First Strike Chris Nuttall, 2014-09-24 The best defense Starting a war with an enemy a hundred times stronger is insane It s desperate And it s Earth s only hope A massive alien power looms over humanity claiming Earth as its territory and humanity as its slaves The Hegemony has already taken over one colony yoking hundreds of thousands under their brutal rule Every tactical exercise every wargame and every simulation gives humanity zero chance in a defensive campaign Earth s only chance to win the coming war is by striking first It s honestly brilliant a space opera tour de force I want to see the next book of Glynn Stewart author of Starship s Mage A story of alien threats and human resourcefulness that isn t simply a contest of gadgets and ray guns Nuttall knows the real ingredients of war are from within greed treachery arrogant disdain devious double crossing and misdirection Both human and alien Mackey Chandler author of the Family Law and April series
