**Der Mythos vom Patriarchat und der Niedergang des Feminismus** Ingbert Jüdt, 2019-11-05 Der Begriff des Patriarchats und seine Implikation einer Jahrtausende langen Unterdrückung der Frauen durch die Männer ist der fundamentale Gründungsmythos der Zweiten Frauenbewegung und nahezu des gesamten aus ihr hervorgehenden zeitgenössischen Feminismus Die Geschichte dieses Begriffs vom Patriarchat ist mit der Geschichte der neuen Frauenbewegung untrennbar verbunden die Neue Frauenbewegung der 1960er Jahre konstituiert sich durch die mythopoietische Schöpfung des Bewusstseins diejenige revolutionäre Bewegung zu sein die fünf sechs oder noch mehr Jahrtausende von Männerherrschaft an ihr historisches Ende bringe und darin selbst der Schlüssel schlechthin zu einer fundamentalen Umwälzung der gesellschaftlichen Verhältnisse sei Dieses Buch kritisiert den Begriff des Patriarchats als einen Mythos im strengen Sinne als eine mythische Denkform die eine pragmatische Funktion für die Ursprungserklärung die Legitimierung und die Bewusstseinsproduktion der Frauenbewegung bernimmt und die bis zum heutigen Tag regelmäßig zur Beglaubigung feministischer Thesen und Geschichtskonstruktionen beschworen wird deren Behauptungen aber trotz der Bemühungen von zwei oder drei feministischen Generationen niemals empirisch bezeugend begründet wurden Ausgehend von der Kritik des Patriarchatsbegriffs plädiert das Buch zudem für eine berflügelte Historisierung des zeitgenössischen Feminismus es ist an der Zeit ihn als eine selbständige ideengeschichtliche Epoche zu begreifen die heute an ihr Ende gelangt weil sie ihre gesellschaftskritische Kraft erschöpft hat Wie die Emanzipationsbewegungen der Bürger und der Arbeiter vor ihr hat auch die Frauenbewegung das Stadium einer institutionellen Erstarrung erreicht in dem sie auf eine Logik von Besitzstandswahrung Feindbildpflege und Machtmissbrauch zusammenschrumpft Der zeitgenössische Feminismus hat sich von einer ursprünglichen Emanzipationsbewegung in ein Laboratorium kultureller Herrschaftstechniken verwandelt und sich als Kernstück eines ideologischen Verblendungszusammenhangs etabliert in dem eine Verbindung von Gesinnungsethik und Narzissmus zum neuen Opium des Volkes wird

**Men on Strike** Helen Smith, 2014-12-09 American society has become anti male Men are sensing the backlash and are consciously and unconsciously going on strike They are dropping out of college leaving the workforce and avoiding marriage and fatherhood at alarming rates The trend is so pronounced that a number of books have been written about this man child phenomenon concluding that men have taken a vacation from responsibility simply because they can But why should men participate in a system that seems to be increasingly stacked against them As Men on Strike demonstrates men aren't dropping out because they are stuck in arrested development They are instead acting rationally in response to the lack of incentives society offers them to be responsible fathers husbands and providers In addition men are going on strike either consciously or unconsciously because they do not want to be injured by the myriad of laws attitudes and hostility against them for the crime of happening to be male in the twenty first century Men are starting to fight back against the backlash Men on Strike explains their battle cry

*The Undertow* Jeff Sharlet, 2023-03-21. A New York Times Bestseller, Finalist for the National Book Critics Circle Award in Nonfiction. One of the New York Times's 100 Notable Books of 2023. One of The New Republic's Best Books of 2023. A riveting, vividly detailed collage of political and moral derangement in America. Joseph O'Neill, New York Times Book Review. One of America's finest reporters and essayists explores the powerful currents beneath the roiled waters of a nation coming apart. An unmatched guide to the religious dimensions of American politics. Jeff Sharlet journeys into corners of our national psyche where others fear to tread. *The Undertow* is both inquiry and meditation, an attempt to understand how over the last decade, reaction has morphed into delusion, social division into distrust, distrust into paranoia and hatred into fantasies, sometimes realities of violence. Across the country, men of God glorify materialism, a gluttony of the soul while citing Scripture and preparing for civil war. A firestorm they long for as an absolution and exaltation. Lies, greed and glorification of war boom through microphones at hipster megachurches that once upon a time might have preached peace and understanding. Political rallies are as aflame with need and giddy expectation as religious revivals. At a conference for incels, lonely single men come together to rage against women. On the Far Right, everything is heightened: love into adulation, fear into vengeance, anger into white-hot rage. Here in the undertow, our forty-fifth president, a vessel of conspiratorial fears and fantasies, continues to rise to sainthood and the insurrectionist Ashli Babbitt, killed on January 6 at the Capitol, is beatified as a martyr of white womanhood. Framing this dangerous vision, Sharlet remembers and celebrates the courage of those who sing a different song of community and of an America long dreamt of and yet to be fully born, dedicated to justice and freedom for all. Exploring a geography of grief and uncertainty in the midst of plague and rising

