Back to Font Anitra Nottingham, Jason Phillips, 2025-07-31 Warning this book may cause you to rethink your default typeface settings *Back to Font* uncovers the secrets and lives behind 16 of the most famous typefaces It answers all sorts of questions you might never

have thought to ask before Like who were their parents and where were they born What s pretty and interesting about them and what isn t How are the typefaces used and abused and where can you find them in the wild Most importantly these chatty and opinionated insights will help you decide whether to kiss marry or kill each typeface Who knew type could provoke such controversy We did Featuring Times New Roman Gill Sans Futura Bodoni Goudy Baskerville Akzidenz Grotesk Mrs Eaves Trajan Novarese Bell Centennial Foundry Sterling Transport Zapf Dingbats Univers Papyrus The Prize of Success Jonas Berthod,2024-04-02 In the small world of Swiss graphic design prizes such as the Swiss Design Awards SDA are followed closely The winners works are admired envied and emulated The generous prize money allows designers to launch their careers and focus on lesser paid but critically recognised work Awards thus play the role of bellwethers of the scene However criticisms inevitably arise Speaking in hushed tones designers speculate as to why a colleague won over another Rumours have it that jury members favour their inner circles and exclude competitors Analysing this universe in detail Jonas Berthod retraces the recent history of the SDA and the emergence of a new design culture in Switzerland

Graphic Design, Translated Peter J Wolf,2010-07-01 For centuries now visual communication design has celebrated national identities through the now iconic identity systems developed for the Olympic Games for example at the same time as it transcends international borders such as through the far reaching influence of the Bauhaus and the International Typographic Style Today of course such transcendence is easier than ever In an era of nearly instantaneous global access enabled by increasingly ubiquitous wireless connections the world seems very small Presented in five languages English French German Italian and Spanish *Graphic Design Translated* is a reflection of the increasingly international nature of visual communication design Illustrated with examples from around the globe the book is a compilation of more than 200 of the profession s most common terms culled from a broad range of categories design history printing and paper typography digital technology and general design practice All of which makes this volume an essential reference for students

practitioners clients indeed anybody interested in the global scope of today s visual communication design **Rock • Paper**
• **Pixels** Patrick Aievoli,2025-01-20 The purpose of this book is to avail faculty and students of the many different innovations events effects and back stories equated with the advent of this new era of communications and its impact on our world At our core we are a species that needs to communicate and to find a way to properly represent those messages Since the beginning of recorded history mankind has always attempted to communicate and to keep track of its endeavors and accomplishments Now by using interaction design and modern digital media it has become possible to present our story through many current and evocative platforms As each generation comes of age this new method is being utilized in all areas of their communication choices These new generations desire their communication at a different rate than its predecessors They want their information Internet ready and interactive They are involved in the immediate and that choice is not going away Interactive media is here to stay and has new rules and new effects It is changing our economies our societies and especially

us as individuals The main goal of this book is to help you see how it started where it is going and how to be on the right side of this transformation How to take your first steps in that new direction and how to understand the effects of this new form of communication while being aware of its abilities and its dangers As a friend once said no matter how thin you slice it there are always two sides
