Summary of Rebecca Solnit's Men Explain Things To Me Everest Media, 2022-03-01T21:00:00Z Please note This is a companion version not the original book Sample Book Insights 1 The Slippery Slope of Silencing is the phenomenon where people of both genders pop up at events to hold forth on irrelevant things and conspiracy theories but the out and out confrontational

confidence of the totally ignorant is in my experience gendered 2 The presumption that women are unnecessary is a war that every woman faces every day It is a belief in their superfluity and it invites silence There is a happy medium between these poles and we should all meet there 3 The struggle of feminism to make rape date rape marital rape domestic violence and workplace sexual harassment crimes legal has been to make women credible and audible 4 In speaking engagements I often encounter men who explain things to me And they almost always do it in a manner that makes me feel like I lack intelligence

Making Sense of Society Alex Khasnabish, 2022-05-30T00:00:00Z Grounded in the sister disciplines of sociology and anthropology this textbook is an accessible and critical introduction to contemporary social research Alex Khasnabish eschews the common disciplinary silos in favour of an integrated approach to understanding and practising critical social research Situated in the North American context the text draws on cross cultural examples to give readers a clear sense of the diversity in human social relations It is organized thematically in a way that introduces readers to the core areas of social research and social organization and takes an unapologetically radical approach in identifying the relations of oppression and exploitation that give rise to what most corporate textbooks euphemistically identify as social problems Focusing on key dynamics and processes at the heart of so many contemporary issues and public conversations this text highlights the ways in which critical social research can contribute to exploring understanding and forging alternatives to an increasingly bankrupt violent unstable and unjust status quo

The End of Man Joanna Zylińska, 2018-03-20 Debugging the Anthropocene's insistence on apocalyptic tropes Where the Anthropocene has become linked to an apocalyptic narrative and where this narrative carries a widespread escapist belief that salvation will come from a supernatural elsewhere Joanna Zylińska has a different take The End of Man rethinks the prophecy of the end of humans interrogating the rise in populism around the world and offering an ethical vision of a feminist counterapocalypse which challenges many of the masculinist and technicist solutions to our planetary crises The book is accompanied by a short photo film Exit Man which ultimately asks If unbridled progress is no longer an option what kinds of coexistences and collaborations do we create in its aftermath

Unshrinking Kate Manne, 2025-03-11 NATIONAL BOOK AWARD FINALIST The definitive takedown of fatphobia drawing on personal experience as well as rigorous research to expose how size discrimination harms everyone and how to combat it from the acclaimed author of *Down Girl* and *Entitled* An elegant fierce and profound argument for fighting fat oppression in ourselves our communities and our culture Roxane Gay author of *Hunger* A BEST BOOK OF THE YEAR The New Yorker NPR Chicago Public Library For as long as she can remember Kate Manne has wanted to be smaller She can tell you what she weighed on any significant occasion her wedding day the day she became a professor the day her daughter was born She's been bullied and belittled for her size leading to extreme dieting As a feminist philosopher she wanted to believe that she was exempt from the cultural gaslighting that compels so many of us to ignore our hunger But she was not Blending intimate stories with the trenchant analysis that has become her signature Manne shows why fatphobia has become a vital social justice issue Over the last several decades implicit bias has waned in every category from race to sexual orientation except one body size Manne examines how anti fatness operates how it leads us to make devastating assumptions about a person's attractiveness fortitude and intellect and how it intersects with other systems of oppression Fatphobia is responsible for wage gaps medical neglect and poor educational outcomes it is a straitjacket restricting our freedom our movement our potential In this urgent call to action Manne proposes a new politics of body reflexivity a radical reevaluation of who our bodies exist in the world for ourselves and no one else When it comes to fatphobia the solution is not to love our bodies more Instead we must dismantle the forces that control and constrain us and remake the world to accommodate people of every size

Understanding Everyday Incivility Shelley D. Lane, 2017-08-28 *Understanding Everyday Incivility* delves into the day to day annoying behaviors that color our interactions with other people such as the use of crude language in public family members who claim that they're just teasing and we're too sensitive coworkers who constantly interrupt us and inflammatory remarks posted on social media sites Shelley D Lane explores what is considered uncivil behavior why we label some acts as crude or selfish while others are deemed polite and proper and how these labels often change from one context to the next She highlights the power dynamics at play in our interactions and explains how rude behavior can sometimes be beneficial and polite behavior can be detrimental Rather than a simplistic manual of manners Lane provides the tools to understand everyday incivility and strategies for responding effectively and appropriately