fascism The Undertow is a necessary reckoning with our precarious present that brings to light a decade of American failures as well as a vision for American possibility After #MeToo Gerard Casey,2020-04-02 In *After MeToo* Gerard Casey provides a critical assessment of the MeToo movement situating it in the context of the radical feminism of which it is just the latest manifestation Apart from its legitimating an indiscriminate attack on men and masculinity Casey argues that the MeToo movement has exposed a conceptual fault line in radical feminist anthropology Are women fully developed moral agents able to exercise moral choice and to take responsibility for what they do or are women elements of a collective made up of the victims of sexual crimes whose suffering is not just that of any one individual woman but of the group as a whole Casey s analysis of the MeToo movement is prefaced by a brief typology of forms of feminism and by an account of the supposedly universal oppression of women by a malign patriarchy He argues that if there is such a thing as the patriarchy it is singularly and spectacularly ineffectual in its operation inasmuch as women on the whole are not only not oppressed in comparison to men but are rather the beneficiaries of legal and social privileges *After MeToo* concludes with a consideration of the changing legal definitions of rape Once understood to be essentially a crime of violence rape has now come to be regarded as a violation of personal autonomy In common law systems a certain conception of consent is now central to the definition of rape a conception that Casey argues is unworkable at once infantilising women and at the same time potentially criminalising every sexual encounter in which a man is involved

Diskriminierung eine ihnen n tzliche Ungleichheit machthungrig und deutungsversessen bewirtschaften Disaffiliating Ministry Gregory Baker,2019-08-23 This book explores the shifting role of the minister in light of the experiences of college men in the United States Young men frequently struggle to know what it means to be a man and doubt that churches can supply the meaning and direction for which they hunger These men are not necessarily lost but they do need a certain kind of spiritual accompaniment that is likely to push many ministers outside of postures and practices with which they have grown comfortable This interdisciplinary work draws together feminist and masculinist theories contemporary practices in campus ministry recent literature on religious deconversion and individual interviews with college men in order to argue for new ways amid the practice of ministry This work invites ministers to become more apophatic to grow comfortable with moving away from clarity and to adopt ungrasping postures of ministry that attend to the unfolding theology of the individual This repositions campus ministers to support young adults from a range of spiritual commitments Disaffiliating Ministry invites ministers to eliminate wasteful ministerial habits to explore new ministry practices and to enjoy the freedom of accompanying young men in processes of leaving behind attitudes and actions that cease to be life giving while deepening in faith courage and responsibility for others *Without God* Louis Betty,2016-06-03 Michel Houellebecq is France s most famous and controversial living novelist Since his first novel in 1994 Houellebecq s work has been called pornographic racist sexist Islamophobic and vulgar His caricature appeared on the cover of the French satirical weekly Charlie Hebdo on January 7 2015 the day that Islamist militants killed twelve people in an attack on their offices and also the day that his most recent novel Soumission the story of France in 2022 under a Muslim president appeared in bookstores Without God uses religion as a lens to examine how Houellebecq gives voice to the underside of the progressive ethos that has animated French and Western social political and religious thought since the 1960s Focusing on Houellebecq s complicated relationship with religion Louis Betty shows that the novelist who is at best agnostic is a deeply and unavoidably religious writer In exploring the religious theological and philosophical aspects of Houellebecq s work Betty situates the author within the broader context of a French and Anglo American history of ideas ideas such as utopian socialism the sociology of secularization and quantum physics Materialism Betty contends is the true destroyer of human intimacy and spirituality in Houellebecq s work the prevailing worldview it conveys is one of nihilism and hedonism in a postmodern post Christian Europe In Betty s analysis materialist horror emerges as a philosophical and aesthetic concept that describes and amplifies contemporary moral and social decadence in Houellebecq s fiction **The Way of the Conscious Warrior** P. T. Mistlberger,2019-09-27 The early 21st century is a complex time presenting unique challenges for men This book examines many of those challenges from dysfunctional relationships and confusion about what it means to be male in the postmodern world to understanding the dark side of the masculine psyche as well as how to apply the best qualities of warrior consciousness to experience overall success and fulfilment in life **Their Angry Creed** Herbert Purdy,2016-07-04 Forty five years after women s liberationists first laid

