bob Davids, Brian M. Carney, Isaac Getz, 2018-12-04 If you take a chain pile it up and then push

it what direction will it go Nowhere you can predict and not very far If you take it by the end and pull it which way will it go It will follow you Leadership is not about what sets you apart from those you lead it s about what binds you together It is not about controlling others it s about trusting others It s not about your achievements it s about unleashing your team s greatness In short leadership really isn t about you it s about your people Take Bob Davids co author of this book and successful leader of six businesses in fields as diverse as engineering and winemaking His achievements often came thanks to being able to refrain from acting when others might have found intervening irresistible By trusting his employees to be better than him in their area of responsibility and letting them act Bob unleashed the human greatness that no one else including employees themselves suspected Yet to lead without acting does not mean doing nothing It means creating conditions in which things happen by themselves Leadership Without Ego is about a transformation of the concept of leadership in the past two decades a change of beliefs about how best to lead along with radically different leadership practices The ideas in this book have already changed the fortunes of hundreds of businesses and the lives of tens of thousands of employees They can do the same for your business your people and you Liderazgo sin ego Bob Davids,Isaac Getz,Brian M.
