personal and leadership successes By having a conscious knowledge of your character and understanding your natural tendency to act in a way that energises and recharges you throughout the day making achievements in life would simply be a walk in the park Unfortunately such a simple pathway to achievement is often obscured by the general consensus such as what a best salesman should do and how a great leader should behave Attempting to fit into the mould of a great leader or the mould of a good salesman would not only prevent you from achieving your goals it would make you appear cringey or worse drain away all your energy leaving you feeling tired and questioning the purpose of your existence and your goals in life Motivational trainings time management trainings etc have their values however without first having an elevated self awareness attempting to follow the steps and to do lists in those trainings would likely result in frustration and end up stopping the practices altogether Anybody who exhibits the above symptoms or feel that you could have attained greater heights in your career and life but for whatever reasons unable to do so this book is tailored specially for you In this book you will discover that everyone is unique and that by understanding your own unique talents and leveraging on it you can achieve your greatness in your own unique and energising way This book adopts a practical approach that focuses on helping the readers elevate their self awareness with the main objective of empowering them to achieve their personal and leadership successes Self awareness doesn't stop you from making mistakes but it allows you to learn and correct them Prof Roy Ling LEAD Program Instructor The essence of good strategy is being aware of your strengths and your rival's weaknesses and applying your strengths against your rival's weaknesses Prof Ishtiaq Pasha Mahmood Head of Department and Professor Strategy Policy NUS Business School Your strengths are the foundation to your greatness Find ways to play to your strengths Coach Jason Ho Performance coach Enter this code to get this free GRW3SK77W9QLF **Sales Dogs** Blair Singer, 2012-07-03 The author presents his advice and techniques for developing personal salesmanship skills **Hitting the Highest Notes** Beverly Sallee, 2004 I love it when something happens that makes my spirit soar You know the feeling Suddenly you are experiencing an awesome wonder the manifestation of a stellar talent the expression of a pure heart the majesty of creation's splendor the thrill of being in the presence of near perfection For me spirit soaring moments occur most predictably when I am listening to a musical performance and the performer is on song as the English say so beautifully That is especially true when the performer is a classical soprano and she hits the high notes with a clarity and purity of tone that sends chills running down the spine and causes an audience to leap to its collective feet with spontaneous applause and cheers This is a book primarily for and about women so the metaphor of a soprano is appropriate And because I am a musician at heart and by training the metaphor of music will run throughout this book There's a soul song for you to sing a song titled your success that has a melody of joy and a rhythm of satisfaction It's a song only you can sing It's a success only you can achieve And when you do your spirit will soar and others will be inspired to follow your example Loopholes of Real Estate Garrett Sutton, 2013-08-06 The Loopholes of Real Estate reveals the tax and legal strategies used by the rich for
