Muslim woman attorney and political philosopher Rafia Zakaria champions a reconstruction of feminism in *Against White Feminism* centering women of color in this transformative overview and counter manifesto to white feminism's global long standing affinity with colonial patriarchal and white supremacist ideals. Covering such ground as the legacy of the British feminist imperialist savior complex and the colonial thesis that all reform comes from the West to the condescension of the white feminist led aid industrial complex and the conflation of sexual liberation as the sum total of empowerment Zakaria follows in the tradition of intersectional feminist forebears Kimberl Crenshaw, Adrienne Rich and Audre Lorde. Zakaria ultimately refutes and reimagines the apolitical aspirations of white feminist empowerment in this staggering radical critique with Black and Brown feminist thought at the forefront.

The maid of honour Philip Massinger, 1927 *Woman of Honour* [latest Edition] Edoh Stephen Owoicho, 2021-10-22

Woman of Honour was set up by God to unravel the hidden cause behind every successful woman in human history. Over time we have seen how many girls grow up to be nonentities which does not fit God's original plans for their lives. In this series the matriarch's success formula will be deciphered unto you. This is not a book as many think. It is a Zion Frontiers formula set up in space to encourage the girls, ladies and women of these last days. Allow me to relate the words of a great woman, Edoh Judith Mrs. The very moment I placed this book on my fingertips I began to feel reactions of various kinds taking effect in my blood. I know well that I was not reading an ordinary book other than a compilation of mysteries. Reading this book made me realize more than what I knew as a woman. It channels the distinct and unrevealed knowledge that I have longed for throughout my time in this mortal realm. As you go through this book you will come to discover that there is a lot to be said for everything you know. One fascinating thing that I find remarkable about this book is that the author communicated it on the platform of godliness, teaching, revealing and you know, disclosing the original nature of God to all the women, the ladies and even the little girls out there. You know what? This edition is not just for the female gender alone but for everyone. Men can read it too, no matter what title of this edition. I love the part where he linked an honorable woman with a doctor whose job is to inoculate her children with the virtue of godliness and to act as a missionary who will help the end time revival movements to the ends of the earth. With all due respect to the reader of the mysteries set up, I have a desire to make a simple request: tell others about this book.
