Collecting and Conserving Net Art Annet Dekker, 2018-05-08 Collecting and Conserving Net Art explores the qualities and characteristics of net art and its influence on conservation practices By addressing and answering some of the challenges facing net art and providing an exploration of its intersection with conservation the book casts a new light on net art conservation curating and museum studies Viewing net art as a process rather than as a fixed object the book considers how this is influenced by and executed through other systems and users Arguing that these processes and networks are imbued with ambiguity the book suggests that this is strategically used to create suspense obfuscate existing systems and disrupt power structures. The rapid obsolescence of hard and software the existence of many net artworks within restricted platforms and the fact that artworks often act as assemblages that change or mutate make net art a challenging case for conservation Taking the performative and interpretive roles conservators play into account the book demonstrates how practitioners can make more informed decisions when responding to critically analysing or working with net art particularly software based processes Collecting and Conserving Net Art is intended for researchers academics and postgraduate students especially those engaged in the study of museum studies conservation and heritage studies curatorial studies digital art and art history The book should also be interesting to professionals who are involved in the conservation and curation of digital arts performance media and software Would You Baptize an Extraterrestrial? Guy Consolmagno, SI, Paul Mueller, SJ, 2014-10-07 Witty and thought provoking two Vatican astronomers shed provocative light on some of the strange places where religion and science meet Imagine if a Martian showed up all big ears and big nose like a child s drawing and he asked to be baptized How would you react Pope Francis May 2014 Pope Francis posed that question without insisting on an answer to provoke deeper reflection about inclusiveness and diversity in the Church But it s not the first time that question has been asked Brother Guy Consolmagno and Father Paul Mueller hear questions like that all the time They re scientists at the Vatican Observatory the official astronomical research institute of the Catholic Church In Would You Baptize an Extraterrestrial they explore a variety of questions at the crossroads of faith and reason How do you reconcile the The Big Bang with Genesis Was the Star of Bethlehem just a pious religious story or an actual description of astronomical events What really went down between Galileo and the Catholic Church and why do the effects of that confrontation still reverberate to this day Will the Universe come to an end And could you really baptize an extraterrestrial With disarming humor Brother Guy and Father Paul explore these questions and more over the course of six days of dialogue Would You Baptize an Extraterrestrial will make you laugh make you think and make you reflect more deeply on science faith and the nature of the Willpower Doesn't Work Benjamin Hardy, 2018-03-06 We rely on willpower to create change in our lives but universe what if we re thinking about it all wrong In Willpower Doesn t Work Benjamin Hardy explains that willpower is nothing more than a dangerous fad one that is bound to lead to failure Instead of white knuckling your way to change you need to instead

alter yoursurroundings to support your goals This book shows you how The world around us is fast paced confusing and full of distractions It's easy to lose focus on what you want to achieve and your willpower won't last long if your environment is in conflict with your goals eventually the environment will win out Willpower Doesn t Workis the needed guided for today s over stimulating and addicting environment Willpower Doesn t Work will specifically teach you How to make the biggest decisions of your life and why those decisions must be made in specific settings How to create a daily sacred environment to live your life with intention and not get sucked into the cultural addictions How to invest big in yourself to upgrade your environment and mindset How to put forcing functions in your life so your default behaviors are precisely what you want them to be How to quickly put yourself in proximity to the most successful people in the world and how to adapt their knowledge and skills to yourself even guicker How to create an environment where endless creativity and boundless productivity is the norm Benjamin Hardy will show you that nurture is far more powerful than your nature and teach you how to create and control your environment so your environment will not create and control you Three Classic Novels Erskine Caldwell, 2017-05-16 Three powerful novels of racism lust and poverty in the rural South by a controversial national bestselling author Bigotry poverty social injustice and sexual squalor in the Deep South hallmarks of one of the most daring and phenomenally popular bestselling novelists of the twentieth century Here in one volume are three of his best known works None of his characters would be caught dead in a novel by John Steinbeck Carson McCullers or Eudora Welty The Daily Beast Tobacco Road The Great Depression compromises the morals of a poor farming family in Georgia This classic a Modern Library 100 Best Novels selection was adapted for the stage in 1933 and made into a 1941 film directed by John Ford God's Little Acre Desperation takes its toll on a deluded Southern farmer obsessed with sex violence and the promise of gold Banned in Boston censored in Georgia and prosecuted by the New York Society for the Suppression of Vice this international bestseller was adapted into a film in 1958 A Place Called Estherville In the pre civil rights era South a biracial brother and sister move to a small segregated town to care for their aunt only to be subjected to systematic racism sexual violence and prejudice What William Faulkner implies Erskine Caldwell records said the Chicago Tribune of the author who earned his reputation by writing about sex racism and religious hypocrisy when no one else was Caldwell remains one of the most widely translated American authors of all time This ebook features an illustrated biography of Erskine Caldwell including rare photos and never before seen documents courtesy of the Dartmouth College Library **Somewhere East of Pluto J.M.** Coutts, 2019-03-08 After buying a farm in Nebraska the old Coopers s place as a safe house Alexandra soon realized it was not the vapid hideaway she believed it would be The year was 1880 It was a time in American history of Indian unrest and transcontinental transportation and progress Fortunately for her she was skilled in the task of blending into this era as a human to keep her true identity a secret While on Earth she would fish and hunt and tend to the animals on her farm Then she would return to her home planet Kaupner somewhere east of Pluto once it was safe But her perfect plan took an

