## Rosa Parks

*My  
Friend's  
Wonderland*

Rosa Parks was a very brave African American lady. She lived in a time when African American people were treated very unfairly, just because of the color of their skin. One day, when Rosa was on a bus, the bus driver told her to give up her seat to a white person. She said no because she didn't think that was fair. The driver called the police, and Rosa Parks was taken to jail. She became a hero because she stood up for what was right and her actions helped make the world a better place.

Kuby, 2013 This book shares the author s transformative journey as a literacy teacher researcher examining her experience as a White middle class female Kuby argues that it is not enough for teachers to implement curricula and pedagogical strategies designed to foster inclusiveness Instead teachers must look inward questioning their personal histories biases and beliefs in order to develop better self awareness In this book Kuby reflects on how her self interrogation shaped her interactions with 5 and 6 year olds and influenced her critical literacy teaching If we wish to create an enlightened citizenry critical literacy needs to begin on the very first day of the first year of schooling Jerome C Harste professor emeritus Indiana University What Candace shows us is that critical literacy is for all children and that critical literacies are ways of being that cut across time and space and move beyond the four walls of the classroom and beyond the regular school year From the Foreword by Vivian M Vasquez American University Washington DC In this very thought provoking book Candace Kuby uses both her own struggle with White privilege and that of her students to demonstrate the importance of cultivating critical consciousness through and in
