ERP und SCM Karl Kurbel, 2021-04-19 Enterprise Resource Planning ERP und Supply Chain Management SCM gehören zu den Kernaufgaben eines Industrieunternehmens. Sie haben sich evolutionär aus der Produktionsplanung und -steuerung PPS heraus entwickelt. Ein Großteil der betriebswirtschaftlichen, administrativen und teilweise auch technischen Aufgaben eines Industrieunternehmens wird heute durch ERP und SCM Systeme unterstützt. Das Buch erklärt die konzeptionellen Grundlagen der Systeme, zeigt auf, wie typische Geschäftsprozesse mit Hilfe praktischer Systeme wie z.B. SAP ERP durchgeführt werden und behandelt aktuelle Entwicklungen wie Industrie 4.0, Fertigungsnahe und technische Anwendungssysteme, werden mit ihren Schnittstellen um ERP und SCM herum platziert. Neben den Grundlagen von ERP und SCM und der Umsetzung theoretischer Konzepte in praktischen Systemen behandelt die neue Auflage die aktuellsten Entwicklungen im Bereich Industrie 4.0 und Internet der Dinge.

ACCPAC Agung Wahyu Wasisto, ACCPAC atau Simply Accounting SA merupakan aplikasi atau software akuntansi dari Sage. Dalam buku ini dijelaskan bagaimana mengerjakan transaksi keuangan dengan menggunakan software Accpac. Buku ini disusun tidak lebih untuk memahami akuntansi dengan menggunakan komputer. Hampir setiap program akuntansi memiliki karakteristik yang sama yaitu memasukkan daftar rekening, mengisi aturan setup, mengelola data pelanggan, pemasok, produk, sampai pada pelaporan akuntansi. Setiap software selalu memiliki kelemahan dan kelebihan. Bagaimanapun juga, program akuntansi buatan yang disesuaikan (tailor made) dengan kondisi perusahaan adalah program akuntansi yang terbaik. Questions with Answers - English Navneet Singh, Here are some common accounting interview questions along with detailed answers to help you prepare 1 Tell me about yourself and your background in accounting Answer I have a degree in accounting from University and I ve worked in various accounting roles over the past X years My experience includes managing financial statements performing reconciliations and analysing financial data At Previous Company I was responsible for specific task or achievement where I describe the impact e g streamlined processes improved accuracy etc I m detail oriented and proficient in accounting software which has helped me effectively handle complex accounting tasks and contribute to the financial health of my previous employers 2 How do you handle tight deadlines and multiple priorities

Answer I prioritize tasks based on their deadlines and importance I use project management tools to organize my workload and ensure that I allocate sufficient time to each task When faced with tight deadlines I break down larger tasks into smaller manageable steps and focus on completing them systematically Communication is key I keep stakeholders informed of progress and potential challenges If necessary I seek assistance or delegate tasks to ensure everything is completed on time without compromising quality

3 Describe a time when you identified and resolved a discrepancy in financial reports Answer In my previous role at Company I noticed a discrepancy between the bank statement and the company's cash ledger during a reconciliation process I investigated the issue by reviewing transactions and found that a few entries had been recorded incorrectly due to a data entry error I corrected the entries and updated the financial reports To prevent similar issues in the future I implemented additional checks and reconciliations to ensure accuracy This not only resolved the immediate discrepancy but also improved our reporting process

4 What accounting software are you familiar with Answer I'm proficient in several accounting software systems including Software Name 1 Software Name 2 and Software Name 3 For example at Previous Company I used Software Name 1 for managing financial transactions and generating reports I'm comfortable with data entry generating financial statements and using the reporting features of these tools I also adapt quickly to new software having successfully transitioned to New Software in my previous role

5 How do you ensure accuracy in your financial statements Answer To ensure accuracy in financial statements I follow a multi-step approach First I double check all data entries and reconcile accounts regularly to catch any discrepancies early I adhere to standardized accounting principles and review calculations carefully I also conduct thorough internal reviews and seek feedback from colleagues to identify any potential errors Additionally I stay updated with accounting standards and best practices to ensure compliance and accuracy

6 Can you explain the difference between accounts payable and accounts receivable Answer Accounts payable represents the company's obligations to pay off short-term debts to its creditors or suppliers It includes invoices and bills that the company needs to settle Accounts receivable on the other hand represents money that the company is owed by its customers for goods or services provided on credit It includes outstanding invoices and the amounts due from clients In summary accounts payable is a liability while accounts receivable is an asset on the company's balance sheet

7 How do you stay current with changes in accounting regulations and standards Answer I stay current with changes in accounting regulations and standards by regularly reading industry publications attending webinars and professional development courses and participating in relevant accounting organizations I also follow updates from standard setting bodies such as the Financial Accounting Standards Board FASB and International Financial Reporting Standards IFRS This ensures that I'm aware of any changes and can apply them to my work to maintain compliance

8 Describe your experience with financial forecasting and budgeting Answer In my previous role I was involved in the budgeting and forecasting process which included creating annual budgets and financial forecasts based on historical data and projected trends I worked closely with various

departments to gather input and ensure that budget assumptions were accurate I also monitored actual performance against the budget and prepared variance reports to identify any discrepancies This experience helped me develop strong analytical skills and an understanding of how to use financial data to make informed business decisions 9 How do you handle confidential information Answer I handle confidential information with the utmost care and adhere to strict confidentiality protocols This includes using secure systems for storing and transmitting sensitive data restricting access to authorized personnel only and following company policies regarding data protection I also ensure that any physical documents containing confidential information are properly secured or shredded when no longer needed Maintaining confidentiality is crucial to protecting the company s financial integrity and trust 10 Why do you want to work for our company Answer I m impressed by Company s reputation for specific aspect e g innovation corporate culture growth opportunities and I believe that my skills and experience align well with the requirements of this role I m particularly excited about specific project initiative or value that Company is involved in because explain how it matches your interests or career goals I m eager to contribute to Company s success and grow professionally within such a dynamic and forward thinking organization