Nice Racism Dr. Robin DiAngelo, 2021-06-29 NEW YORK TIMES BESTSELLER Building on the groundwork laid in the New York Times bestseller *White Fragility* Robin DiAngelo explores how a culture of niceness inadvertently promotes racism In *White Fragility* Robin DiAngelo explained how racism is a system into which all white people are socialized and challenged the belief that racism is a simple matter of good people versus bad DiAngelo also made a provocative claim white progressives cause the most daily harm to people of color In *Nice Racism* her follow up work she

explains how they do so Drawing on her background as a sociologist and over 25 years working as an anti racist educator she picks up where White Fragility left off and moves the conversation forward Writing directly to white people as a white person DiAngelo identifies many common white racial patterns and breaks down how well intentioned white people unknowingly perpetuate racial harm These patterns include rushing to prove that we are not racist downplaying white advantage romanticizing Black Indigenous and other peoples of color BIPOC pretending white segregation just happens expecting BIPOC people to teach us about racism carefulness and feeling immobilized by shame DiAngelo explains how spiritual white progressives seeking community by co opting Indigenous and other groups rituals create separation not connection She challenges the ideology of individualism and explains why it is OK to generalize about white people and she demonstrates how white people who experience other oppressions still benefit from systemic racism Writing candidly about her own missteps and struggles she models a path forward encouraging white readers to continually face their complicity and embrace courage lifelong commitment and accountability Nice Racism is an essential work for any white person who recognizes the existence of systemic racism and white supremacy and wants to take steps to align their values with their actual practice BIPOC readers may also find the insiders perspective useful for navigating whiteness Includes a study guide

Entitled Kate Manne, 2020-08-11 An urgent exploration of men s entitlement and how it serves to police and punish women from the acclaimed author of Down Girl Kate Manne is a thrilling and provocative feminist thinker Her work is indispensable Rebecca Traister NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE ATLANTIC In this bold and stylish critique Cornell philosopher Kate Manne offers a radical new framework for understanding misogyny Ranging widely across the culture from Harvey Weinstein and the Brett Kavanaugh hearings to Cat Person and the political misfortunes of Elizabeth Warren Manne s book shows how privileged men s sense of entitlement to sex yes but more insidiously to admiration care bodily autonomy knowledge and power is a pervasive social problem with often devastating consequences In clear lucid prose Manne argues that male entitlement can explain a wide array of phenomena from mansplaining and the undertreatment of women s pain to mass shootings by incels and the seemingly intractable notion that women are unelectable Moreover Manne implicates each of us in toxic masculinity It s not just a product of a few bad actors it s something we all perpetuate conditioned as we are by the social and cultural mores of our time The only way to combat it she says is to expose the flaws in our default modes of thought while enabling women to take up space say their piece and muster resistance to the entitled attitudes of the men around them With wit and intellectual fierceness Manne sheds new light on gender and power and offers a vision of a world in which women are just as entitled as men to our collective care and concern **Women in Populist Rhetoric** Agnieszka Kasińska-Metryka, Karolina Pałka-Suchojad, 2025-07-28 At a time of increasing right wing populism Women in Populist Rhetoric examines the relationship between populist rhetoric and the real social changes that affect women and how populists gain prominence through the support they receive Covering a broad

spectrum of right wing group activity in Western Central and Eastern Europe including Hungary France and Czechia this volume takes an important look at the phenomena at the level of leadership and the practice of its operation The book is divided into four parts the first describes the phenomenon of right wing populism the second examines language as a tool of populist influence and the third and fourth analyse the narratives of populist parties towards women across different European countries An important text for the present moment Women in Populist Rhetoric is an invaluable text for students of politics sociology and gender studies

Reading from Behind Jonathan A. Allan, 2016-03-15 A serious work of theory The Guardian Jonathan Allan has come up with a whole theory of the arsehole Dazed and Confused In a resolute deviation from the governing totality of the phallus Reading from Behind offers a radical reorientation of the anus and its role in the collective imaginary It exposes what is deeply hidden in our cultural production and challenges the authority of paranoid critical thought A beautiful work that invites us beyond the rejection of phallogentrism to a new way of being and thinking about sex culture and identity

Neo-Victorian Humour, 2017-06-06 This volume highlights humour s crucial role in shaping historical re visions of the long nineteenth century through modes ranging from subtle irony camp excess ribald farce and aesthetic parody to blackly comic narrative games It analyses neo Victorian humour s politicisation its ideological functions and ethical implications across varied media including fiction drama film webcomics and fashion Contemporary humour maps the assumed distance between postmodernity and its targeted nineteenth century referents only to repeatedly collapse the same in a seemingly self defeating nihilistic project This collection explores how neo Victorian humour generates empathy and effective socio political critique dispensing symbolic justice but also risks recycling the past s invidious ideologies under the politically correct guise of comic debunking even to the point of negating laughter itself This rich and innovative collection invites us to reflect on the complex and various deployments of humour in neo Victorian texts where its consumers may wish at times that they could swallow back the laughter a scene or event provokes It covers a range of approaches to humour utilised by neo Victorian writers dramatists graphic novelists and filmmakers including the deliberately and pompously unfunny the traumatic the absurd the ribald and the frankly distasteful producing a richly satisfying anthology of innovative readings of canonical neo Victorian texts as well as those which are potential generic outliers The collection explores what is funny in the neo Victorian and who we are laughing at the Victorians as we like to imagine them or ourselves in ways we rarely acknowledge This is a celebration of the parodic playfulness of a wide range of texts from fiction to fashion whilst offering a trenchant critique of the politics of postmodern laughter that will appeal to those working in adaptation studies gender and queer studies as well as literary and cultural studies more generally Prof Imelda Whelehan University of Tasmania Australia

