sacred In eGods a leading scholar in the study of virtual gameworlds takes an in depth look at the fantasy religions of 41 games and arrives at some surprising conclusions William Sims Bainbridge investigates all aspects of the gameworlds religious dimensions the focus on sacred spaces the prevalence of magic the fostering of a tribal morality by both religion and rules programmed into the game the rise of cults and belief systems within the gameworlds and how this relates to cults in the real world the predominance of polytheism and of course how gameworld religions depict death As avatars are multiple and immortal death is merely a minor setback in most games Nevertheless much of the action in some gameworlds centers on the issue of mortality and the problematic nature of resurrection Examining EverQuest II Lord of the Rings Online Rift World of Warcraft Star Wars The Old Republic and many others Bainbridge contends that gameworlds offer a new perspective on the human quest one that combines the arts simulates many aspects of real life and provides meaningful narratives about achieving goals by overcoming obstacles Indeed Bainbridge suggests that such games take us back to those ancient nights around the fire when shadows flickered and it was easy to imagine the monsters conjured by the storyteller lurking in the forest Arguing that gameworlds reintroduce a curvilinear model of early religion where today as in ancient times faith is inseparable from fantasy eGods shows how the newest secular technology returns us to the very origins of religion so that we might arrive where we started and know the place for the first time   Germanic Magic Gunivortus Goos,2019-09-27 The three parts of the book are separated fields and deal with different facets of the runes Part 1 gives among other things a fair summarizing historical overview whereby corresponding finds and their possible interpretations are not left out Part 2 offers many passages in related mythology and the Norse sagas where runes occur the corresponding quotes are included These two parts form an important foundation for the third part which deals with the use of runes in modern magical practical usage After decades of study of various western streams and schools of magic and a thorough study of the runes the author has managed to combine both The result is a unique modern rune magic which is presented in the third part of the book   *The Mischievous Nerd's Guide to World Domination* Stephen Oberauer's, Nathan Bauer is the smartest man alive Mathematics programming and designing space rockets are not a problem His problem is talking to pretty girls Nathan tells the story of his adventures from his shy school days through the exciting times when he invented artificial intelligence met the girl of his dreams and took control of planet Earth but what will happen to his life and the whole planet when his life is rewound and his chance to invent artificial intelligence is taken away   Outcastia Campaign Setting Book III: Campaign Master's Manual Nitehawk Interactive Games,2012-07-19 Welcome to Book III of the Outcastia Campaign Setting for the d20 System You ve journeyed through the land in World Tour and learned what you need to know about the realm you dove into the meat of the Setting with newly designed gaming elements that help you make your mark in the Land of Dragons with the Player s Guidebook now it is time for you to delve into creating your own games as the Campaign Master TM with Book III The Campaign Master s Manual This book includes In depth NPCs to add to your games