down their challenge chanting Women demand equality and I m a second class citizen their narratives are now so universally accepted that few people dare speak truth to the power in the land that feminism has undoubtedly become However this book does just that Opening with a startling revelation in 2014 by Mallory Millett sister of Kate Millett a mentally ill Marxist apologist and probably the prime mover in the women s liberation movement around 1970 Their Angry Creed is a detailed expos of what she and her co conspirators were planning from the start The author shows how these activists influenced a generation of women many of whom are now in prominent and powerful positions to seek a seismic shift in the power balance between women and men by dividing society along the fault line of gender Feminism has never been about equality for women It is cultural Marxism whose principles uphold matriarchy the social superiority of women which is to be achieved through the destruction of marriage the re engineering of the family moving women en masse out of the home and into the workforce and the disruption of society as we know it Describing how these activists have already secured unreasonable and unfair privilege for women and girls he points to the demonisation of manhood men s effective social emasculation the invasion of men s social spaces to the point of harassment and the relentless excision of fathers from families He ends by warning of a coming backlash from men

**Feminism: The Ugly Truth** Mike Buchanan,2017-05-21  
Extracts from Erin Pizzey s Foreword Mike Buchanan is a very brave man I ve known other men who ve tried to draw the public s attention to the damage done by the radical feminist movement Many lost their jobs and none of them were able to

find a publisher for their books Men have been thrown out of their own houses and unjustly accused of domestic violence towards their partners and some of sexually abusing their children The legitimate interests of men in Western society are being systematically assaulted by radical feminists and this book goes a long way to providing the evidence Men are starting to campaign more effectively for their interests though they have a long way to go before they halt the tide of radical feminist influence let alone start to reverse it Feminists can also expect more challenging from another quarter An increasing number of women are summoning up the courage to openly criticise them This shouldn't surprise us given that the vast majority of women don't share the radical feminists political ideology With every year that passes more women become aware of the damage man hating and family hating radical feminists wreak on society in general and women's interests in particular These women are becoming more vocal and their number is on the rise How much more damage will feminists be allowed to wreak before they're more widely recognised as the evil women they are This book provides long awaited answers to over 50 of the most challenging questions in the modern era including 1 Are you a misogynist if you only hate feminists 2 What is feminism in the modern era 3 How do radical feminists view the world 4 Are feminists less intelligent than normal women 5 Are feminists less attractive than normal women 6 Do feminists suffer from PPS Permanent Premenstrual Syndrome 7 Why do feminists deny the different natures of men and women 8 Why must taxpayers stop financing Women's Studies and Gender Studies courses 9 What are the big fat feminist fantasies lies delusions and myths 10 Are feminists delusional Is the pope a Catholic Do bears crap in woods 11 How are feminists killing men and women 12 Are some feminists e.g Tracey Emin a pain in the arts The book contains an appendix of quotations and ends with a sample chapter titled Would you like to have sex with my wife from Mike Buchanan's international bestseller Two Men in a Car a businessman a chauffeur and their holidays in France It also contains the plate section from the book 16 photographs

**2015 General Election Manifesto** Mike Buchanan, 2015-01-29 The human rights of men and boys in the United Kingdom have been increasingly assaulted by the state's actions and inactions for over 30 years as they have across much of the developed world Justice for men boys and the women who love them is the only political party in the English speaking world campaigning for the human rights of men and boys including the right of all children to enjoy good access to both parents following family breakdowns and the restoration of fatherhood and strong families The British state has become ever more