unexpected turn Sparked by the burgeoning relationship with the nearby Potawatomi tribe and the neighboring townspeople the drowsy little town came to life In no time the new adventures tilled into the Nebraska soil produced a multitude of changes Murder attempts a train robbery and the massacre of a family in a bordering forest that was so beautiful it seemed enchanted brought many challenges Without question she never dreamed of the honeymoon that should never have happened but did or of the adoption of a child and more Did she break the law of her home planet and change Earth s history 101 Things You Need To Know. . . The Study Joseph Mills,2016-04-21 This book under construction over the past fifty years uses history and fiction to connect the dots of known and unknown periods in the development of the human race It presumes that God lives on a heavenly planet Xeros somewhere in our vast universe that all humans begin at Level 3 and have the opportunity to move up to Level 2 Angels and then to Level 1 Archangels that He is colonizing planets throughout this universe and that a battle between God and Satan good v evil permeates His every decision The book focus is on planet earth the use of a natural disaster to exterminate the dinosaurs the story of Adam and Eve and the process of populating planet earth the story of Noah and the great flood and the story of Jesus Christ the Son of God who was sent to save mankind The book then explains the

development of Christianity the hidden story of the Nephilim the Rapture and Revelation Armageddon the thousand year reign and the new Heaven and the new Earth In summary The Study offers a message to the reader that each Level 3 person makes choices every day that each human being is so helpless without God's protection that the end of life on planet earth is very close and that one must believe in Jesus Christ to achieve life everlasting Musical Opinion and Music Trade Review Lady of the Stars Linda Banche, EPIC EBooks Award Finalist in Science Fiction Romance The Romance Reviews Finalist for Best in Historical Fantasy Paranormal Legends are fun but not real Or are they Facts rule twenty first century astronomer Caroline's life And then she steps through that gazebo's back doorway into Regency England where she meets a man she knows she ll never see again But time travel though improbable is scientific fact In mathematician Richard s world there s no such thing as time travel Until a woman who claims she s from the future demolishes his view of reality But legends certainly aren t real Richard can love Caroline unconcerned by his family legend which has lain dormant for centuries Until the time is right And now the time is right A mainstream Regency time travel romance with science fiction and fantasy elements 34 000 words about 125 pages A new version of the previous work expanded and completely rewritten woman astronomer astronomy male mathematician Regency time travel fish out of water female competition evil companion legend come to life legend comedy British historical fiction Regency science fiction romance aristocrat wormhole countryside **Reminisces of Happy Times** Robert Wiley, 2008-11-01 romance rural romance fantasy Ethnography and Prostitution in Peru Lorraine Nencel, 2001-04-20 In this study of prostitution Lorraine Nencel interrogates the ways in which sexuality gender and illicit behaviour have been constructed and deconstructed over the years This is a richly detailed ethnographic account that interweaves narrative with theory Nencel deals with issues such as AIDS machismo and the regulation of the sex trade She analyses the question of whether sex workers are victims or agents of control In challenging conventional approaches to the study of sex workers and prostitution Nencel has produced an original and provocative new study that is likely to provoke further discussion and debate Power Alan Blackwell, David MacKay, 2006-02-27 In this book first published in 2006 seven internationally renowned writers address the theme of Power from the perspective of their own disciplines Energy expert Mary Archer begins with an exploration of the power sources of our future Astronomer Neil Tyson leads a tour of the orders of magnitude in the cosmos Mathematician and inventor of the Game of Life John Conway demonstrates the power of simple ideas in mathematics Screenwriter Maureen Thomas explains the mechanisms of narrative power in the media of film and videogames Elisabeth Bronfen the emotional power carried by representations of life and death and Derek Scott the power of patriotic music and the mysterious Mozart effect Finally celebrated parliamentarian Tony Benn critically assesses the reality of power and democracy in society What If?2 Randall Munroe,2022-09-13 WHAT IF one man decided to answer all the unanswerable questions using science The Sunday Times bestselling author and xkcd creator Randall Munroe is here to provide the best answers yet to the important questions you probably never thought to ask
