Klepinger, 2022-07-18 Transnational Yoga at Work Spiritual Tourism and Its Blind Spots is an ethnography about local waged workers in the Indian branches of a transnational yoga institution and about yoga practitioners and spiritual tourists who visualize peace through yoga Practitioners aspirations for peace situate them at the heart of an international movement that has captured the imagination of cosmopolitans the world over with its purported benefits to mind body and spirit Yoga is thought to offer health vitality and relief from depression through control of body and breath Yet the vision of peace in this institution is a partial vision that obscures the important but seemingly peripheral others of its self conception Through in depth ethnographic analysis this book explores the processes through which global spiritual movements can have peace front and center in their vision and yet condone and perpetuate cycles of injustice and social inequality that form the critical and problematic foundations of our global economy The book privileges the experiences and hardships faced by Indian waged workers most of them women but it also offers a sympathetic portrayal of international yoga practitioners and of the complex patterns of work and worship central to a global mission For more information check out A conversation with Laura E Klepinger author of Transnational Yoga at Work Spiritual Tourism and Its Blind Spots      Kalyana Mitra: Volume 3 Prof. Katta Narasimha Reddy, Prof. E.