hostile towards men and boys although the state is largely funded by men through income tax receipts Men collectively pay 72% and women 28% of the income taxes collected by the state In 2011 12 British men paid 68 billion 68 000 000 000 more income tax than women yet the state disadvantages men and boys in many areas usually to advantage women and girls There are no areas in which the state disadvantages women and girls A state which is hostile towards half its citizens also affects women who are mothers of boys or who are men s partners relatives colleagues friends or acquaintances In the case of abortion foetal alcohol syndrome and fatherlessness girls including those yet unborn are also assaulted by the actions and inactions of the state The result is both inevitable and predictable an ever more dysfunctional society with increasing alienation of the sexes In this manifesto we provide details of the state s disadvantaging of men and boys in 20 areas and we make proposals in each of them The areas are presented in a broadly chronological order Abortion Foetal alcohol syndrome Genital mutilation Fatherlessness restoring strong families Education Employment Access to children after family breakdowns Domestic violence Sexual abuse Armed Forces veterans mental health issues Homelessness Suicide Criminal justice system Paternity fraud Anonymity for suspected sexual offenders Divorce Health Political representation State interference in company director appointments Expectation of retirement years The social engineering programmes which seek equality of gender outcomes are having an increasingly damaging impact on British society and the Conservative led coalition is no less keen on driving those programmes than the preceding Labour administrations We have a vision of Britain as a nation that doesn t disadvantage half its citizens A society in which men and women have equal opportunities but are able to make their own choices in life without state intervention to advantage one sex over the other It s said that under the first past the post system votes for parties other than the major parties are wasted but voting is the only mechanism democracy affords citizens to seriously challenge politicians who embrace the all pervading anti male ideology which has dictated the state s policy directions for over 30 years The major parties are institutionally committed to advantaging women and girls at the expense of men and boys regardless of the consequences as we recognized after engaging in parliamentary inquiries which demonstrated that the government simply doesn t respond to rational arguments against anti male policy directions The only choice for citizens concerned about the state s assaults on the human rights of men and boys is to vote and to vote for J4MB In the short to medium term our challenge is to improve public understanding about the state s assaults on the human rights of men and boys We do that in various ways including the use of social media Our television and radio appearances may be found on our YouTube channel Our longer term strategy however is to develop our party to the point that we can field many candidates in general elections in marginal constituencies where the major parties are vulnerable They will then have no choice but to take heed of the voices we represent engage with us and seek to appease them by modifying their policies and their direction of travel At the 2015 general election we ll be fielding three candidates in adjacent constituencies near Nottingham where in 2010 MPs were elected with very slim majorities I ll be standing in

Ashfield where Gloria De Piero retained the seat for Labour with 192 more votes than a Liberal Democrat candidate She s the Shadow Minister for Women Equalities Ian Young formerly a victim of domestic violence will be standing against a Conservative Mark Spencer in Sherwood Ian lives in the constituency in Hucknall Ray Barry leader of the campaign group Real Fathers for Justice will be standing against another Conservative Anna Soubry in Broxtowe I should like to take this opportunity to thank all the men and women who have supported J4MB since its launch in February 2013 including those who have contributed to this manifesto We ve gone to considerable lengths to ensure that all the information we present is factually correct If you should find any mistakes or you believe any of the content to be misleading please draw this to our attention If you feel able to support J4MB in any way please contact us I invite you to make a donation which will support our campaigning Nobody associated with J4MB has ever drawn any personal income from donations and we don t expect that to change in the foreseeable future if ever Thank you for your support and for seeking justice for men and boys and the women who love them

**Far-Right Newspeak and the Future of Liberal Democracy** A. James McAdams, Samuel Piccolo, 2024-04-23 This book is the first systematic multicountry exploration of far right Newspeak The contributors analyze the ways in which contemporary far right politicians intellectuals and pundits use and abuse traditional liberal concepts and ideas to justify positions that threaten democratic institutions and liberal principles They explore cases of both far right and right wing thought in eastern and western Europe the United States and Canada Subjects include well known figures such as Marine Le Pen Tucker Carlson Peter Thiel Nick Griffin Thierry Baudet Jordan Peterson Russell Brand and Viktor Orb n and lesser known names such as the Czech politician Tomio Okamura and the Internet personality Raw Egg Nationalist The contributors examine these figures claims about hot button issues including immigration Islam race Covid 19 policies feminism monetary policy and free speech The book demonstrates that mainstream politicians and intellectuals are at risk of losing control over the definitions of the very concepts including equal rights racial and ethnic diversity and political tolerance that undergird their vision of liberal democracy It will be of interest to scholars journalists policymakers political scientists historians political theorists sociologists and general audiences concerned about the sophisticated efforts of far right and right wing politicians and pundits to undermine the foundations of liberal democracy
