Memorize The Faith And Most Anything Else Using Methods Of Great Catholic Medieval Memory Masters Kevin Vost:

Memorize the Faith! Kevin Vost, 2006-07 **Memorize the Faith!** Kevin Vost, 2006-07-01 They laughed when I said I could name all 27 books of the New Testament but after I named them all in order plus the 46 books of the Old Testament they begged me to show them how I did it Yes I know that memorizing the Faith is no substitute for living a holy life but even devout people can't live by truths and precepts they don't remember That's why over 700 years ago St Thomas Aquinas perfected an easy method for his students to memorize most any information but especially the truths taught by Christ and His Church As the years passed our need for this ancient art of memorization grew yet somehow our culture largely forgot it which is why today when you and I try to remember a list of things we have to repeat their names over and over Or to remember to call the dentist we tie a string on our finger And we clutch at any means whatsoever to recall our passwords for ATMs credit cards and voicemail our login names for Yahoo eBay and Amazon and the host of other names and numbers that clog our minds and clutter our days Now thanks to the delightful pages of Memorize the Faith you can easily keep all these in mind and learn the Faith by tapping into the power of the classical memory system that helped St Thomas become the Church's preeminent theologian and made it easier for him to become one of its greatest saints Here Catholic scholar Kevin Vost makes available again Aquinas's easy to learn method the method Dr Vost himself has used for decades to recall names dates phone numbers the first dozen digits of pi 3 141592653589 and even whether when his wife called him at work today she asked him to bring home ice cream and toffee or was it truffles and coffee Indeed Dr Vost will teach you to remember virtually anything but he devotes most of his book to showing you how to improve your memory of Catholic truths so you can live the Faith better By the time you finish this book you will have memorized dozens of key teachings of the Church along with hundreds of precepts traditions theological terms Scripture verses and other elements of the Faith that every good Catholic needs to know by heart Memory is the foundation of wisdom It makes holiness easier To grow wiser in the Faith and holier turn to Memorize the Faith today Note Memorize the Faith will teach you and your children how to remember anything but it's particularly useful to those involved in religious education catechists and converts CCD teachers RCIA members and homeschoolers of all ages Here Dr Vost and St Thomas Aquinas show you easy ways to memorize the following truths and precepts of our Faith plus many more The 9 Beatitudes The 12 Apostles The 7 Virtues The 7 Sacraments The 4 Last Things The 7 Capital Sins The 10 Commandments The 4 Marks of the Church The 14 Stations of the Cross The 5 Precepts of the Church The 7 Gifts of the Holy Spirit The 12 Fruits of the Holy Spirit The 7 Spiritual Works of Mercy The 20 Mysteries of the Rosary The 7 Corporal Works of Mercy The 10 Holy Days of Obligation The 6 Sins Against the Holy Spirit The 5 Proofs for the Existence of God The 27 Books of the New Testament The 46 Books of the Old Testament And anything else you want to remember from the 14 items on your grocery list to the birthdays of your 7 nephews and nieces Memorize the Stoics!

Kevin Vost, 2022-03-22 *Memorize the Stoics The Ancient Art of Memory Meets the Timeless Art of Living* The title says it all Extolling the powers of God given human reason Stoic philosophers such as Roman knight Musonius Rufus and his student the former slave Epictetus developed powerful practical lessons for living tranquil virtuous loving lives These lessons were praised by such early Church Fathers as Justin Martyr and Origen Epictetus's Handbook was later adapted as a moral guidebook for monks A millennium later Thomas Aquinas mined the Stoic Seneca's lessons on anger gratitude patience and more for use in his *Summa Theologiae* And in our own day the psychological and moral teachings of the Stoics constitute an art of living that fairly cries out to act as compass for the nearly rudderless boat of our disordered contemporary world But still it is hard to live out important life lessons if you cannot remember them In those same early centuries before and after Christ Greeks like Simonides and Romans like Cicero championed a specialized art of memory Early Church Fathers such as Augustine and Jerome championed this also as did centuries later Albert the Great and Thomas Aquinas The unique virtue of Kevin Vost's book is its wedding of the ancient art of memory to the timeless art of living In his Handbook Epictetus exhorts us to remember his lessons a full dozen times and in his own book Vost shows us how to do just this thereby opening our eyes to unrecognized powers of imagination and memory and to unrecognized capacities for controlling thoughts emotions and behaviors Even so the Stoics would not mind at all if you found this exercise of imagination and intellect a rather fun thing to do Enjoy