manifesto explaining why women are still so underestimated and overlooked in today's world but how we can also be hopeful for change Philippa Perry An impassioned meticulously argued and optimistic call to arms for anyone who cares about creating a fairer society Observer _____ Imagine living in a world in which you were routinely patronised by women Imagine having your views ignored or your expertise frequently challenged by them Imagine people always addressing the woman you are with before you Now imagine a world in which the reverse of this is true The Authority Gap provides a startling perspective on the unseen bias at work in our everyday lives to reveal the scale of the gap that still persists between men and women Would you believe that US Supreme Court Justices are interrupted four times more often than male ones 96% of the time by men Or that British parents when asked to estimate their child's IQ will place their son at 115 and their daughter at 107 Marshalling a wealth of data with precision and insight and including interviews with pioneering women such as Baroness Hale Mary Beard and Bernadine Evaristo Mary Ann exposes unconscious bias in this fresh feminist take on how to address and counteract systemic sexism in ways that benefit us all Includes interviews with pioneering women such as Baroness Hale Mary Beard Bernadine Evaristo Mary McAleese Julia Gillard Dolly Alderton and Pandora Sykes Cherie Blair Liz Truss Amber Rudd Frances Morris Laura Bates _____ Hugely exciting Emily Maitlis Deeply researched profoundly thoughtful and a book very much for the here and now Mary Ann Sieghart's The Authority Gap is the book she was probably born to write Andrew Marr At last here is a credible roadmap that is capable of taking women from the margins to the centre by bridging the authority gap that holds back even the best and most talented of women Mary McAleese Former President of Ireland *Glass Ceilings and Ivory Towers* Rachael Johnstone, Bessma Momani, 2024-05-01 Even as Canadian universities suggest their gender issues have largely been resolved many women in academia tell a different story Systemic discrimination the underrepresentation of women in more senior and lucrative roles and the belief that gender related concerns will simply self correct with greater representation add up to a serious gender problem Although these issues are widely acknowledged reliable data is elusive Glass Ceilings and Ivory Towers fills this research gap with a cross disciplinary data driven investigation of gender inequality in Canadian universities Research presented in this book reveals for example that women are more likely to hold sessional teaching positions and to face difficulties obtaining funding They are also poorly represented at the upper echelons of the professoriate and must contend with a gender pay gap that widens as they move up the ranks Contributors consider the daily grind of academic life social structural and systemic challenges and the gendered dynamics of university leadership all with an eye to laying the groundwork for practical and meaningful institutional change

Digital Suffragists Marie Tessier, 2021-10-05 Why women's voices are outnumbered online and what we can do about it by a New York Times comment moderator If you've read the comments posted by readers of online news sites you may have noticed the absence of women's voices Men are by far the most prolific commenters on politics and public affairs When women do comment they are often attacked or dismissed more than men are In fact the comment forums on news sites

replicate conditions of the offline and social media worlds where women are routinely interrupted threatened demeaned and called wrong unruly disgusting and out of place In *Digital Suffragists* Marie Tessier a veteran journalist and a New York Times comment moderator for more than a decade investigates why women s voices are outnumbered online and what we can do about it The suffragists of the early twentieth century were jailed for trying to vote Can a twenty first century democracy be functional when half of the population is not fully represented in a primary form of political communication Tessier shows that for online comments it s a design problem the linear blog comment formula was based on deeply gender biased assumptions Technologies designed with a broad range of end users in mind she points out are more successful and beneficial than those that reflect the designer s own habits of mind Tessier outlines benchmarks for a more democratic media all of which stem from one fundamental idea media must adopt gender and racial representation as key performance indicators Equal speaking time for women is a measure of democracy

Loose Leaves & Palm Trees Charles Knause, 2014-09-22 This book is a compilation of a Salon Magazine blog that deals with current and past world events as well as some personal autobiographical material The polemical essays include some serious philosophical arguments that attempt to be as non ideological as possible while at the same time not shying away from taking an ideological position when such seems warranted
