Kiyosaki, 2006 The world is facing many challenges and one of them is financial The entitlement mentality is epidemic creating people who expect their countries employers or families to take care of them Donald Trump and Robert Kiyosaki both successful businessmen are natural teachers and have joined forces to address these challenges They believe you cannot solve money problems with money You can only solve money problems with financial education Trump and Kiyosaki want to teach you to be rich Give a man a fish and you feed him for a day Teach him to fish and you feed him for a lifetime They each could have written a book on the subject but they chose instead to write a book together because of their shared passion for education and their desire to bring emphasis to the importance of financial education In addition they have designated a portion of the profits from each book to be donated to charitable and educational organizations that also support financial education Why We Want YOU To Be Rich Two Men One Message was written for you *Rich Dad Poor Dad* Robert T. Kiyosaki, 2015 *Rich Dad Poor Dad* the 1 Personal Finance book of all time tells the story of Robert Kiyosaki and his two dads his real father and the father of his best friend his rich dad and the ways in which both men shaped his thoughts about money and investing The book explodes the myth that you need to earn a high income to be rich and explains the difference between working for money and having your money work for you Amazon.com Review Personal finance author and lecturer Robert Kiyosaki developed his unique economic perspective through exposure to a pair of disparate influences his own highly educated but fiscally unstable father and the multimillionaire eighth grade dropout father of his closest friend The lifelong monetary problems experienced by his poor dad whose weekly paychecks while respectable were never quite sufficient to meet family needs pounded home the counterpoint communicated by his rich dad that the poor and the middle class work for money but the rich have money work for them Taking that message to heart Kiyosaki was able to retire at 47 *Rich Dad Poor Dad* written with consultant and CPA Sharon L. Lechter lays out his the philosophy behind his relationship with money Although Kiyosaki can take a frustratingly long time to make his points his book nonetheless compellingly advocates for the type of financial literacy that's never taught in schools Based on the principle that income generating assets always provide healthier bottom line results than even the best of traditional jobs it explains how those assets might be acquired so that the jobs can eventually be shed Howard Rothman This text refers to the Paperback edition About the Author Robert Kiyosaki author of *Rich Dad Poor Dad* the international runaway bestseller that has held a top spot on the New York Times bestsellers list for over six years is an investor entrepreneur and educator whose perspectives on money and investing fly in the face of conventional wisdom He has virtually single handedly challenged and changed the way tens of millions around the world think about money In communicating his point of view on why old advice get a good job save money get out of debt invest for the long term and diversify is bad both obsolete and flawed advice Robert has earned a reputation for straight talk irreverence and courage