How to Think Like Aquinas Kevin Vost, 2018-09-20 About St Thomas Aquinas Pope John XXII said A man can derive more profit in a year from his books than from pondering all his life the teaching of others And Pope Pius XI added We now say to all who are desirous of the truth Go to St Thomas But when we do go to Thomas when we open his massive *Summa Theologica* or another of his works we're quickly overwhelmed even lost If we find him hard to read how can we even begin to think like Aquinas Now comes Kevin Vost the best selling author of *The One Minute Aquinas* armed with a recently rediscovered letter St Thomas himself wrote a brief letter to young novice monk giving practical sage advice about how to study how to think and even how to live In this letter written almost 800 years ago St Thomas reveals his unique powers of intellect and will and explains how anyone can fathom and explain even the loftiest truths Vost and St Thomas will teach you how to dissect logical fallacies heresies and half truths that continue to pollute our world with muddy thinking Best of all you'll find a fully illustrated set of exercises to improve your intellectual powers of memory understanding logical reasoning shrewdness foresight circumspection and practical wisdom You'll also learn The four steps to training your memory How to know your mental powers and their limits Why critical thinking alone is insufficient for reaching the truth Twenty common fallacies and how to spot them The key to effectively reading any book How to set your intellect free by avoiding worldly entanglements How to commit key truths to memory Pius XI called St Thomas Aquinas the model for those who want to pursue their studies to the best advantage and with the greatest profit to themselves Leo XIII urged us all to follow the example of St Thomas Over the centuries dozens of other popes have praised him Surely it is time to listen to these good men

time to go to Thomas to learn to think like him and yes even to live like him **Hounds of the Lord** Kevin Vost,2015-11-09 They are called Hounds of the Lord and Stoics on spiritual steroids For 800 years they have barked out Christ's gospel message saving countless souls and showing us how to think do and love for the glory of God Inspired by the stories of their saints we join the Dominicans in celebrating the Jubilee of their first 800 years In these pages we draw inspiration and spiritual strength from the lives lessons and legacies of their intellectual giants and enrapt mystics the men and women who scrubbed floors and those who cared for the dying You'll discover countless fascinating and pious stories prophetic dreams and visions apparitions of Christ and Our Lady appearances of the devil in disguise miraculous healings episodes of bi location stigmata incorruption after death and more From St Thomas Aquinas to St Martin de Porres in story after story you'll see how God favored these holy men and women in so many surprising and supernatural ways Even 800 years later these Hounds of the Lord are still out there today roaming the world seeking out souls to retrieve for Christ Open this book and you'll be given a taste of that glorious and joyful spirit that animates the Dominican Order a spirit they have so long and so willingly shared with the rest of the world Let their example serve as inspiration and let loose the hounds of the Lord within you

The Porch and the Cross Kevin Vost,2016-02-29 Regardless of their sometimes ambiguous concepts of God the Roman Stoic philosophers did acknowledge Him but on the basis of reason alone because they had not met Christ Nonetheless they did deduce from God's existence our need to live lives of virtue honor tranquility and self control and they developed effective techniques to help us achieve this Musonius Rufus the teacher Epictetus the slave Seneca the adviser to emperors and Marcus Aurelius the emperor himself produced a practical technology we can use to integrate Christian ethics into our own daily practice As Kevin Vost so wonderfully illustrates in his new book **The Porch and the Cross** the Stoics can help us learn and remember what is up to us and what is up to God alone
